

INTERNATIONAL SCHOOL MANILA

Welcomes you
to the

34th Annual IASAS Tennis Championships

Feb 1 - 3, 2018

Mabuhay! Welcome!

Welcome to International School Manila, welcome to the Philippines and welcome to IASAS Tennis 2018!

I would like to take this opportunity to recognise the hard work and effort that has made this event possible. Mark Pekin and his team in the ATAC office here at ISM, the coaches from each of our six IASAS schools and of course you, the players; I am sure you are eager to give it your all as you go for gold!

I want to encourage everyone to have a great time over the next few days – of course you'll be excited, nervous and competitive. For some, there may be disappointment and frustration. Always play with the same sense of IASAS spirit that I have seen in IASAS athletes for the past 11 years in my time at ISM. But, most of all have fun – after all, it is “more fun in the Philippines!”

Best of luck everyone.

Michael Dickinson
High School Principal
International School Manila

Welcome IASAS Athletes, Coaches and Supporters,

It is a great pleasure for International School Manila to host this year's IASAS Tennis Championships. We look forward to an exciting competition and to the friendly interactions and competitive rivalry between all IASAS teams.

I congratulate all team members on the hard work and dedication you have demonstrated to be selected for your school's team. The results of your preparation and efforts to date will be reflected in your individual and team's performance over the next three days.

In any competition it is often the mental preparation on match day that is so important. Can you be and give your best on that day? That is the question that will be asked of you during the days ahead. My hope is that all of you will be able to find your "best form" and be able to sit at the closing ceremony happy with your individual performances and your contribution to the team.

At ISM we value all the ethics of good sportsmanship. It is important to cheer hard and loud for your own team and also to appreciate the great performances that you will see from your fellow competitors. Genuine congratulations and appreciation of a great sporting effort from individuals on opposing teams is a true reflection of an "athlete".

I would like to give a special thanks to all our ISM families that have volunteered to house the IASAS athletes. Without the generous support from our parent community events like this simply could not happen. I would also like to recognize and give my special thanks to all those that have helped with the planning, organization and running of this tournament. Your support is greatly appreciated!

I wish all of you the very best and good luck.

Mark Pekin

Director of Athletics/Activities
International School Manila
