IASAS CROSS COUNTRY AND VOLLEYBALL CHAMPIONSHIP

Welcome to the Jungle!!

It is with great pleasure that we welcome you to Kuala Lumpur and to ISKL. We are extremely pleased to be hosting the IASAS Volleyball and Cross Country Tournament this year. We welcome the opportunity to foster IASAS community camaraderie.

We are so very proud to inaugurate our new campus with IASAS Volleyball and Cross Country. We realize that for you, it is a milestone in your continued development as a high school player and competitor. Whatever the tournament brings you, we wish you the very best and hope that you enjoy the experience of competing at a high level. It is important to be a fierce competitor, but it is more important that fair play shape all of your actions over the coming days. Your coaches often remind you about character, which is demonstrated by good sportsmanship and *IASAS Spirit* during the tournament.

We are looking forward to the opportunity to watch you and wish you every success over the next few days. Again welcome to ISKL and have a wonderful visit with us in Kuala Lumpur.

CROSS COUNTRY RULES

IASAS Exceptions to IAAF Rules:

Additional rules not clarified in IAAF. Disqualification will occur if:

- A runner is paced by any person other than another competitor in the race, A runner receives assistance throughout the course from anyone other than those services that are provided, by the host school for all competitors, In sections of a course that are narrow, the Tournament Director can designate an area, in which, a stated maximum number of team members can run abreast. - Teams may compete with fewer than 7 runners, if the fifth runner is unable to finish the fifth score will be that equal to the next place following the final finisher
- **NEW for 2018** -The Team Time Trial is a team time trial with a staggered start **The process for the staggered start is as follows: A single runner starts the race and additional runners start at set intervals (5 seconds is recommended but may change due to safety precautions) in the reverse order of the 5 km race.**
