# HEAD OF SCHOOL'S WELCOME

Dear IASAS Friends,

On behalf of all of us at ISB, we extend a very warm welcome to our school and to the Land of Smiles. Our school community is very much looking forward to welcoming our IASAS student-athletes and to watching, in the words of Pele, “the beautiful game”.

Perhaps more than any other sport, soccer truly is a world game as it is played almost everywhere and unites people like no other. Bill Gates once said, “Contrary to popular belief, I don't spend a whole lot of time following soccer. But as I have traveled around the world to better understand global development and health, I've learned that soccer is truly universal. No matter where I go, that's what kids are playing. That's what people are talking about”. Soccer has over four billion followers and more active players than any other sport on the planet. It is a game that transcends difference and brings almost all cultures together.

Various forms of the game with people kicking spherical objects into goals (sometimes pig bladders or human heads) have been played for thousands of years. Today's soccer has evolved considerably from the rather violent form played in Britain centuries ago. In England, King Edward III passed laws in 1331 to try and suppress football while in Scotland, King James 1, in 1424, proclaimed in Parliament, “That na man play at the Fute-ball”. Queen Elizabeth I of England had a law passed that provided for soccer players to be “jailed for a week, and obliged to do penance in church”. The Cambridge Rules adopted in 1848 prohibited tripping, shin kicking, and carrying the ball, and paved the way for the development of rugby!

Soccer has become such a significant part of the fabric of society to the extent that for many it is the pinnacle of the week, the month and the year. Bill Shankly, the wily former manager at Liverpool FC once said, “Some people think football is a matter of life and death...I can assure them it is much more serious than that”.

Thankfully, with respect to IASAS, the winning and losing is not taken that seriously. Far more important is the friendship, the camaraderie, the hard work, the learning, and the sportsmanship. So enjoy the tournament, have fun, try your hardest, make friends from other schools and countries, and find a quiet moment to reflect on what a wonderful opportunity this is.

Please also find the time during the tournament to recognize those who make IASAS possible. Between games, a word of appreciation to organizers Derrick Quinet, Mark Jaspers, Harold Albert and Bob Connor, our athletics and grounds staff, your coaches, your hosts, ISB's Booster Club, the officials, and the many faculty and parent volunteers will be much appreciated.

A final word for the players, never give up and always remember the immortal words of enigmatic manager, Brian Clough, when he said, "It only takes a second to score a goal”.

Best wishes to you all!

Dr. Andy Davies

# HIGH SCHOOL PRINCIPAL'S WELCOME

On behalf of the ISB community, I would like to welcome you all to the 2017 IASAS Soccer tournament hosted here at our wonderful campus in Bangkok.

The IASAS tournaments provide great opportunities for our student-athletes to battle it out on the playing field, while continuing to develop and extend the friendships and partnerships that our schools and athletes already share.

Congratulations to our competing athletes who have spent many hours practicing, training and playing in preparing for this tournament. The level of commitment shown by our athletes is high, but the rewards of representing your school at this level are also immense and something to be proud of. Be sure that you play hard, fair and that you place a high value on sportsmanship in your actions both on and off the field.

I would like to extend my thanks to the coaches of each and every team for their collective efforts and hard work in preparing these fine young men and women for the spirit of competition and for representing their schools with pride. Team sports such as football require strong and fair leadership and guidance and the way in which students play and compete is a reflection on the commitment, goodwill and spirit of their coaches in the lead up to these tournaments.

Parents, thank you for the support and for the encouragement that you have shown to your children in the lead up to and during the course of this competition. Do take a moment to celebrate their successes and their achievements regardless of the final result in the standings and be rightfully proud of them and their contributions to their teams.

As you enjoy the games and the hospitality from ISB, please take a moment to recognise and thank those that have made this IASAS event possible. A genuine and sincere thank you are in order for Derrick Quinet, Harold Albert, Bob Connor, tournament director Mark Jaspers, site supervisors Kevin Davy, Tico Oms and John Switala, our amazing building and grounds staff, all of the coaches, the host families, ISB Booster Club and the many faculty and parent volunteers who willingly and selflessly contribute their time and energies to the smooth running of this event.

I very much look forward to cheering on the ISB Panthers in their battles against the Eagles, Bear Cats, Tigers, Dragons and ISKL Panthers, but I will be sure to take a moment to recognise and enjoy the performances of all the athletes regardless of which school they represent.

Enjoy a great tournament.

Regards

Justin Alexander

# IASAS Soccer Rules

## I. RULES

### A. Rule Book:

F.I.F.A. (latest edition):

### B. Ground Rules:

The Tournament will be governed by ground rules as instituted by the host school.

### C. There is no official ball for IASAS Soccer.

### D. Yellow Card:

A yellow card is the final warning for a player. Any further infringement by the player will be indicated by a "red card". Any player who is shown two yellow cards during the tournament will automatically be suspended for the next game. All yellow cards given to a player are wiped after the fourth round matches. EXAMPLE: A player on one yellow card from a previous match is shown a second yellow card in the fourth match of round robin play. He/she is automatically suspended for the next game. In that same match another player is shown his/her first yellow card of the tournament. At the conclusion of the game that yellow card is wiped out and the player starts the next game with no yellow cards.

### E. Red Card:

1. Any player penalized with a "red card" will be evicted for that game and also miss the next game. No substitutes will be allowed for penalized players. If a player is shown a straight red they will be ineligible for all tournaments selection.

2. If a goalkeeper is shown a red card, a substitute from the bench may come in for the goalkeeper. A field player must then come off, leaving the team to play with 10 players.

NOTE: The site directors must keep a tally of yellow/red cards received and will inform coaches when a player becomes ineligible.

F. Teams must play all rounds of the Round Robin even if the last game is a repeat of the Championship Game. Forfeits are not allowed.

## II. RULE EXCEPTION

### A. Playing Time:

30 minute halves, 10-minute half times, plus added time for stoppages of play at the referees' discretion, but without adding extra time for substitutions.

2. Both teams may substitute after a goal has been scored.

3. If the referee invites, or asks that, a player be removed from the field due to injury, both teams are allowed to make a substitution at that time.

B. A designated person, other than the Site Director, will coordinate and monitor the substitutions to ensure that all substitutions are made in the approved manner.

- C. Coaches may use their entire bench in every match.
- D. The fourth official monitoring substitutions must use a loud noisemaking device, other than a whistle, to attract the attention of the referee for substitutions.

Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event.

B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity must then make a decision.  
The Head Official should make this decision with or without consultation of the coaches involved in that area. The Head Official is free to consult anyone he/she sees fit in helping to make a decision.  
A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament Director.

B. If "B" is appealed, the appeals procedure will continue as follows:  
Further appeal can only occur with the approval of the Head Official. The appeal shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Site Director who in turn will add his own report and further comments and present the entire matter to the Tournament Director.

If the Tournament Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Administrators-In-Charge present at the tournament. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Tournament Director should get all the information he/she needs. This includes a formal meeting if necessary.

## IASAS History: 1982-2017

IASAS, the Interscholastic Association of Southeast Asia Schools, began in the fall of 1982. The seeds of the organization, however, were planted long before that with sports competitions that were arranged between many of the international schools in the Southeast Asia region. For example, Singapore American School (SAS) and International School Bangkok (ISB) participated in an annual, multi-sport event called the *Singapore-Bangkok Games* which started in 1961. In 1980, the International School of Kuala Lumpur (ISKL) asked to participate in this event, creating what then became known as the *Triangular Games*. Thus it was around this time that the idea of forming an international school athletic conference began to develop.

It was probably at an EARCOS Conference in Hong Kong in 1981 that the idea of forming IASAS became a reality. Primarily spear-headed by the Heads of School from ISKL - Gail Schoppert, SAS - Mel Kuhbander, and Jakarta International School (JIS) - Everett Gould, there was expressed a desire to create an international athletics conference in the region. This organization was to be modelled after a similar conference that was active in South Asia, SAISA, which was familiar to some of these gentlemen.

It wasn't too long after that that the Athletic Directors from schools in the region met at the old Singapore American School campus on Kings Road tasked with creating the organization. Participating in this meeting were the AD's from ISKL - Jim Baker, from SAS - K.S. Kasinathan, and from JIS - Jim Ryan. The result, as we now know, was IASAS, which formally started in October of 1982 with four schools: JIS, SAS, ISKL and ISB. International School Manila (ISM) joined the conference the very next year, while Taipei American School (TAS) joined the group in 1986, creating the six-school conference that has flourished ever since. Originally the idea was limited to athletics, but at the urging of a fine arts teacher from SAS, Richard Lewis, a cultural component was also instituted that very first school year.

In the early days the conventions included soccer & volleyball (first season), basketball & swimming (second season), softball & track and field (third season), as well as a cultural convention (dance, drama, debate, forensics, music and art) and even a mathematics competition. Over the years, various activities were added to the agenda, and today the wide-ranging IASAS activities include:

- 1st Season: Cross-Country, Soccer, Volleyball
- Model United Nations
- 2nd Season: Basketball, Rugby/Touch, Swimming, Tennis
- Cultural Convention: Art-Drama-Dance, Forensics-Debate, and Music
- 3rd Season: Badminton, Baseball/Softball, Track & Field, Golf
- Math Contest, Film Festival & Chess [non-travel activities]

For everyone involved, students, coaches, administrators, parents and community members alike, IASAS is one of the most memorable times of any school year. Now in its 36<sup>th</sup> year of existence and widely recognized as one of the premier international school activities and athletics conferences in the world, we can only thank those who came before and helped to create such a remarkable organization. We certainly hope that it will continue to prosper for many decades to come.

# I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

## PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
  - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
  - iii Upon return to school, the following consequences will apply:
    - Appropriate counseling will be required.
    - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
    - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
    - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
    - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
    - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
    - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
  - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
  - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
  - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
  3. Under no circumstances may housing assignments be changed
  4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
  5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
  6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
  7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
  8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
  9. Student medical release forms will be available at the convention site each day of the event.
  10. All students must carry their Tournament/Convention Identification Cards with them.

## HOST FAMILIES

1. All host families will be provided with complete Tournament/Convention details (schedules, curfews, policies, procedures, emergency phone numbers for coaches and important tournament personnel, etc.).
2. Host parents/guardians will not offer housing unless one of the parents/guardians is present for the duration of the tournament/convention.
3. Hosts are expected to cooperate with Tournament/Convention Director in ensuring student compliance with all IASAS policies relating to participation.
4. Any student who shows reluctance to fully comply with the above rules and regulations shall be reported to the Tournament/Convention Director who will report the matter to the student's coach and Administrator in charge with the expectation that action will be taken.
