# HEAD OF SCHOOL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare for our own Wimbledon of IASAS tennis. This is our second IASAS tournament on our new courts in successive years and we are very happy that our new and improved tennis facilities are enjoyed by both players and coaches. It is also very welcome that spectators can have a much better view courtside and add to the atmosphere.

Tennis is a hugely exciting global sport with a long and proud history dating back to the twelfth century. Tennis is also very much a lifetime sport and we know our IASAS athletes have learned a game that will provide enjoyment for decades to come.

The spirit of IASAS always shines through and each time a tournament approaches I think about the magnificence of the occasion. We have schools from six countries, with students and teachers representing scores of nationalities, coming together to celebrate friendship, sportsmanship and athletic achievement. These are experiences that last a lifetime.

We hear time and time again that IASAS athletes find each other in college and in different situations later on in life and that friendships form based on a very special shared experience.

Rest assured that we will do our very best to ensure that the competitions go as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

Please find a moment to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

I hope that we will be able to provide you with a memorable competition, an opportunity to build lasting friendships, and a glimpse at the very rich and diverse culture of our host country.

Enjoy the competitions and this beautiful country.

Sincerely,

Andy Davies  
Head of School

# HIGH SCHOOL PRINCIPAL'S WELCOME

On behalf of the ISB community, I welcome you to the 2017 IASAS Tennis Championships.

The end of season IASAS tournaments are much anticipated and action packed highlights in our crowded school calendars and we look forward to watching the Panthers, Eagles, Bear Cats, Tigers and Dragons do battle.

Athletes, this is your well-earned reward for the hours of practice, effort, and conditioning you have dedicated to your teams. Of course every team is battling to win but IASAS tournaments are always about much more than this! For example; fair play, friendship, grit and integrity.

Coaches, we know these events are both stressful and exhilarating times for you. On behalf of our communities, thank you and please take a little time to celebrate the gifts you have given these athletes through your dedication and expertise. The learning that athletics offers young people is one of the most powerful school experiences and transfers into every walk of life.

Parents, this should be a time of celebration for you too. Of course you are worried about your child's performance. But think back to their awkward first steps as toddlers, did any of this seem possible. Now, marvel at the grace and energy they contribute to their team.

In short, thank you all.

Please find the time during the tournament to recognize those who have made this IASAS event possible. Between matches, a heartfelt word of thanks to Harold Albert and Bob Connor - their very able staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will go a long way.

Have fun.

Sincerely

Philip Bradley, HS Principal

# IASAS Tennis Rules

## I. RULES

### B. Rule Book:

ITF Rules of Tennis (latest edition) (05/07)

### C. Match Schedules

Please see the schedule that is generated using the Tennis tab in the IASAS Schedule Maker Pro 2.6. This schedule is designed for an 8-court facility. The schedule for a different size facility will have to be modified by the AD of the host school. The Schedule Maker document is located in the Forms section of the IASAS Handbook under Organizational Forms. (04/11)

### D. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 & #3. Number #1 ranking being the top player.
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. A. The 8<sup>th</sup> player substitute will play exhibition matches. The 8<sup>th</sup> player may substitute into the tournament at any position if a player is unable to participate. ~~If a player is replaced, they can take no further part in the tournament.~~ No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all-tournament a player must participate in all five group matches. (05/15)

B. That the tournament director should have the flexibility to schedule the 8<sup>th</sup> player matches to best suit the schedule and the needs of the tournament and should attempt to give the 8<sup>th</sup> player at least 3 matches. (5/99)

C. The 8<sup>th</sup> player will be eligible to play at any position as a "free switch" during the tournament. At such a switch the original player may only return to their original position. This free switch may occur as many as 3 times during the tournament. The alternate may switch/substitute with any position player before the start of any match. Example: 1st doubles Player A has a stomach ache, the coach sits him/her and sends the alternate to play in his/her place. Player A recovers the next morning and is ready to play, so the coach reinserts Player A into first doubles. (04/11)

1. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
2. The tournament will be run on a round-robin format with subsequent consolation and championship matches. (04/10) The team rankings will be determined by win-loss records at the conclusion of round robin play. In case of tie following round-robin play, rules under **VII. SCORING** will apply. (5/94) As stated in the Organization section of this Handbook, if a championship or consolation match cannot be played, then final placing will be determined by the round robin standings. (04/11)
3. There will be a 5-minute warm-up before each match. There will be no rest period after the 1<sup>st</sup> game of a set (but still change sides). The first rest period is after the 3<sup>rd</sup> game and then after each further two games until the conclusion of the set. (4/010)

6. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director. The official charged with overseeing the match will overturn or confirm a call if disputed/challenged by the opponent and if the official clearly saw the disputed ball. (04/14)

A coach should advise other coaches and Site-Directors if a student on his or her team needs assistance with the rules. This notification should be made at the pre-tournament meeting or whenever the need arises. This player would then automatically be assisted by a tournament official throughout the tournament. (5/01)

7. Players must report to the main desk before and immediately after the match to report the score.
8. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a forfeit.
9. Side changes will be a maximum of 60 seconds in duration. (5/09). Coaches will be allowed to consult with their players during the side-change. Coaches will not be allowed on the courts for consultation unless there is no outside access.
10. Order of play will be as follows:
  - #2 Doubles
  - #3 Singles
  - #2 Singles
  - #1 Doubles
  - #1 Singles
11. In the event of an injury during a match, a 5-minute injury time for treatment be allowed to determine if the player can continue. The Site Director should monitor the situation.

## **II. ROSTERS**

Rosters (eight boys and eight girls) must be submitted two weeks prior to the tournament and include the following information: (5/97)

- Name
- Grade
- Passport nationality
- Birth date
- Housing preferences
- Playing position

Coaches will declare final seeds on Monday of tournament week by 3pm so that the seeds (positions) can be put into the tournament program/webpage. Coaches cannot change seeds after this time and substitutions can only be made due to injure/visa/emergency issues. Any changes must be advised to the host AD or tournament director upon arrival. Changes at the pre-tournament meeting are not allowed. (05/15)

## **III. FACILITIES/EQUIPMENT**

A minimum of 8 tennis courts are required; ~~however a total of 10 courts is highly recommended.~~ (04/10) A minimum of three new balls per match are required.

## **IV. UNIFORMS**

Each member of the team will wear the same uniform. Shorts or skirts must be of the same color. Appropriate tennis attire must be worn. No spaghetti straps or bare midriffs for girls and no sleeveless shirts for boys. (05/07) Players must start the match in the school uniform (same uniform if doubles), but they may change shirts later in the match into other clothing designated as the team uniform. (05/06)

## **V. OFFICIALS**

The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate the tournament.

## **VI. PROTESTS**

All protests are to go through the Tournament Director or the Convention Director.

## **VII. SCORING**

All boys' and girls' events will be scored separately. Matches will consist of one 8-game "Pro-Set". The first player to win 8 games will win the match. Should the game score in the "Pro-Set" be tied at 7-7, then a regular tie-breaker will be played to determine the match winner. (04/10)

If there are significant delays due to weather or other conditions at any time during the tournament, the Tournament Director may make the decision to change individual match scoring to a first to 6-game set. (04/10)

## **VIII. POST SECTION PLAY (04/10)**

After the round-robin league play, the top two seeded teams will play a championship match to decide 1<sup>st</sup> and 2<sup>nd</sup> place.

The 3<sup>rd</sup> and 4<sup>th</sup> ranked teams will play for 3<sup>rd</sup> place.

There will be no post section play for the 5<sup>th</sup> and 6<sup>th</sup> ranked teams.

## **IX. TIE-BREAKER FOR LEAGUE STANDINGS (04/10)**

Should the competition end in a tie, the following criteria will be used to determine the winner:

### **A. Head to Head**

(Definition of Head to Head can be found in Section L of Convention Organization.)  
If after L.3 teams are still tied, go to B.

### **A. Match difference (for three or more tied teams):**

1. Add the total matches won and the total matches lost of each team involved against each of the other tied teams and subtract. Then rank the teams according to their positive points scored. If still tied, go to 2.
2. Get the match difference of all the matches played of the teams involved in the tie. If still tied go to C

### **C. Game Difference:**

Add the total games won and the total games lost of each team involved against each of the other tied teams and subtract. Then rank the teams according to their positive points scored.

- 3 The All Tournament award will be awarded to the school with the best record at their respective position. In the case of a tie the winner will be determined by the result of the matches between tied teams. If the tie is not broken see 7.3 VII E (4/09). # I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

## PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
  - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
  - iii Upon return to school, the following consequences will apply:
    - Appropriate counseling will be required.
    - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
    - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
    - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
    - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
    - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
    - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
  - iv For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
  - v If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
  - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
  3. Under no circumstances may housing assignments be changed
  4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
  5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
  6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
  7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
  8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
  9. Student medical release forms will be available at the convention site each day of the event.
  10. All students must carry their Tournament/Convention Identification Cards with them.

## HOST FAMILIES

1. All host families will be provided with complete Tournament/Convention details (schedules, curfews, policies, procedures, emergency phone numbers for coaches and important tournament personnel, etc.).
2. Host parents/guardians will not offer housing unless one of the parents/guardians is present for the duration of the tournament/convention.
3. Hosts are expected to cooperate with Tournament/Convention Director in ensuring student compliance with all IASAS policies relating to participation.
4. Any student who shows reluctance to fully comply with the above rules and regulations shall be reported to the Tournament/Convention Director who will report the matter to the student's coach and Administrator in charge with the expectation that action will be taken.
