## WELCOME FROM MR. MADANI ISKL HEAD OF SCHOOL

Delegates, Advisors, and Visitors to ISKL,

I am delighted to welcome each of you to the first IASAS MUN conference to take place at ISKL's new campus here in Kuala Lumpur. We are looking forward to five days of debate, discussion, camaraderie, and collaboration.

We welcome you into our school, our homes, and the supportive caring environment that forms the heart of ISKL. We hope you discover new friendships, connections, and ideas. Perhaps most importantly of all, we hope that you will each benefit from the uniquely MUN experience of seeing the world from a different perspective, challenging preconceptions and working towards shared goals. Only by understanding the viewpoints of others and experiencing the world through their lens can we hope to find consensus between countries, cultures, and communities.

The conference is a wonderful opportunity, not only to foster an international mindset but to also practice the skills of leadership, take calculated risks, and work collaboratively in a safe and nurturing environment. I thank the many teachers and advisers who support our students in developing these skills for their time, commitment and contribution to making our IASAS MUN community such a vibrant and dynamic experience.

Finally, a message for each of our delegates - I am a passionate believer in your role in shaping a better future for everyone. I am excited about the contributions you will make, the wise choices you will take, and the positive change you will affect on our planet. Enjoy this opportunity to experience our fascinating world from a different perspective.

Yours in collaboration and learning,

Rami Madani  
Head of School

## **WELCOME FROM MR. FARRINGTON ISKL HS PRINCIPAL**

Dear Delegates, Advisors, and Visitors to ISKL,

It is with great pleasure that we welcome you to Kuala Lumpur and to our school. We are extremely pleased to be hosting the IASAS MUN Conference this year on our new campus, as the last time we hosted we were at a hotel downtown. We are excited to welcome our IASAS colleagues, but also other schools outside our conference who are still very much members of our international community. MUN has always been an exemplar for experiential learning, focussed on the betterment of our world by seeking solutions to current global issues. It is also a skills laden experience where delegates develop their critical thinking, negotiation, and public speaking abilities. Not to mention the wonderful networking opportunities! We wish you great success and fulfillment during your 3 days at ISKL.

Jeff Farrington - High School Principal - International School of Kuala Lumpur

My hope for all of you attending the conference is that you come out with new friends, knowing more about the world, and having taken full advantage of this opportunity. As the new generation of young leaders and change-makers, we hold the future in our hands. Strive to be the best, try your best, and "Reach for 2030". Let's have a great conference!

# VETTING PROCEDURES AND SCHEDULE

## Vetting Process for IASAS MUN 2019

The Vetting at IASAS MUN 2019 will be done within Committee Rooms by Teachers assigned to that Committee. There will be no central "Vetting Room". All Resolutions vetting, revision, and approval will be done electronically.

1. When a resolution is ready for vetting, the Main Submitter will share the resolution with the Committee Chair. The Chair is responsible for shepherding Resolutions through the Vetting and Approval process.
2. The Chair will review the Resolution and, if accepted, will share Resolution with the Vetting Teacher present in the Committee Room.
3. The Chair will inform the Main Submitter that the Resolution is ready for Vetting.
4. The Main Submitter may then approach the Vetting Teacher in the Committee Room to review the Resolution, correcting all issues identified by the Vetting Teacher
5. When all issues have been resolved to the satisfaction of the Vetting Teacher, the Vetting Teacher will add a comment indicating that the Resolution has been approved.
6. The Vetting Teacher will then inform the Chair that the Resolution has been approved.
7. The Chair will then determine if and when the Resolution will be debated, and arrange for the distribution of the Resolution to all delegates.

## IASAS MUN Vetting Guidelines

What specifically is the Vetting Teacher looking for?

- a) The Vetting Teacher will check that the Resolution follows the standard format and basic language expectations. Ensuring clarity and correct format of the resolution is the purpose of vetting.
- b) It is not the job of the Vetting Teacher to judge the quality of a resolution. Nor does the Vetting Teacher need to correct or comment upon the factual accuracy, level of specificity, or degree to which they feel the resolution is realistically able to achieve its aims. In other words, resolutions should not be rejected because of questions about the quality of arguments or proposals. This judgment should be left to delegates who debate the resolution!

## Specific Jobs of Vetting Teachers

The Vetting Teachers work with the Submitters of a Resolution to ensure:

1. Correct spelling, grammar and punctuation.
2. The numbering of lines and of operative clauses is accurate.
3. Pre-ambulatory Clauses are indeed Pre-ambulatory(do not suggest an action), not Operative (do suggest an action) and vice versa.
4. Resolutions are not offensive or otherwise inappropriate.

## What Not to Do

- a) Don't make judgments (and alterations) on the political / factual accuracy of a Resolution. The Committee Chairs and delegates will deal with this.
- b) Don't decide which resolutions should be debated. It is the function of the Vetting Teacher only to approve resolutions based on the criteria noted above, and return them to the chairs. The chairs will choose which resolutions, from those approved by the Vetting Teacher, will be considered.

## SCHEDULE FOR SCHOOL'S ADVISORS ASSIGNED TO COMMITTEE SUPERVISORY/VETTING DUTIES

International School of Kuala Lumpur, as the host school, is responsible for all delegates while they are at the conference. In order to ensure the security of the delegates, and to ensure a safe and healthy environment for all delegates, it will be required that an Advisor be present in all Committee rooms at all times during the conference sessions. To accomplish this, we need all Advisors from all schools to help. The schedule below details the times and committees to which each school's advisors have been assigned. An Advisor from the assigned school is **required to be present in the assigned committee rooms** during the periods indicated below, whether or not there are resolutions to be vetted.
