# HEAD OF SCHOOL'S WELCOME

Dear IASAS Friends,

On behalf of all of us at ISB, we wish you a very warm welcome to our school and to the Land of Smiles.

Although every IASAS tournament is special, this one will prove to be even more memorable as it marks the end of IASAS Softball (slow pitch) after a proud 33-year history. Our six IASAS schools have witnessed many great softball tournaments since 1982, many talented players, and a number of very savvy coaches. For one former savvy coach in particular, this tournament will be tinged with a little bit of sadness - ISB's Harold Albert (aka "The Legend") coached 20 seasons of IASAS Softball and has been involved in 30 of the 33 events!

Next year will witness the inaugural IASAS Baseball tournament for boys as well as the first Fastpitch Softball tournament for girls at Singapore American School.

To the student-athletes - make sure you enjoy the tournament, have fun, try your hardest, make friends from other schools and countries, and if possible find a quiet moment to reflect on what a wonderful opportunity this is.

Please also find the time during the tournament to recognize those who make IASAS possible. Between games, a word of appreciation to organizers Derrick Quinet, Harold Albert and Bob Connor, our athletics and grounds staff, your coaches, your hosts, ISB's Booster Club, the officials, and the many faculty and parent volunteers will be much appreciated.

Best wishes to you all!

Yours in sport,

Andy Davies  
Head of School

# HIGH SCHOOL PRINCIPAL'S WELCOME

On behalf of the ISB community, I welcome you to the 2016 IASAS Softball Championships. Our last - because after 33 years the 2017 fixture will see the introduction of Baseball and Fast Pitch Softball.

The end of season IASAS tournaments are much anticipated and action packed highlights in our crowded school calendars and we look forward to watching the Panthers, Eagles, Bear Cats, Tigers and Dragons do battle – again!

Athletes, this is your well-earned reward for the hours of practice, effort, and conditioning you have dedicated to your teams. Winning, no matter what people say, is always one of the primary objectives for an IASAS team. However, what truly defines an IASAS event are the values and beliefs we share on and off the field. We all place great emphasis on developing the whole student, not just at a weekend tournament but throughout high school and beyond – so play hard and have fun.

Coaches, we know these events are both stressful and exhilarating times for you. On behalf of our communities, thank you and please take a little time to celebrate the gifts you have given these athletes through your dedication and expertise. The learning that athletics offers young people is one of the most powerful school experiences and transfers into every walk of life.

Parents, this should be a time of celebration for you too. Of course you are worried about your child's performance. But think back to their awkward first steps as toddlers, did any of this seem possible? Now, marvel at the grace and energy they contribute to their team.

In short, thank you all.

Please find the time during the tournament to recognize those who have made this IASAS event possible. Between matches, a heartfelt word of thanks to Derrick Quinet, Harold Albert and Bob Connor - their very able staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will go a long way.

Sincerely

Philip Bradley, HS Principal

- A. A team may play with a minimum of nine (9) players instead of ten (10) players before forfeiting the game.
- B. A game will be called when the home team has a 15 run lead after 4½ innings with the home team coming to bat. (5/00)
- C. A pitching strike zone mat will be employed. The strike mat will be considered as home plate when a player is coming in to score (04/2012).
- D. The strike zone mat will be a 22 inches wide, 30 inches long and will be placed such that it will cover and be flush with the front of home plate. (04/2012) The mat should be made of a rubber substance, for safety reasons. (5/96)
- E. No new inning may start after one hour and 30-minutes during preliminary rounds providing the game is regulation. Tie-games will be continued using individual game tie-breaker rule until a winner is determined. Championship games only will consist of seven innings or until a tie is broken with no time limit. Consolation games will follow the same tie-breaking procedures as round robin.
- F. The individual game tie-breaker will be employed starting at the end of the regulation game, each offensive team will start with a runner on second base. This runner will be the player due to bat 10<sup>th</sup> in the innings (for 11<sup>th</sup> if an EP is used).
- G. There will be an extra safety base at first base on both fields. (5/96)
- H. When games are modified such that each batter starts with a 1-1 count, a third strike foul will count as a strikeout upon the second foul ball after the count has reached strike two. (10/10)
- I. Coaches have the option to bat all 12 players on the Roster. (05/06)
- J. The ball must be delivered with perceptible arc and reach a height of at least six feet from the ground, while not exceeding a maximum height of twelve feet from the ground. (04/2012)

### III. ROSTERS

Rosters (up to 12 boys and 12 girls) must be submitted two weeks prior to the tournament and include the following information:

- A. Name;
- B. Grade;
- C. Passport nationality;
- D. Birth date;
- E. Uniform number;
- F. Housing preference, and
- G. List of bats (manufacturer, model name, etc)

(05/07)

### IV. ENTRIES

Not applicable.

### V. SUBSTITUTION

As in the A.S.A. rule book.

### VI. FACILITIES

Two softball fields are required, one of which must be on the high school campus with some spectator seating. The other field should either be on campus or be near the high school.

### VII. SPECIAL EQUIPMENT

Helmets are required for all IASAS Softball games.  
(4/04)

### VIII. UNIFORMS

As in the A.S.A. rule book. (The hat rule will be enforced).

An Arabic whole number (0 – 99) of contrasting color, at least six inches (15.24cm) high must be worn and visible on the **back** of all uniforms shirts. (10/06)

### IX. TIE BREAKING FOR ROUND-ROBIN RANKING

When there is a tie in the ranking list and three or more teams are involved and the tie cannot be broken under the head to head format (see “Resolution of a Tie” in the general rules section) e.g. each team has one win and one loss under a three team head to head comparison (X beats Y; Y beats Z; Z beats X), then the teams involved will enter a playoff series wherein they will play a game against each other team involved in a tie. These games will be called playoff games and teams will draw for identification purposes i.e. Team A, Team B, Team C, etc. (see draw below).

#### **Playoff Games:**

- A. Will consist of one inning of normal play. Each inning will start with the 10<sup>th</sup> scheduled batter (11<sup>th</sup> using an EP) for that inning starting on second base. After the playoff round robin, the team with the most wins will be ranked highest and so on. No warm up time will be provided for these playoff games. (05/2015)
- B. Should two teams be tied after the one inning, they will continue to play extra innings until a decision is reached.
- C. If all the teams are still tied, then the playoff series will be replayed and the entire procedure repeated. However, the order of games and designation of Home Team will change according to the following matrix.

| Playoff Round | Game 1            | Game 2 | Game 3 |
|---------------|-------------------|--------|--------|
|               | (Home vs Visitor) |        |        |
| 1             | A vs B            | B vs C | C vs A |
| 2             | C vs B            | A vs C | B vs A |
| 3             | C vs A            | A vs B | B vs C |
| 4             | B vs A            | C vs B | A vs C |
| 5             | B vs C            | C vs A | A vs B |
| 6             | A vs C            | B vs A | C vs B |
| 7             | Start at 1 again  |        |        |

## X. OFFICIALS

The number and source of officials is to be determined by the host school. However, it is recommended that there be three (3) umpires for every game if possible.

## XI. PROTESTS

See 'Protest' section of Handbook.

## XII. POST SECTION PLAY

After the round-robin league play, the top two seeded teams will play a championship match to decide 1<sup>st</sup> and 2<sup>nd</sup> place.

The 3<sup>rd</sup> and 4<sup>th</sup> ranked teams will play for 3<sup>rd</sup> place.

There will be no post section play for the 5<sup>th</sup> and 6<sup>th</sup> ranked teams.

It is recommended that Championship Games should not be played concurrently. If a Championship game is scheduled at a given time, but a previous game runs over time, the start of the next Championship Game will be delayed. (However, the Tournament Director has the right to moderate the schedule if the weather or fading light becomes a factor). (5/00)

## IASAS Softball History

The IASAS organization kicked off in the fall of 1982 with the first IASAS Softball tournament taking place in Jakarta in the spring of 1983. The schedule was affected by torrential rains (a common theme in IASAS Softball), 1983 marked the only time that co-champions were crowned, as the SAS and JIS girls shared the title. Interestingly, in those days in Jakarta, they lit fires to dry the dirt infields (see the photo below)!

As we enter the 33<sup>rd</sup> and final IASAS Slowpitch Softball Championships, it is worthy to note that all IASAS teams, boys and girls alike, have experienced the thrill of winning an IASAS Softball tournament. Of the 11 IASAS sports, only volleyball and softball have this distinction. What marks nearly all of these IASAS champs is the pile-up celebration at the end of the gold medal game (see photo below).

Victories aside, incredible memories abound from the 32 tournaments that have preceded this one. Among these are:

**\*TAIPEI 1988:** A cold, steady rain put IASAS '88 in jeopardy as all of the Friday games were postponed. One field was also underwater and out of commission. Beginning at 7 am on Saturday, all of the day 2 and day 3 games + the championship games were played on one field with a 45 minute time limit and each batter starting with a 1-1 count. When the ISM girls recorded the 3<sup>rd</sup> and final out of their victory over ISB, it was after midnight and marked a remarkable, 17-hour day of IASAS Softball.

**\*KUALA LUMPUR 1995:** A violent thunderstorm struck the Malaysian capital just as the girls' championship game was ending. The game was called with two outs in the top of the 7<sup>th</sup> inning as lighting and thunder crashed all around. The boys' game between TAS and JIS was suspended in the 2<sup>nd</sup> inning, and subsequently could not be completed as the ISKL field had no lights. TAS, the round robin leader, were named champions, as this marked the only time that a boys' gold medal game could not be played.

**\*JAKARTA 2000:** Again rain played a part as a rain delay caused both the girls and boys to play their championship games at almost the same time. As it would turn out, the ISB girls completed their close victory just moments before TAS' Adam Ulfers had his game winning single in the bottom of the 7<sup>th</sup> inning to give TAS their gold medal. Many coaches and spectators stood between the two diamonds on the old JIS upper field and were able to watch both games concurrently. A softball fans delight!

**\*TAIPEI 2004:** SARS cancelled all of the third season IASAS competitions in 2003, so the 2004 tournament was memorable as it brought back IASAS to third season. It was again cold and rainy in Taipei, but the TAS bats were blazing, and their 13 home runs in the championship game brought home gold to the home team.

**\*SINGAPORE 2007:** IASAS celebrated its 25<sup>th</sup> year and SAS hosted an incredible event that featured IASAS Softball, IASAS Badminton, and IASAS Track & Field all at the same time. It was amazing to be able to finish a softball game, catch the long jump or a relay on the track, and then head indoors to watch an IASAS Badminton match. Fittingly both SAS softball teams won the gold. Incidentally, this format reminded old-timers of the early days of IASAS when all of the season's sports were hosted at one school.

IASAS participants over the 33 years of IASAS Softball certainly have their own memorable moments that they cherish, but as we look towards baseball and fastpitch in 2017, it is fun to take note of the amazing moments that IASAS Softball has brought to the IASAS community since 1983.
