I. RULES

A. Rule Book:

BWF (latest edition) (4/09)

B. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 and #3. Number #1 ranking being the top player. Line-ups will be given to the Site Director at the start of each match, and cannot be changed during the match. (05/05)
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
6. The 8th player substitute will play exhibition matches. The 8th player may substitute into the tournament at any position if a player is unable to participate. If a player is replaced, they can take no further part in the tournament. No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all-tournament a player must participate in all five matches (05/00). The 8th player (alternate) with the best won-loss record should receive All-Tournament recognition and a chevron. (4/04). The 8th player will be eligible to play at either the #3 singles or the #2 doubles position, as a "free switch" during the tournament. At such a switch the original #3 singles or #2 doubles person would play in the Alternate match and the 8th player will play in the new position. Only the originally designated 8th player is eligible to play in any of the 3 mentioned positions. If the original 8th person is used because of an injury, at any position, the "free switch" is no longer possible, since they must play in that position for the remainder of the tournament. No All-Tournament Award can be awarded to a position that has been substituted in singles or doubles as a free switch. (05/06)
7. The tournament will be run on a round-robin format. In the round robin matches the first two games will be played first to 21 points (capped, no need to win by two points). The third game will also be to 21 points but must be won by two points with a cap of 30. The round-robin league standing of the teams will be determined by their win-loss record with all teams advancing to a post section play, see VIII. POST SECTION PLAY. In case of a tie following round-robin play, rules under IX. TIE BREAKER FOR LEAGUE STANDING will apply. The post section matches will be played as usual to 21 points (win by two points, cap of 30). (04/13)
8. There will be a ten-minute warm-up before each match.
9. Players will call their own lines and keep score.
10. Players must report to the main desk before the start of their match.
11. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a walk over.
12. Coaches will be allowed to consult with their players for 60 seconds during each game when the leading scorer reaches 11 points, and between sets (04/10). Coaches will not be allowed on the courts for consultation unless there is no outside access.
13. Order of play will be as follows:
 - a. #3 Singles
 - b. #2 Doubles
 - c. Alternates
 - d. #2 Singles
 - e. #1 Doubles
 - f. #1 Singles

Please note that whenever possible matches a, b and c should be played concurrently on three courts followed by matches d, e and f. (04/12)

14. In the event of an injury during a match, only one 5-minute injury time for treatment will be allowed for the duration of that match to determine if the player can continue. The Site Director should monitor the situation. (5/02)
15. The right to towel-off and/or drink during a match can only be initiated by the serving team. (5/98)
16. When illegal serves are not contested by the opposing player, the coach of the opposing player is allowed to summon the official to the court for review. The official will inform the player of serving error(s) for player correction. This would be an exception to BWF rules and become an IASAS rule. (05/00)
