Track & Field Rules

I. RULES

A. Rule Book: I.A.A.F. (latest edition)

B. Meet Rules:

1. SCRATCHES

If an athlete scratches from an event after the meet begins, the athlete may not participate further in the meet and they may not be replaced by a substitute. In extenuating circumstances, and in the interest of safety, the Meet Director and the AIC's from each school will have the right to override this rule.

2. REPORTING FOR AN EVENT

Competitors must report to the marshals at least 15 minutes before the start of the event. If there is a time conflict between a running event and a field event, the track event will take precedence. Athletes are reminded that they must check in with both events on time. When moving from a field event to a running event, the athlete must report back to the field event within 15 minutes of the conclusion of the race.

3. LANE ASSIGNMENTS:

All lane assignments will be made according to Hy-Tek Meet Manager. Heats will be circle seeded while the seeding for the finals in any event will be done using the I.A.A.F. rules:

Fastest draw from lanes 3, 4, 5, 6
Slowest draw from lanes 1, 2, 7, 8

4. FIELD EVENTS

Competitors will compete in three flights: 1st flight will consist of 3rd seeds from each school, 2nd flight will include 2nd seeds from each school, 3rd flight will include 1st seeds from each school. The IASAS matrix will determine the order of individuals within each flight. A participant also entered in a running event may be placed in an alternative flight in order to facilitate competing in the running event.

In the finals, the highest qualifier throws or jumps last. The first to throw or jump is the lowest qualifier. Finals in the applicable field events should not start until all preliminary attempts are finished.

Warm-ups

25 minutes prior to the start of the field event there is a 15 minutes warm up for all then a 10 minutes warm-up prior to the event for all flights and finals if requested, each getting 2 practice jumps / throws if they wish.

An athlete returning from a track event may have 2 warm-up jumps or throws before competing.

High Jump

A jumper may have to leave in the middle of the competition to compete in another event. If the bar is raised in their absence, they can have up to 2 warm-up jumps and then return to the height at which they were due to jump.

	<u>Boys</u>	<u>Girls</u>
Starting Height	150cm	115cm
Increase by	5cm	5cm
Above	160cm	135cm

3rd runner must not utilize an acceleration zone. A 20m exchange box must be used and must stand at the back of the exchange box at the start of the race.

4th runner uses 20m exchange box. The officials will determine stacking order.
