IASAS
RUGBY / TOUCH

2014
BANGKOK/SINGAPORE

ISB HEAD OF SCHOOL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us from ISB & SAS, I would like to extend a very warm welcome to you as we prepare for our annual IASAS Rugby and Touch competitions. The venue has changed from Bangkok to Singapore, and huge thanks should go to our SAS hosts for stepping in at the last moment to rescue this event. We can now look forward immensely to all the entertainment that Rugby and Touch provide.

Rugby and Touch are among the most exciting games out there to watch as both involve slight of hand, speed of thought, pace, skill, and daring. Touch is an exciting new sport that has grown enormously in popularity over the past two decades and results are often in the balance in the final minutes. In Touch, players have to be in excellent physical condition as with just six players on the field there is no hiding.

Rugby, of course, has a much longer history as a game and folklore has it that a certain William Webb Ellis caused its inception by picking up the ball and running with it in a game of soccer at Rugby School in 1823. The gladiatorial aspects of rugby have wide appeal and rugby is now firmly established as a global sport with its own highly popular world cup. Rugby and Touch also bring us great camaraderie and an appreciation for the endeavors of our opponents. Until quite recently, rugby was an amateur game with even the top class players playing for the enjoyment of the challenge and the idiosyncratic rugby culture. Although the game is now professional, the core values of rugby remain and in any rugby or touch team you will find a strong team spirit, friendship, and a respect for opponents and officials. We are delighted that the spirit of rugby has been very much in evidence during IASAS tournaments and exchanges.

Any IASAS is a huge event. We are not talking about inviting a few teams from down the road, but teams from six different countries in Southeast Asia. To accomplish this, an enormous amount of work and good will is demanded from a number of people. Please find the time to express your appreciation to Mimi Molchan, Kim Criens, Andy Vaughan, Harold Albert, the athletics staff, your host families, the referees, site directors, ground staff, our Booster Clubs, parents, nurses, trainers, faculty volunteers, and most importantly your coaches.

In closing, I would like to wish you all the best for the competition that awaits. I will leave you with the words of the great Barry John who famously advised a young Gareth Edwards, "You just chuck it, I'll catch it". Quite a simple game really.

All the best.

Dr. Andrew Davies
Head of School

SAS PRINCIPAL'S WELCOME

Dear IASAS Participants,

It is a pleasure to welcome you to Singapore American School and an honor to co-host the 2014 Rugby and Touch IASAS Tournaments with the International School Bangkok.

We hope that your time in Singapore will be filled with wonderful competitive play and that you will be challenged physically, mentally and emotionally as you push your limits and strive for victory.

We also hope that the friendships you build during the next three days will last a lifetime as a member of the IASAS family.

I would like to thank the ISB Athletic Directors, Mr. Harold Albert and Mr. Andy Vaughan, for their hard work, creativity and perseverance that went into creating this event. Their fingerprints are all over this tournament.

Play hard, be fair & stay safe!

IASAS Rugby Rules

I. RULES

- A. The tournament is organized under the auspices of the IASAS Board. All matches shall be played according to the laws of the game with 10-A-Side variations as framed by the IRB (International Rugby Board)

For safety reasons, the school boy 1.5 meter limit to pushing in the scrum must be consistently applied. (05/05)

IRB U19 Variation: The scrum-half not throwing the ball into the scrum must not move beyond the middle line of the scrum until the ball has emerged from the scrum or an opponent has placed his hands on the ball. In the event of a strike against the head, the scrum-half who has thrown the ball into the scrum is similarly restricted in not following the ball. (PENALTY: Penalty Kick) (04/08)

B. Rule Book:

IRFB. Laws of Rugby Football (latest edition).

- C. Official Ball that should be used is the Gilbert XT 500 Ball. (5/07)

D. Ground Rules:

The tournament will be governed by ground rules as instituted by the host school. Coaches will remain on their own half of the field, in front of their own bench throughout each game. (05/05)

E. Tens Rules:

- Time length – 15-minute halves, including the finals with a 5-minute half time.
- 5 players in the scrum at all times.
- No pick up from the scrum by the 2nd row.

- 2nd rows can only bind with the props and hookers in the usual manner (not on the side of the props)

F. Rugby Rules – Under 19 Variations

No wheeling. A team must not intentionally wheel a scrum.

Penalty: Penalty Kick

If a wheel reaches 45 degrees, the referee must stop play. If the wheel is unintentional, the referee orders another scrum at the place where the scrum is stopped and the same team puts in the ball.

- G. Kick Off - follows International 7-a-side rule: Any infringement at the kickoff by the kicking side results in a free-kick to the non-offending side at the middle of the half-way line. (04/09)

I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
 - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
 - iii Upon return to school, the following consequences will apply:
 - Appropriate counseling will be required.
 - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
 - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
 - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
 - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
 - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
 - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
 - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
 - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
 - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
 3. Under no circumstances may housing assignments be changed
 4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
 5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
 6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
 7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
 8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
 9. Student medical release forms will be available at the convention site each day of the event.
 10. All students must carry their Tournament/Convention Identification Cards with them.

2. Host parents/guardians will not offer housing unless one of the parents/guardians is present for the duration of the tournament/convention.
3. Hosts are expected to cooperate with Tournament/Convention Director in ensuring student compliance with all IASAS policies relating to participation.
4. Any student who shows reluctance to fully comply with the above rules and regulations shall be reported to the Tournament/Convention Director who will report the matter to the student's coach and Administrator in charge with the expectation that action will be taken.
