# HEAD OF SCHOOL'S WELCOME

On behalf of all of us at ISB, I would like to extend a very warm welcome to our IASAS brothers and sisters as we get ready for the 2012 version of IASAS Soccer.

Perhaps more than any other sport, soccer truly is a world game as it is played almost everywhere and unites people like no other. It is probably its simplicity that makes soccer such a universal pursuit and one with such a long history. Various forms of the game with people kicking spherical objects into goals (sometimes pig bladders or human heads) have been played for thousands of years.

Today's soccer has evolved considerably from the rather violent form played in Britain centuries ago. In England, King Edward III passed laws in 1331 to try and suppress football while in Scotland, King James I, in 1424, proclaimed in Parliament, "That na man play at the Fute-ball". Queen Elizabeth I of England had a law passed that provided for soccer players to be "jailed for a week, and obliged to do penance in church". The Cambridge Rules adopted in 1848 prohibited tripping, shin kicking, and carrying the ball, and paved the way for the development of rugby!

Soccer has become such a significant part of the fabric of society to the extent that for many it is the pinnacle of the week, the month and the year. Bill Shankly, the wily former manager at Liverpool FC once said, "Some people think football is a matter of life and death...I can assure them it is much more serious than that".

Thankfully, with respect to IASAS, the winning and losing is not taken that seriously. Far more important is the friendship, the camaraderie, the hard work, the learning, and the sportsmanship. So enjoy the tournament, have fun, try your hardest, make friends from other schools and countries, and find a quiet moment to reflect on what a wonderful opportunity this is.

Please find the time during the tournament to recognize those who make IASAS possible. Between games, a word of appreciation to organizers Andy Vaughan and Harold Albert, our athletics and grounds staff, your coaches, your hosts, ISB's Booster Club, the officials, and the many faculty and parent volunteers will be much appreciated.

A final word for the players, never give up and always remember the immortal words of enigmatic manager, Brian Clough, when he said, "It only takes a second to score a goal".

Best wishes to you all!

Yours in sport,

Andy Davies  
ISB Head of School

# PRINCIPAL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare to compete in the IASAS Soccer tournament. I am confident you will enjoy the competition and the warm hospitality Thailand is known for.

The end of season IASAS tournaments are much anticipated and exciting events for our school communities; and once again the **Panthers** (ISB & ISKL), **Bearcats** (ISM), **Dragons** (JIS), **Eagles** (SAS) and **Tigers** (TAS) have set out to battle each other across our region. Winning, no matter what people say, is always one of the goals in sports and this is certainly true for our IASAS athletes. However, a well-developed program like IASAS has numerous goals and sometimes winning will be sacrificed or put to one side in order to achieve other important goals.

Such goals include:

- Being a student-athlete
- Honoring responsibilities and commitments
- Sportsmanship or learning to play fair
- Learning to be a member of a team
- Being inclusive
- Handling defeat as well as victory
- Having fun
- Inspiring others to participate

It is ironic that the world of professional athletes seems to be further removed from our ideals than ever before. When I look at the younger students in our community I think they get very little inspiration or few positive role models from the professional world of sport around them. This year we have read stories of match fixing, bribery, assault, drug abuse and even racism polluting the world of so-called professional athletes. The Olympic Games in the UK provided much to marvel at and some amazing athletic performances but one of the memories for me was the disqualification of athletes for not trying their hardest this was startling and yet I think it is a great message. So once again it is up to the Panthers, Bearcats, Dragons, Eagles and Tigers to set the bar high and inspire our communities with the true spirit of IASAS competition and excellence.

Please also find time during the tournament to recognize those who have made this IASAS event possible. Between games, a smile, a handshake and a word of thanks to Andy Vaughan, Harold Albert and their very able staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will be greatly appreciated.

Sincerely,

Philip Bradley  
ISB HS Principal

# *IASAS Soccer Rules*

## I. RULES

### **A. Rule Book:**

F.I.F.A. (latest edition):

### **B. Ground Rules:**

The Tournament will be governed by ground rules as instituted by the host school.

### **C. There is no official ball for IASAS Soccer. (10/03)**

### **D. Yellow Card:**

A yellow card is the final warning for a player. Any further infringement by the player will be indicated by a "red card". Any player who is shown two yellow cards during the tournament will automatically be suspended for the next game (10/04). All yellow cards given to a player are wiped after the fourth round matches. (10/10).

### **E. Red Card:**

1. Any player penalized with a "red card" will be evicted for that game and also miss the next game. No substitutes will be allowed for penalized players. If a player is shown a straight red they will be ineligible for all tournaments selection (10/04)
2. If a goalkeeper is shown a red card, a substitute from the bench may come in for the goalkeeper. A field player must then come off, leaving the team to play with 10 players. (10/00)

NOTE: The site directors must keep a tally of yellow/red cards received and will inform coaches when a player becomes ineligible. (5/99)

### **F. Teams must play all rounds of the Round Robin even if the last game is a repeat of the Championship Game. Forfeits are not allowed. (10/00)**

## II. RULE EXCEPTION

### **A. Playing Time:**

35 minute halves, 10 minute half times, (5/98), plus added time for stoppages of play at the referees' discretion, but without adding extra time for substitutions. (10/01)

### **B. Substitution:**

See "Substitution" below

## III. ROSTERS

Rosters (up to 16 boys and 16 girls) must be submitted two week prior to the tournament and include the following information:

- D. Birth date:
- E. Uniform number (both light and dark); and
- F. Housing preferences

## IV. ENTRIES

## V. SUBSTITUTION

There will be unlimited substitution subject to the following, which replaces the FIFA substitution rule:

2. Both teams may substitute after a goal has been scored. (5/99)
3. If the referee invites, or asks that, a player be removed from the field due to injury, both

teams are allowed to make a substitution at that time. (10/00)

- B. A designated person, other than the Site Director, will coordinate and monitor the substitutions to ensure that all substitutions are made in the approved manner.
- C. Coaches may use their entire bench in every match.
- D. The fourth official monitoring substitutions must use a loud noisemaking device, other than a whistle, to attract the attention of the referee for substitutions. (10/00)

## VI FACILITIES

Two soccer pitches are required, one of which must be on the high school campus with some spectator seating. The other pitch should either be on campus or be very near the high school.

## VII SPECIAL EQUIPMENT

Not Applicable

## VIII UNIFORMS

- A. Each player must wear protective shin guards
- B. Each player must have both a white and dark colored jersey with numbers on both the front and back. FIFA has no firm regulations on number size or location. Most leagues insist on numbers on **back** of jersey only, 6 inches (15cm) in height. (10/06)

## IX OFFICIALS

The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate tournaments.

## X TIE BREAKER FOR LEAGUE STANDINGS

Definition of Head to Head as specified in section M of the convention organization. If two teams are tied, go to C. If more than two teams are tied, go to B. (10/06)

### **B. Goal Difference**

- C. Take the sum of goals scored and subtract the sum of goals conceded in matches exclusively involving the tied teams and the highest placed team in the league standings not involved in the tie. (10/01). If teams are tied for positions 3- 5 take the sum of goals scored and subtract the sum of goals conceded in matches involving the tied teams and the higher placed teams in the league standings not involved in the tie. (10/08)

### **D. Shoot-out**

See section XII.

## XI TIE BREAKER FOR CHAMPIONSHIP & CONSOLATION GAMES-OVERTIME

- A. Following a five-minute break after regulation play, the respective captains will report to mid-field where the referee will perform the coin toss.
- B. An 11-A-Side overtime (10/05) will be played. The first team to score is declared the winner. If no team has scored after 7 minutes the teams will exchange field positions. If no team has scored after a further 7 minutes, teams will go to the shoot-out procedure (4 /02)

## XII TIE BREAKER FOR CHAMPIONSHIP & CONSOLATION GAMES-SHOOT-OUT

- A. Each team will be represented by five shooters from the 11 players on the field at the end of overtime. (10/05)
- B. All shooters will report to the referee
- C. The referee will record the shooting order

- D. The winner of the shoot-out is based on the most goals scored by either team in five attempts
- E. If a tie exists at this point, the shoot-out will continue until a winner is determined. (10/05)

### **XIII. PROTEST**

- A. First instance, any protest or appeal will be handled by the rulebook of the particular activity concerned. This would occur after an appeal to the official.

Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event. (5/99)

- B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity must then make a decision.

The Head Official should make this decision with or without consultation of the coaches involved in that area. The Head Official is free to consult anyone he/she sees fit in helping to make a decision.

A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament Director.

- C. If "B" is appealed, the appeals procedure will continue as follows:

Further appeal can only occur with the approval of the Head Official. The appeal shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Site Director who in turn will add his own report and further comments and present the entire matter to the Tournament Director.

If the Tournament Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Administrators-In-Charge present at the tournament. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Tournament Director should get all the information he/she needs. This includes a formal meeting if necessary.

The Tournament Director will then make the final decision which will be communicated in writing to all school representatives at the tournament.

## I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

### PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
  - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
  - iii Upon return to school, the following consequences will apply:
    - Appropriate counseling will be required.
    - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
    - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
    - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
    - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
    - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
    - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
  - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
  - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
  - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
  3. Under no circumstances may housing assignments be changed
  4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
  5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
  6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
  7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
  8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
  9. Student medical release forms will be available at the convention site each day of the event.
  10. All students must carry their Tournament/Convention Identification Cards with them.
