IASAS Volleyball / Cross Country

Welcome to Kuala Lumpur and ISKL. Believe me when I say that for many months now we have been looking forward to your arrival and thinking about how we might make your experience at this tournament an outstanding one. I assume you agree that IASAS tournaments represent one of the highlights of the school year, and we here at ISKL are energized to ensure that it is, indeed, a highlight for you, whether you are an athlete, a coach, a parent, a friend, or fan. In terms of learning, IASAS events offer athletes the opportunity to improve their physical skills, sharpen their thinking, hone their social skills, increase knowledge and understanding of a new city and country, and

yes- learn to deal with victory and defeat, exhilaration and disappointment. And all of this is jammed together into three days! It is my hope that all of you will have a great time in the days ahead and that after the tournament is over you will be left with not only some wonderful memories, but also, very importantly, with strengthened confidence and many new and renewed friendships. Run hard and play hard, and do so fairly. With Warm Regards,

Paul Chmelik
Head of School

P.S. – Let's all show up as exemplary participants who are courteous to the officials as well as to athletes, coaches and fans. Let the games begin – and superb sportsmanship reign.

Welcome to the International School of Kuala Lumpur and to the beautiful country of Malaysia!

We are pleased to host IASAS Volleyball / Cross Country 2012 and to be able to welcome you all to our warm and friendly Ampang campus. This is ISKL's first opportunity to host an IASAS event this school year, and we hope that you enjoy the experience and the competition. We are happy to show off a new facility for all of our volleyball players, the Blue Top. An event such as this takes an enormous amount of organization and effort by a large group of students, faculty, officials, and parents, so please show your appreciation over

the next few days. We are looking forward to all of your matches and races as well as great displays of athleticism over the next few days. Your months of training and effort are about to culminate in this season-ending IASAS competition. Take time to enjoy the moment, appreciate your teammates and coaches, and engage in spirited competition underpinned by a strong adherence to sportsmanship.

I look forward to the competitions and to the opportunity to watch you as you demonstrate your skill and athletic ability.

Good luck to all of you!
Mr. Grant Millard
HS Principal

I. RULES

A. Rule Book:

IAAF (latest edition):

Rule number 167

Note: General Rules 140:5 and 141:1

IASAS EXCEPTIONS TO IAAF RULES:

- Courses to be marked as clearly as possible, to replace (167:3b)
- In the interest of safety: a runner may be checked over by medical personnel during the course of the race, and is allowed to continue as long as the medical check does not improve the runner's forward progress in the race, to replace (167:7)
- Deviation from the designated course, whether deliberately or accidentally and gains an advantage of any description, to replace (141:4)
- Athletes may wear watches so long as they do not have a metronomic function. (10/02)

Additional rules not clarified in IAAF. Disqualification will occur if:

- A runner is paced by any person other than another competitor in the race
- A runner receives assistance throughout the course from anyone other than those services that are provided, by the host school for all competitors
- In sections of a course that are narrow, the Tournament Director can designate an area, in which, a stated maximum number of team members can run abreast. This information must be shared with the coaches at the coaches meeting.

B. Meet Organization

- It is recommended that event organizers create a schedule that permits time for volleyball/soccer players to see the cross country race without compromising the overall integrity of the tournaments (10/04)
- A lane draw (1-6) will be conducted at the pre-race meeting. (10/03)

- The Opening Ceremony for Cross Country will be held on Thursday.
- In an effort to familiarize themselves with the course and to possibly strategize for their races: all teams will take a tour of the racecourses on Thursday.
- The IASAS Championship 5km Cross Country Race will be held on Friday morning, and the Time Trial on Saturday morning. There will be no walk throughs on Friday/Saturday mornings prior to the races. (04/11)
- Starting Procedure:
 - The races shall be started by the firing of a gun. The commands and procedure for races longer than 400m shall be used (Rule 162.3) (10/10).
 - Rule 162.3: In races longer than 400m, the command shall be "On your marks" and when all athletes are steady, the gun shall be fired, or approved starting apparatus activated. An athlete shall not touch the ground with his hand or hands during the start. (10/10)
- Both the 5km and the Time Trial should have a 'sweeper' with a radio/phone to follow the race to ensure all runners are accounted for (10/10)

1. Whenever possible Cross Country is to be hosted at the same site as Volleyball (5/99)
2. The first day's program will entail:
 - Opening Ceremony
 - Photo Session
 - Tour of the Courses
3. Conventional Cross Country 5km Meet
 - The conventional race will take place on the second day of competition. (10/10)
 - There will be 7 members to each team
 - Distance Girls 5000 meters (10/09)
Boys-5000 meters
 - Each runner receives points equal to the position they finish, during the race
 - Tie break for teams' competition will be to go to the 6th/7th place position if needed to break a tie in IASAS Cross Country Teams event. (10/08)

- If individual runners tie, the points from the two or more places directly following the previous finisher equal to the number of runners tied, will be divided by the number of participants involved in the tie (Example: tie for 3, 4, & 5 = 12 divided by 3 = 4 points per runner)
- Teams may compete with fewer than 7 runners, but they should be able to finish at least five runners. If the fifth runner is unable to finish the fifth score will be that equal to the next place following the final finisher in the race

4. Team Time Trial (10/10) [Saturday]

- The Team Time Trial is a team time trial with a staggered start
- Pairings:
 - Coaches maintain the right to choose runner's order. Choices will not be made until the first race has been concluded. Choices must be submitted on the Team Trial Start Sheet by the deadline of 3PM of the day of the first race (5K)
 - The first wave is a single runner, the next three waves are in three sets of pairs.
- The process for the staggered start is as follows:
 - Race warnings should be given at: 30 min, 10 min, 5 min warnings for the race start.
 - Each wave should be started at 1 minute intervals
 - Each wave will be given a 45 sec, 30 sec, 15 sec and 5 sec race start warning
 - The first runner will also be given a 1 minute warning
 - The call for start will be 'On your marks' followed by a signal from a whistle/air horn/gun. This should be used to signal the start of each wave.
- Injury Penalties/changes in timing
 - One injury -fastest six times still count and are summed for total team time
 - Two injuries – fastest five times count for all teams and are summed for total team time
 - Three injuries – fastest four times in the injured team are summed for total team time plus the time of the last finisher of the race with one minute added to that (last place) time to generate a fifth place time for the team

missing three runners. All other teams count the top five runners times

- Course

 - The course length and a course description must be sent to schools by August 30th

II. ROSTERS

Rosters (up to 7 boys and 7 girls) must be submitted two weeks prior to the tournament and include the following information:

- Name:
- Grade:
- Passport nationality:
- Birth date:
- Uniform number; and
- Housing preferences

III. FACILITIES

- Whenever possible, the racetrack should be set on a grass course with as little road running as possible. This is to avoid conflict with traffic and to ensure air quality.
- Kilometer markers will be used on the course. (10/03)

IV. UNIFORMS

Each team member must wear the same uniform. The team uniform must be worn throughout the race. Attached to the uniform, must be the team assigned number for that runner. Numbers are assigned to the schools as follows:

- ISB – 100's ● JIS – 200's ● ISKL – 300's
- ISM – 400's ● SAS – 500's ● TAS – 600's

Each school will provide its own numbers.

IAAF says:

"The Height of the numbers on the bibs shall be no less than 6cm and no more than 10cm. The identifications shall be easily visible." (10/06)

V. OFFICIALS

The number and source of the officials is to be determined by the host school. Direction indicators and officials will be placed at intervals throughout the course and whenever deemed necessary for the safety of the runners.

VI. SCORING

Team score is determined by the team score of the conventional cross country 5km meet and the team score from the Team Time Trial. Each race is scored as follows:

Conventional Cross Country 5km Meet

Boys and Girls events will be scored separately. 1 point is given to first place, 2 points to second, and so on The scores of the first five finishers for each team will be added to determine the team's score. The lowest score wins.

- Suggested scoring system:
 - A self-adhesive sticker marked with school and number of the runner attached to runner's shirt
 - When a runner finishes, the sticker is removed and stuck to a chart indicating finish position. At the same time the athlete is given a card with their finishing position printed on it. Athletes give the card to their coach, who records the finishing positions and when all runners have finished, signs and turns in the score sheet. This is a double check on the scoring system.

Team Time Trial

Boys and Girls time trials will be scored separately. Each runner will receive an individual time. The six fastest times for each school will be added for one combined team time. (for injury adjustments to scoring refer to section B #4) The fastest total combined team time receives 1 point, 2 points for the second fastest summed team time, and so on till 6th.

Final Team Scoring:

The results of the conventional race and the team trial will count towards the final team placings/awards. The team medals for combined results (plaques/medals/chevrons, etc) are awarded for the combination of the two races.

Example:

Conventional Race team points (scored on the top five placings):

1 st	SAS
2 nd	ISM
3 rd	TAS
4 th	ISKL
5 th	JIS
6 th	ISB

Time Trial team points (scored on the sum of the six fastest times):

1 st	SAS
2 nd	TAS
3 rd	ISKL
4 th	ISM
5 th	ISB
6 th	JIS

TOTAL TEAM POINTS:

1 st	SAS	2
2 nd	TAS	5
3 rd	ISM	6
4 th	ISKL	7
5 th	JIS	11
6 th	ISB	11

Tiebreaking Procedure:

If two teams are tied in total points from two races (i.e. JIS & ISB above), the team with the higher finish in the traditional race will be awarded the higher placing in the total team standings.

VII. AWARDS

The same awards are given to both Boys and Girls teams. The team placings are determined by the lowest combined team score from the conventional race and the team time trial (see scoring, section VI).

NOTE: When ties occur in an individual medal event, the medal award for a position will be made based on the number of places above the awardee. For example, if two competitors tie for first place, the next award would be the third place award.

IX. TIE BREAKER FOR LEAGUE STANDINGS

A. Head to Head

(Definition of Head to Head can be found in Section K of Organization and General Regulations Section.)

If tied, go to B.

B. Set Difference (for three or more tied teams):

1 For tie-breaking purposes each set is worth one point (05/06). Add the total sets won and the total sets lost of each team involved against each of the other tied teams and subtract. Then rank the teams according to their positive points scored. If still a three way tie, go to 2; if a two way tie go back to A. (10/01)

2 Get the set difference of all five (10/06) matches played of the teams involved in the tie. If still tied, go to C.

C. Point Difference:

1 Add the total points scored and the total points scored against each team involved in the tie and subtract. Then rank the teams according to their positive points scored. If still tied, go to 2.

2 Add the total points scored and the total points against, from all five (10/06) matches played by each of the teams involved in the tie and subtract. To decide the placing, teams will be placed according to the highest positive points gained.

X. PROTEST

A. First instance: the rulebook of the particular activity concerned will handle any protest or appeal. This would occur after an appeal to the official.

Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event. (5/99).

B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity must then make a decision.

The Head Official should make this decision with or without consultation of the coaches involved in that area. The Head Official is free to consult anyone he/she sees fit in helping to make a decision.

A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament Director.

B. If "B" is appealed, the appeals procedure will continue as follows:

Further appeal can only occur with the approval of the Head Official. The appeal shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Site Director who in turn will add his own report and further comments and present the entire matter to the Tournament Director.

If the Tournament Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Administrators-In-Charge present at the tournament. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Tournament Director should get all the information he/she needs. This includes a formal meeting if necessary.

The Tournament Director will then make the final decision which will be communicated in writing to all school representatives at the tournament.
