Mabuhay! Welcome IASAS Track & Field Athletes, Coaches and Supporters,

It is a great pleasure for International School Manila to host this year's IASAS Track & Field Championships. We look forward to an exciting competition and to the friendly interactions and competitive rivalry between all IASAS teams.

Congratulations to all team members on the hard work and dedication you have demonstrated to be selected for your school's team. I am sure that each team member will have given their best as far as preparation goes and that your bodies are physically ready to perform. In any competition it is often the mental preparation on match day that is so important. Can you be and give your best on that day? That is the question that will be asked of you during the days ahead. My hope is that all of you will be able to find your "best form" and be able to sit at the closing ceremony happy with your individual performances and your contribution to the team.

At ISM we value all the ethics of good sportsmanship. It is important to cheer hard and loud for your own team and also to appreciate the great performances that you will see from your fellow competitors. Genuine congratulations and appreciation of great sporting effort(s) from individuals on opposing teams is a true reflection of an "athlete".

I would like to give a special thanks to all our ISM families that have volunteered to house the IASAS athletes. I would also like to recognize and give my special thanks to all those that have helped with the planning, organization and running of this IASAS event.

We hope that you enjoy the IASAS Track & Field Championships in Manila 2013.

Yours in Sport,

Mark A. Pekin

MEDICAL PROCEDURE

In case of injury or illness – whether before, during, or after the matches – please notify the site director and or school nurse. A nurse will be located at the HS Track during the event. If nurse is not available please go to the ISM medical clinic, near the swimming pool.

An injured athlete should not leave campus for any medical care without first consulting the site or tournament director and having communicated with our clinic staff. The injured athlete must be accompanied by a representative from their school if going off campus for treatment.

ISM school nurses are only permitted to issue non-prescription medication.

In case of an injury or illness resulting outside of the tournament, students should call ISM (during the school day) and talk to one of the school administrators. If it is after school hours, they should contact the tournament director immediately, as listed in the program. Also, notification to the host family should be made.

Please note emergency strapping will be done on request by our clinic staff. For pre-existing injuries that require strapping for each and every game this is the responsibility of the player/coaches and your own strapping tape should be supplied.
