# HEAD OF SCHOOL'S WELCOME

Dear Athletes, Coaches, Administrators and Parents,

Welcome to ISB and the Land of Smiles! I hope that we will be able to provide you with a memorable competition, an opportunity to build lasting friendships, and a glimpse at the very rich and diverse culture of our host country.

ISB is delighted to be hosting basketball this year and we will do our very best to ensure that the competition goes as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

With every event, the spirit of IASAS shines through. Each time a tournament approaches, I think about the magnificence of the occasion. We have schools from six countries, with students and teachers representing scores of nationalities, coming together to celebrate friendship, sportsmanship and athletic achievement. IASAS represents a mini Olympics in its organization and ideals.

As an avid bird watcher, IASAS to me is the coming together of birds of many varieties - sometimes in competition and sometimes working together in the pursuit of common goals. It is always a beautiful sight.

Please find a moment throughout this event to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

Enjoy the competition and this beautiful country.

Bill Gerritz  
ISB Head of School

# PRINCIPAL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare to compete in the IASAS Basketball tournament. I am confident you will enjoy the competition and the warm hospitality Thailand is known for.

The end of season IASAS tournaments are much anticipated and exciting events for our school communities; and once again the **Panthers** (ISB & ISKL), **Bear Cats** (ISM), **Dragons** (JIS), **Eagles** (SAS) and **Tigers** (TAS) have set out to battle each other across our region. Winning, no matter what people say, is always one of the goals in sports and this is certainly true for our IASAS athletes. However, a well-developed program, like IASAS has numerous goals and sometimes winning will be sacrificed or put to one side in order to achieve other important goals.

Such goals include:

- Being a student-athlete
- Honoring responsibilities and commitments
- Sportsmanship or learning to play fair
- Learning to be a member of a team
- Being inclusive
- Handling defeat as well as victory
- Having fun
- Inspiring others to participate

It is ironic that the world of professional athletes seems to be further removed from our ideals than ever before. When I look at the younger students in our community I think they get very little inspiration or few positive role models from the professional world of sport around them. This year we have read stories of match fixing, bribery, assault, drug abuse and even racism polluting the world of so-called professional athletes. So once again it is up to the Panthers, Bearcats, Dragons, Eagles and Tigers to set the bar high and inspire our communities with the true spirit of IASAS competition and excellence.

Please also find time during the tournament to recognize those who have made this IASAS event possible. Between games, a smile, a hand shake and a word of thanks to Andy Vaughan, Harold Albert and their very able staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will be greatly appreciated.

Sincerely  
Philip Bradley, HS Principal

## I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

### PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
  - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
  - iii Upon return to school, the following consequences will apply:
    - Appropriate counseling will be required.
    - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
    - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
    - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
    - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
    - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
    - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
  - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
  - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
  - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
  3. Under no circumstances may housing assignments be changed
  4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
  5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
  6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
  7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
  8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
  9. Student medical release forms will be available at the convention site each day of the event.
  10. All students must carry their Tournament/Convention Identification Cards with them.

2. Host parents/guardians will not offer housing unless one of the parents/guardians is present for the duration of the tournament/convention.
3. Hosts are expected to cooperate with Tournament/Convention Director in ensuring student compliance with all IASAS policies relating to participation.
4. Any student who shows reluctance to fully comply with the above rules and regulations shall be reported to the Tournament/Convention Director who will report the matter to the student's coach and Administrator in charge with the expectation that action will be taken.
