Welcome

Dear visitors to IASAS Softball 2011,

I would like to offer a sincere welcome to all visiting athletes, coaches and spectators to IASAS Softball 2011. We feel honored to host such a special event. In past years, IASAS Softball tournaments have produced many exciting games and nail-biting finals and we hope this year will be no different. At Jakarta International School, we recognize the needs of our visiting athletes and we have worked hard to provide high quality ground conditions and spectator facilities so that we can all enjoy this wonderful spectacle. My sincere thanks go to our Athletics Director, Mr. Sim Cook, and his team of willing helpers for their significant contributions to the success of this event.

The IASAS spirit is strong at Jakarta International School. We are committed to running an outstanding tournament by utilizing the best human and physical resources that we could draw upon. It is my hope that this experience will live long in the memories of all involved. This will be influenced strongly by the enthusiasm of our teams and their commitment to healthy competition and fair play. Please take the time to enjoy the company of your host families and fellow IASAS athletes. These friendships will endure and are what makes the IASAS league so special.

So let the tournament begin! After a long season of hard training and preparation it is time to bring all your skills and determination to this one place and time. Best wishes to every player and every coach. I hope that you achieve the goals you have set and a strong sense of fulfillment when the tournament is over.

From the JIS Parents' Booster Hut

On behalf of the JIS Parents' Booster Club, Selamat Datang ke Jakarta International School! We're delighted to welcome all participants, coaches and visitors to this year's IASAS Softball Tournament and hope that you have an enjoyable stay while here in Jakarta.

Several things you should know:

- During the tournament the Booster Club will run our Naga Nook facility adjacent to the softball fields. Naga Nook will be open from 8 am – last game each day.
- Our Booster Hut will also be open in the High School near the cafeteria, 9 am – 3pm each day.
- Programs, ID badges will be available in the Hut or the Nook,
- Coolers of ice cold pocari or 10oplus, and buckets of cold towels will be available from the Nook. Please pay on Monday for the week at either the Hut or the Nook.
- Tournament t-shirts will be sold from a table outside the Naga Nook ... 10:00 am Monday to athletes only and Tuesday to parents and friends. 100,000 Rp. each.
- Booster merchandise will be available from our Booster Trolley outside the Nook, or in the Booster Hut.
- We have arranged numerous food vendors for all yours and the athlete's needs during the day: Fatburger – ignore the name these are the freshest, juiciest hamburgers you ever tasted, Schwama, Starbucks and of course no softball game should be without hot dogs, popcorn and slushies – available throughout the day outside the Nook.
- The ladies in the Nook, on the trolley and in the Hut are all parent volunteers so use their Jakarta knowledge to make your stay more rewarding – shopping, pampering, dining ... trust me we have done it all.
- Awards and banquet will be combined on Wednesday night (on the tennis courts) if you would like to eat dinner during the awards ceremony please purchase tickets by Tuesday from the Hut or the Naga Nook. 100,000 Rp. Parents who are not eating are of course most welcome to attend the ceremony.

The JIS PBC Board also welcomes coaches only to the Coaches Room. Physics 2 (in the old science building go straight ahead off the ramp next to the gym to the lower level)

If there is anything we can do to help make this a more enjoyable tournament, please do not hesitate to ask one of us and we'll do our best. If you aren't near the Hut, please feel free to contact the Booster Hut by phone – 021-769-2555 ext 10423 or me on my hand phone at +62(0)816 719933.

Enjoy your stay in Jakarta.
