Mabuhay! Welcome IASAS Athletes, Coaches and Supporters,

It is a great pleasure for International School Manila to host this year's IASAS Soccer Championships. We look forward to an exciting competition and to the friendly interactions and competitive rivalry between all IASAS teams.

I congratulate all team members on the hard work and dedication you have demonstrated to be selected for your school's team. The results of your preparation and efforts to date will be reflected in your individual and teams' performance over the next three days.

I am sure that each team member will have given their best as far as preparation goes and that your bodies are physically ready to perform. In any competition it is often the mental preparation on match day that is so important. Can you be and give your best on that day? That is the question that will be asked of you during the days ahead. My hope is that all of you will be able to find your "best form" and be able to sit at the closing ceremony happy with your individual performances and your contribution to the team.

At ISM we value all the ethics of good sportsmanship. It is important to cheer hard and loud for your own team and also to appreciate the great performances that you will see from your fellow competitors. Genuine congratulations and appreciation of a great sporting effort from individuals on opposing teams is a true reflection of an "athlete".

I would like to give a special thanks to all our ISM families that have volunteered to house the IASAS athletes. Without the generous support from our parent community events like this simply could not happen. I would also like to recognize and give my special thanks to all those that have helped with the planning, organization and running of this first IASAS event for 2009-10 school year.

I wish all IASAS players and coaches the very best and hope that you enjoy the 28th Annual IASAS Championships in Manila 2009.

Yours in Sport,

Mark A. Pekin
Athletic & Activities Director

MEDICAL PROCEDURE

In case of injury or illness – whether before, during, or after the matches – please notify the site director and or school nurse. A nurse will be located at each field during the tournament. If nurse is not at field please go to the medical clinic, near the MS field.

An injured athlete should not leave campus for any medical care without first consulting the site or tournament director and having communicated with our clinic staff. The injured athlete should be accompanied by the attending nurse and security personnel and a representative from their school.

ISM school nurses are only permitted to issue non-prescription medication.

In case of an injury or illness resulting outside of the tournament, students should call ISM (during the school day) and talk to one of the school administrators. If it is after school hours, they should contact the tournament director immediately, as listed in the program. Also, notification to the host family should be made.

Please note emergency strapping will be done on request of our clinic staff. For existing injuries that require strapping for each and every game this is the responsibility of the player/coaches and your own strapping should be supplied.

 - iii Upon return to school, the following consequences will apply:*

 - *The student will be required to spend all free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.*
 - *The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.*

 - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.*
