## **Soccer Rules**

### **I. RULES**

#### **A. Rule Book:**

F.I.F.A. (latest edition):

#### **B. Ground Rules:**

The Tournament will be governed by ground rules as instituted by the host school.

#### **C. There is no official ball for IASAS Soccer.**

#### **D. Yellow Card:**

A yellow card is the final warning for a player. Any further infringement by the player will be indicated by a "red card". Any player who is shown two yellow cards during the tournament will automatically be suspended for the next game

#### **E. Red Card:**

1. Any player penalized with a "red card" will be evicted for that game and also miss the next game. No substitutes will be allowed for penalized players. If a player is shown a straight red they will be ineligible for all tournaments selection
2. If a goalkeeper is shown a red card, a substitute from the bench may come in for the goalkeeper. A field player must then come off, leaving the team to play with 10 players.

NOTE: The site directors must keep a tally of yellow/red cards received and will inform coaches when a player becomes ineligible.

#### **F. Teams must play all rounds of the Round Robin even if the last game is a repeat of the Championship Game. Forfeits are not allowed.**

### **II. RULE EXCEPTION**

#### **A. Playing Time:**

35 minute halves, 10 minute half times, (5/98), plus added time for stoppages of play at the referees' discretion, but without adding extra time for substitutions. (10/01)

#### **B. Substitution:**

See "Substitution" below

### **V. SUBSTITUTION**

There will be unlimited substitution subject to the following, which replaces the FIFA substitution rule:

1. The team in possession may substitute on throw-ins and goal kicks only. The team not in possession may substitute only if their players have already been "checked in" by officials and only after the team in possession makes a substitution.
2. Both teams may substitute after a goal has been scored.

## IASAS SOCCER 2010

- B. A designated person, other than the Site Director, will coordinate and monitor the substitutions to ensure that all substitutions are made in the approved manner.
- C. Coaches may use their entire bench in every match.
- D. The fourth official monitoring substitutions must use a loud noisemaking device, other than a whistle, to attract the attention of the referee for substitutions. (10/00)

### VI. FACILITIES

Two soccer pitches are required, one of which must be on the high school campus with some spectator seating. The other pitch should either be on campus or be very near the high school.

### VIII. UNIFORMS

- A. Each player must wear protective shin guards
- B. Each player must have both a white and dark colored jersey with numbers on both the front and back. FIFA has no firm regulations on number size or location. Most leagues insist on numbers on back of jersey only, 6 inches (15cm) in height.

### XI. OFFICIALS

The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate tournaments.

### X.TIE BREAKER FOR LEAGUE STANDINGS

#### **A. Head to Head**

Definition of Head to Head as specified in section M of the convention organization. If two teams are tied, go to C. If more than two teams are tied, go to B.

#### **B. Goal Difference**

Take the sum of goals scored and subtract the sum of goals conceded in matches exclusively involving the tied teams. The team with the highest score is the winner. If tied, go to C. (10/01)

- C. Take the sum of goals scored and subtract the sum of goals conceded in matches exclusively involving the tied teams and the highest placed team in the league standings not involved in the tie. (10/01). If teams are tied for positions 3- 5 take the sum of goals scored and subtract the sum of goals conceded in matches involving the tied teams and the higher placed teams in the league standings not involved in the tie. (10/08)

#### **D. Shoot-out**

See section XII.

### XI. TIE BREAKER FOR CHAMPIONSHIP & CONSOLATION GAMES-OVERTIME

- A. Following a five-minute break after regulation play, the respective captains will report to mid-field where the referee will perform the coin toss.

**XII. TIE BREAKER FOR CHAMPIONSHIP & CONSOLATION GAMES-SHOOT-OUT**

- A. Each team will be represented by five shooters from the 11 players on the field at the end of overtime.
- B. All shooters will report to the referee
- C. The referee will record the shooting order
- D. The winner of the shoot-out is based on the most goals scored by either team in five attempts
- E. If a tie exists at this point, the shoot-out will continue until a winner is determined.

**XIII. PROTEST**

- A. First instance, any protest or appeal will be handled by the rulebook of the particular activity concerned. This would occur after an appeal to the official.

Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event. (5/99)

- B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity must then make a decision.

The Head Official should make this decision with or without consultation of the coaches involved in that area. The Head Official is free to consult anyone he/she sees fit in helping to make a decision.

A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament Director.

- C. If "B" is appealed, the appeals procedure will continue as follows:

Further appeal can only occur with the approval of the Head Official. The appeal shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Site Director who in turn will add his own report and further comments and present the entire matter to the Tournament Director.

If the Tournament Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Administrators-In-Charge present at the tournament. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Tournament Director should get all the information he/she needs. This includes a formal meeting if necessary.

The Tournament Director will then make the final decision which will be communicated in writing to all school representatives at the tournament.

**XV. POST SECTION PLAY**

- After the round-robin league play, the top two seeded teams will play a championship match to decide 1<sup>st</sup> and 2<sup>nd</sup> place.
- The 3<sup>rd</sup> and 4<sup>th</sup> ranked teams will play for 3<sup>rd</sup> place.
- There will be no post section play for the 5<sup>th</sup> and 6<sup>th</sup> ranked

**XIV. TOURNAMENT SCORING**

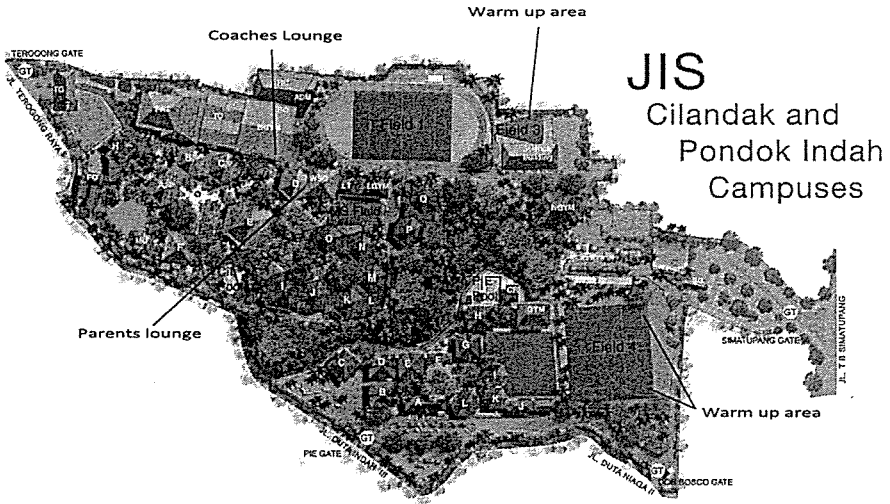

- A. 3 points for a win (5/95)

  - iii. Upon return to school, the following consequences will apply:
    - Appropriate counseling will be required.
    - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
    - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, i.e. additional study, band concert, curricular trips.
    - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
    - Consequences related to third sport season infractions may carry over the following school year in cases of late discovery.
    - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
    - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
  - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same event/convention the following year.
  - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
  - vi. Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches or hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
  3. Housing assignments may only be changed by the host school's Tournament/Convention Director.
  4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
  5. All laws of the host country must be observed. Guidelines are to be provided by host school as required.
  6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or Trip Administrator.
  7. Any problems arising during the tournament/convention should be reported immediately to the host school for corrective measures.
  8. All students must carry their Tournament/Convention Identification Cards with them at all times.
  9. For all overnight events scheduled by the Activities Office it is expected that parent supervision is provided from 10pm onward each evening.
