Tennis Rules

I. Rules:

A. Rule Book - I.T.F. (latest edition)

B. Tournament Rules:

1. On each team 3 members will play singles and 4 will play doubles.
2. Players must be ranked according to ability for singles and doubles #1, #2 & #3. Number #1 ranking being the top player.
3. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change the ranking during the tournament.
- 4a. The 8th player substitute will play exhibition matches. The 8th player may substitute into the tournament at any position if a player is unable to participate. If a player is replaced, they can take no further part in the tournament. No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all-tournament a player must participate in all five group matches.
- 4b. That the tournament director should have the flexibility to schedule the 8th player matches to best suit the schedule and needs of the tournament and should attempt to give the 8th player at least 3 matches.
- 4c. The 8th player will be eligible to play at either the #3 singles or the #2 doubles position, as a 'free switch' during the tournament. At such a switch the original #3 singles or #2 doubles person would play in the Alternate match and the #8 player will play in the new position. This free switch may occur as many as 3 times in the previously mentioned positions throughout the tournament. Only the originally designated 8th player is eligible to play in any of the 3 mentioned positions. If the original 8th person is used because of an injury, at any position, the 'free switch' is no longer possible, since they must play in that position for the remainder of the tournament.
5. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
6. The tournament will be run on a round-robin format with subsequent consolation and championship matches. The team rankings will be determined by win-loss records at the conclusion of round-robin play. In case of a tie following round-robin play, rules under VI. SCORING will apply.

IAŞAS Tennis Championships 2011

-
7. There will be a 5-minute warm-up before each match. There will be no rest period after the 1st game of a set (but still change sides). The first rest period is after the 3rd game and then after each further two games until the conclusion of the set.
 8. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director.
A coach should advise other coaches and Site-Directors if a student on his or her team needs assistance with the rules. This notification should be made at the pre-tournament meeting or whenever the need arises. This player would then automatically be assisted by a tournament official throughout the tournament.
 9. Players must report to the main desk before and immediately after the match to report the score.
 10. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a forfeit.
 11. Side changes will be a maximum of 60 seconds in duration. Coaches will be allowed to consult with their players during the side-change. Coaches will not be allowed on the courts for consultation unless there is no outside access.
 12. Order of play will be as follows:
 - #2 Doubles
 - #3 Singles
 - #2 Singles
 - #1 Doubles
 - #1 Singles
 13. In the even of an injury during a match, a 5 minute injury time for treatment be allowed to determine if the player can continue. The Site Director should monitor the situation.

III. Facilities / Equipment

A minimum of 8 tennis courts are required. A minimum of three (3) new balls per match are required.

III. Uniforms

Each member of the team will wear the same uniform. Shorts or skirts must be of the same color. Appropriate tennis attire must be worn. No spaghetti straps or bare midriffs for girls and no sleeveless shirts for boys. Players must start the match in the school uniform (same uniform if doubles), but they may change shirts later in the match into other clothing designated as the team uniform.

January 27-29, Singapore

IAŞAS Tennis Championships 2011

IV. Officials

The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate the tournament.

V. Protests

All protests are to go through the Tournament Director or the Convention Director.

VI. Scoring

All boys' and girls' events will be scored separately. Matches will consist of one 8-game "Pro-Set". The first player to win 8 games will win the match. Should the game score in the "Pro-Set" be tied at 7-7, then a regular tie-breaker will be played to determine the match winner.

If there are significant delays due to weather or other conditions at any time during the tournament, the Tournament Director may make the decision to change individual match scoring to a first to 6-game "Set".

VII. Post Section Play

After the round-robin league play, the top two seeded teams will play a championship match to decide 1st and 2nd place.

The 3rd and 4th ranked teams will play for 3rd place.

There will be no post section play for the 5th and 6th ranked teams.

VIII. Tie-Breaker For League Standings

Should the competition end in a tie, the following criteria will be used to determine the winner:

A. Head to Head

(Definition of Head to Head can be found in Section L of Convention Organization.) If after L.3 teams are still tied, go to B.

B. Match difference (for three or more tied teams):

1. Add the total matches won and the total matches lost of each team involved against each of the other tied teams and subtract. Then rank the teams according to their positive points scored. If still tied, go to 2.

2. Get the match difference of all the matches played of the teams involved in the tie. If still tied, go to C.

C. Game Difference:

Add the total games won and the total games lost of each team involved against each of the other tied teams and subtract. Then rank the teams according to their positive points scored.

IX. All-Tournament Awards

1. The fourteen All-Tournament players will receive an All-Tournament certificate. This will be determined based on the round-robin play.
2. A player may be excluded from all-tournament selection if the majority of coaches (either Girls coaches or Boys coaches) feel that a particular player exhibited un-sportsmanlike behavior during the tournament. The runner-up would then receive the all-tournament selection.
3. The All-Tournament award will be awarded to the school with the best record at their respective position. In the case of a tie the winner will be determined by the result of the matches between tied teams. If the tie is not broken see 7.3 VII E. If more than one player represented the school at an awarded position, then it is up to the school to determine which player/players receive the award/awards. Duplicate awards will not be offered by IASAS.

REMINDERS

1. Curfew is 9:00pm Wednesday and Thursday and 10:00pm Friday and Saturday.
2. Please do not use the main UWC Cafeteria (Thursday & Friday only) between the times of 9:25am-10:15am and 11:30am-1:50pm.
