IASAS VOLLEYBALL

3-5 October 2010 Bangkok Thailand

PRINCIPAL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare to compete in the IASAS volley ball and cross-country tournaments. I am confident you will enjoy the competition and warm hospitality Thailand is known for.

The end of season IASAS tournaments are much anticipated and deservedly highlights in our calendar and I look forward to watching the **Panthers - ISB & ISKL, Eagles – SAS, Bear Cats – ISM, Tigers – TAS and Dragons - JIS** do battle.

Of course every team is battling to win but our tournaments are always about much more than this. Amongst other things IASAS promotes:

****friendship***

****fair play***

****commitment to self***

****commitment to others***

****dedication***

****resilience***

****and responsibility***

Let me contrast this brief statement of ideals with events in June and July 2010. I was looking forward with eager anticipation to another major sporting tournament – the 2010 World Cup in South Africa. Perhaps it was my positive memories of the IASAS soccer last year in Manila, perhaps it was all the media hype or perhaps I was really excited that an African nation was hosting the competition and perhaps I thought my team might win.

As it turns out the competition left me disappointed in many respects, I certainly watched some memorable games with fantastic goals and the organization was excellent but when it came to:

****friendship***

****fair play***

****commitment to self***

****commitment to others***

****dedication***

****resilience***

****and responsibility***

It was at times hard to see many positive examples to inspire the World's watching fans. And in case you are wondering I come from England.

So athletes you have a big responsibility to keep the bar set high and lead by example. Be positive examples to each other and our wider communities, especially the aspiring younger athletes. Coaches and administrators too, we have a big part to play in keeping the ideals of sport alive.

Please find the time during the tournament to recognize those who have made this IASAS event possible. Between games, a word of thanks to Andy Vaughan, Harold Albert and their very able staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will go a long way.

Sincerely,

Philip Bradley

I.A.S.A.S RULES & GUIDELINES

Each participant and his/her parent must sign and return this form before traveling or hosting, by so doing they acknowledge that they fully understand and agree to abide by these RULES & GUIDELINES.

PARTICIPANTS

1. Smoking, drinking alcohol, drug abuse, cheating, deceit, inappropriate sexual behavior (05/06), flagrant curfew violations and violations of the "off-limits" areas as well as aiding and abetting any of the above will not be permitted during any IASAS event. (4/01)

When a student commits an infraction relating to alcohol, tobacco, drug abuse, cheating, deceit, disrespect, flagrant curfew / "off limits" areas violations, as well as aiding and abetting any of the above, the following shall apply:

- i The student may no longer participate in that convention.
 - ii The student will be sent home at his/her parents' expense if it is feasible to do so.
 - iii Upon return to school, the following consequences will apply:
 - Appropriate counseling will be required.
 - The student will be required to spend *all* free periods and breaks (including lunch breaks) in a supervised environment. This consequence will last for 20 school days following the determination of the infraction of the IASAS rule.
 - The student must leave campus at the end of the regular school day and may not come to school on weekends/holidays for a period of 40 instructional days. Any exceptions must have administrative approval, ie. additional study, band concert, curricular trips.
 - The student will be excluded from co-curricular activities for a period of 40 school days following the determination of the infraction. The student will be excluded from any IASAS season/activity that begins within this 40-day period.
 - Consequences related to third sport season infractions may carry over to the following school year in cases of late discovery.
 - Revocation of IASAS Awards: Students will be ineligible for any awards pertaining to the activity.
 - Other Individual School's Consequences: Depending on the severity and specifics of the infraction, individual IASAS schools may levy other consequences as per their school policy/handbooks, e.g. out-of-school suspension, exclusion from all IASAS events for one year.
 - iv. For a second offense, the student will automatically be excluded for one calendar year from all IASAS events, including the same convention the following year.
 - v. If at any time a student is suspended from further competition or involvement in an event, then the only results affected will be those happening after the infraction, and all pre-infraction results will stand.
 - vi Consequences will be carried over if the student transfers to another IASAS school.
2. Participants must notify coaches of hosts before leaving tournament/convention sites. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
 3. Under no circumstances may housing assignments be changed
 4. All visiting students must return to the host families' house before curfew-as set by the host school. Telephone calls will be made to each student every night to ensure that all students have returned safely and on time. Once a student is in and has answered the curfew call he/she may not leave the house. Note, however, that should an event finishes so late that students have less than one hour to make curfew, the curfew will be extended so that they have at least one hour to make curfew.
 5. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
 6. No disciplinary action will be taken by the Tournament/Convention Director without direct communication with the respective coach/sponsor or trip Administrator.
 7. The host school will arrange transport to and from the airport as well as the tournament/convention site.
 8. Any problems arising during the convention should be reported immediately to the host school for corrective measures.
 9. Student medical release forms will be available at the convention site each day of the event.
 10. All students must carry their Tournament/Convention Identification Cards with them.

HOST FAMILIES

1. All host families will be provided with complete Tournament/Convention details (schedules, curfews, policies, procedures, emergency phone numbers for coaches and important tournament personnel, etc.).
2. Host parents/guardians will not offer housing unless one of the parents/guardians is present for the duration of the tournament/convention.
3. Hosts are expected to cooperate with Tournament/Convention Director in ensuring student compliance with all IASAS policies relating to participation.
4. Any student who shows reluctance to fully comply with the above rules and regulations shall be reported to the Tournament/Convention Director who will report the matter to the student's coach and Administrator in charge with the expectation that action will be taken.
