## RUGBY

### I. RULES

- A. The tournament is organized under the auspices of the IASAS Board. All matches shall be played according to the laws of the game with 10-A Side variations as framed by the I.R.B. (International Rugby Board)  
For safety reasons, the school boy 1.5 meter limit to pushing in the scrum must be consistently applied.  
IRB U19 Variation: The scrum-half not throwing the ball into the scrum must not move beyond the middle line of the scrum until the ball has emerged from the scrum or an opponent has placed his hands on the ball. In the event of a strike against the head, the scrum-half who has thrown the ball into the scrum is similarly restricted in not following the ball. (PENALTY: Penalty Kick)
- B. Rule Book: I.R.F.B. Laws of Rugby Football (latest edition) for boys.
- C. Ground Rules:  
The tournament will be governed by ground rules as instituted by the host school. Coaches will remain on their own half of the field, in front of their own bench throughout each game.
- D. Tens Rules:
- \* Time length – 15 minutes halves, including the finals. 5 minute half time.
  - \* 5 players in the scrum at all times.
  - \* No pick up from the scrum by the 2<sup>nd</sup> row.
  - \* The line outs may have 2-5 players present.
  - \* 2<sup>nd</sup> rows can only bind with the props and hookers in the usual manner (not on the side of the props)
- E. Rugby Rules – Under 19 Variations  
No wheeling. A team must not intentionally wheel a scrum.  
Penalty: Penalty Kick  
If a wheel reaches 45 degrees, the referee must stop play. If the wheel is unintentional, the referee orders another scrum at the place where the scrum is stopped and the same team puts in the ball.

### II. SUBSTITUTION

- A. Free substitution at any time providing the referee signals his/her consent.
- B. No substitution will be allowed for a player who is sent off during the course of the game.

### III. UNIFORMS

Each player must wear protective mouth guards.

### IV. OFFICIALS

- A. The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate the tournament. All these officials shall be adults.
- B. A timekeeper will be appointed for all matches and will time all games from the touchline. Each game will last 15 minutes each half, with a 5 minute interval between halves. The referee will be the sole judge of the end of period of play.
- C. If a player is injured during play, the referee will signal the timekeeper to inform him that the game has been stopped. The clock will then be stopped until play is resumed. This will ensure that the full 15 minutes is played in each half of all rounds. If the referee does not signal to stop the clock because he is dealing with an exceptional circumstance (e.g. an injury or disciplining players), the timekeeper has the right to stop the clock. The clock is restarted by the referee's whistle. At the end of the designated time, the timekeeper will signal that time has lapsed and the referee will then end the game at the end of that period of open play. It should be stressed that the timekeeper's signal is for the official, not for the players. The referee will be the final adjudicator of any additional time.
- D. Players to be substituted must report to the 4<sup>th</sup> official. Officials must have microphone communication with each other.

## V. RULE EXCEPTIONS

A. Games will be played in accordance with the Laws of Rugby Football. However, contrary to Law 13(2)(e) “kick at goal after try” contained herein, players of the opposing team need not retire behind the goal line. Opposing players electing not to be behind the goal line should position themselves at the half way line and at a good distance from the kicker. At no time should players leave the field of play without first obtaining the approval of the referee.

B. The team that has scored a try, kicks off to restart the game.

C. Yellow Card

A yellow card is a warning for a player and will result in 3 minutes temporary suspension. Any further infringement of the same nature by the player will be indicated by a “red card”. It is possible for a player to receive two yellow cards in the same game for different offences. Any player receiving two yellow cards in the same game will be sent off the field of play. Any player who is shown two yellow cards during the tournament will automatically be suspended for the next game and will be ineligible for all-tournament section.

D. Red Card

Players given a straight red card and sent off the field will be automatically banned from participating further in the tournament and all-tournament selection. If the player has his coach’s consent, he has the right to appeal to the Tournament Director. The appeal will be made personally by the student concerned, accompanied by the trip administrator.

Regardless of any appeal, all players sent off: must not participate further in the game from which they were dismissed and may not be replaced by another player during that game; must not participate in team’s next scheduled game, however he may be replaced by another player.

## VI. TIE BREAKER FOR LEAGUE STANDINGS

A. Head to Head

If two teams are tied, go to C. If more than two teams are tied, go to B.

B. Exclusive Points Differential (Points differential is the sum of the points scored minus the sum of the points conceded)

Placing will be decided by the point’s differential in the games exclusively involving the tied teams. The teams are then ranked by differential. If still a three way tie go to C; if a two way tie go back to A.

C. Number of Tries

If the teams are still tied for a position in the league table, the placing will be decided by which team has scored the most tries in the games between the tied teams. If the tied teams have scored an equal number of tries, then the placing will be decided by which team has scored the most points in the games between the tied teams.

D. Expended Points Differential

Placing will be decided by the point’s differential in matches exclusively involving the tied teams and the highest placed team in the league standings not involved in the tie.

E. Total Points Differential: Add the total points scored for and the total points scored against each of the tied teams in all their games and then determine the difference in the two totals. The team with the highest difference is the winner.

F. Kick at Goal

1. Begin with three players per team

2. Players can choose to kick from any point on the 22-meter line.

3. If the number of conversions is still the same for both teams after 3 kickers, go to: Sudden death with a new kicker for each attempt.

## VII. TIE BREAKER FOR CHAMPIONSHIP GAME

It should be stressed that the timekeeper's signal is for the official, not for the players. The referee does not add on injury time, that is the job of the timekeeper. Players sent off the field of the play will be automatically banned from participating in the tournament. If the player has her coach's consent, she has the right to appeal to the Tournament Director. The student concerned should make up the appeal personally, accompanied by the trip administrator.
