International School Bangkok

Welcomes you to the 27th Annual

ASAS Swimming Championships

Bangkok, Thailand
February 5 – 7, 2009

HEAD OF SCHOOL'S WELCOME

On behalf of the ISB community, I welcome you to the 2009 IASAS Swimming/Tennis Championships. Athletes--the next several days are a well-earned reward for the hours of practice, effort, and conditioning you have dedicated to your teams. Coaches--we know these events are stressful times for you. But, please take a little time to celebrate the gifts you have given these athletes through your dedication and expertise. The learning that athletics offers young people is among the most powerful school experiences. Parents--this should be a celebration time for you as well. Of course you are worried about your child's performance. But think back to their awkward first steps as toddlers or the first time they tried to swim or hit a tennis ball. Now, marvel at the grace and energy they contribute to their team. We live among miracles.

Please enjoy our wonderful staff and facilities as we celebrate another exciting IASAS competition. We want this to be a memorable weekend for all of you.

*Bill Gerritz
ISB Head of School*

PRINCIPAL'S WELCOME

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare to do battle in IASAS swimming and tennis.

Hosting two competitions will add significantly to the excitement with more athletes involved and a choice of action happening all day long. Fortunately, the swimming pool is adjacent to the tennis courts so spectators can easily cross between events.

The spirit of IASAS always shines through and each time a tournament approaches I think about the magnificence of the occasion. We have schools from six countries, with students and teachers representing scores of nationalities, coming together to celebrate friendship, sportsmanship and athletic achievement. Now these are experiences that last a lifetime.

Rest assured that we will do our very best to ensure that the competitions go as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

Please find a moment to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

I hope that we will be able to provide you with a memorable competition, an opportunity to build lasting friendships, and a glimpse at the very rich and diverse culture of our host country.

Enjoy the competitions and this beautiful country.

Sincerely,

*Andy Davies
HS Principal*
