TAS

Mabuhay! Welcome IASAS Athletes, Coaches and Supporters,

It is a great pleasure for International School Manila to host this year's IASAS Volleyball and Cross Country Championships. We look forward to an exciting competition and to the friendly interactions and competitive rivalry between all IASAS teams.

I congratulate all team members on the hard work and dedication you have demonstrated to be selected for your school's team. Preparation for these two events is difficult and no doubt tiresome at times but the result of your efforts will be reflected in your individual and teams' performance over the next three days.

I am sure that each team member will have given their best to date as far as preparation goes and that your bodies are physically ready to perform. In any competition it is often the mental preparation on match/race day that is so important. Can you be and give your best on that day? That is the question that will be asked of you during the days ahead. My hope is that all of you will be able to find your "match/race day form" and be able to sit at the closing ceremony happy with your individual performances and contribution to the team.

At ISM we value all the ethics of good sportsmanship. It is important to cheer hard and loud for your own team and also to appreciate the great performances that you will see from your fellow competitors. Genuine congratulations and appreciation of a great sporting effort from individuals on opposing teams is a true reflection of an "athlete".

I would like to give a special thanks to all our ISM families that have volunteered to house the IASAS athletes. Without the generous support from our parent community events like this simply could not happen. I would also like to recognize and give my special thanks to all those that have helped with the planning, organization and running of this first IASAS event for 2008-09 school year.

I wish all volleyball/cross country athletes and coaches the very best for this meet and hope that you enjoy the 27<sup>th</sup> Annual IASAS Volleyball/Cross Country in Manila 2008.

Yours in Sport,

**Mark A. Pekin**  
Athletic & Activities Director

# IASAS Cross Country Team Mixer Activity:

## **Team Relay Race:**

**Location:** HS Track

**Warm-ups and team meeting on track:** 1:45pm

**Girls Race Time:** 2:30pm

**Boys Race Time:** 3:15pm

## **Format:**

14km Boys and Girls team relay race. Each runner will run 2km (5 laps of track) and pass the team sash to the next runner.

## **Selection of Teams:**

Each team will comprise 7 male and 7 female runners and the teams will be decided based on finishing results from the Saturday morning IASAS race.

Each head coach will be responsible for looking after a boys and girls team. After the morning race teams will be named and posted on Cross Country notice board outside HS Gym at Noon. Head Coaches will be allocated to teams via a random draw. Assistant coaches from the Head Coaches School will then provide support to that team.

## **Order of running:**

Coaching staff will allocate the running order of each of their seven runners.

Coaches will be provided with a check off chart for their team and will be responsible for checking off each lap completed by individual runners and ensuring each runner completes 5 laps(2km) before handing the team sash to the next runner.

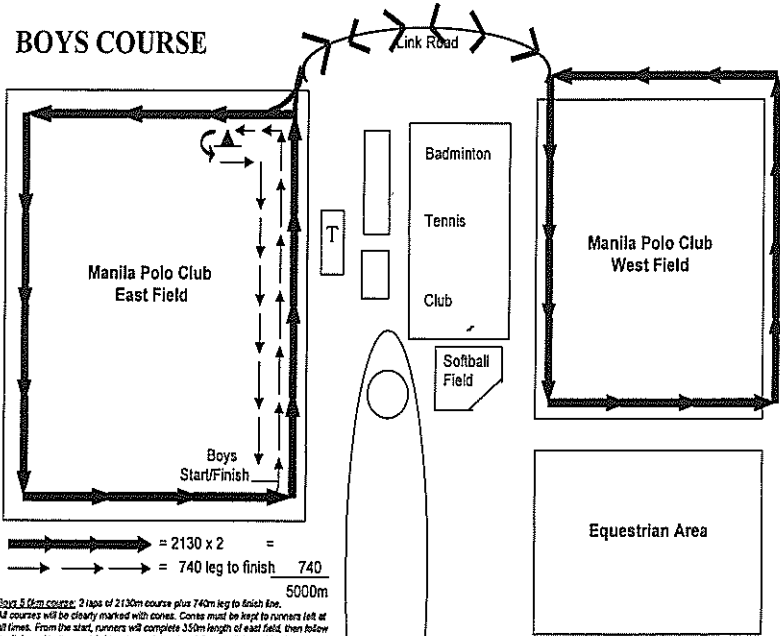

*The winning team will be the team that completes the 14 km in the fastest time.*

*A participation certificate will be awarded to each runner and prizes will be given to the male and female winning team.*

*Note: This event is proposed as a way for athletes and coaches to take part in the afternoon mixed IASAS male/female activity in the sport to which they have devoted so much time/effort during first season.*

*Our hope is that by having a mix of athletes from each IASAS school in each team, and by having the girls support the boys race and vice-versa this will be fun and enjoyable event for runners and coaching staff. It is not meant to be a hard core competitive event but as stated a way of our IASAS cross country runners to mix, race and enjoy each others company.*

BOYS COURSE

Boys 5.5km course: 2 laps of 2130m course plus 740m leg to finish line.  
 All courses will be clearly marked with cones. Cones must be kept to runners left at all times. From the start, runners will complete 350m length of east field, then follow the link road to the west field and complete a lap. Follow the link road back to the east field and complete 1/2 of a lap back to the start line (1130m). This will be repeated (4260m). After passing the start/finish area for the second time runners will complete a 740m return leg marked by red cones to the finish line.  
 At the completion of the race, take a #10 poppete stick and proceed to the results tables to submit your stick. #10 race bib to the finish table officials.
