Lunch

Greetings -

It is my pleasure to welcome all of you to Kuala Lumpur to participate in this year's IASAS Tennis Tournament. Whether you are an athlete, coach, parent or fan, ISKL intends to make every possible effort to make your experience in Kuala Lumpur an outstanding one. There will be many ISKL community members about so please do not hesitate to approach us with your questions or needs; we would all be pleased to help.

Some of you may know we do not have the tennis facilities necessary on our Ampang campus to host all of the competitions on site. Although we are disappointed we cannot entertain you on campus all the time, the good news is that many matches will take place at the Titiwangsa Tennis Center, a very good facility that I am confident will meet your competitive and aesthetic expectations.

This IASAS Tennis Tournament is an important part of the IASAS athletic season. Three times a year the IASAS communities' commitment to high quality competitive experiences for students is showcased in end-of-the-season tournaments. They offer individuals and teams an opportunity to not only test their skills and sense of fair play, but also to meet young people from around the world in exciting cities in Southeast Asia. I hope you share my enthusiasm with being part of the family of IASAS schools and are delighted with the opportunities IASAS schools provide.

I ask your help in offering support and encouragement to *all* the athletes who are performing during the course of this tournament. IASAS schools take great pride in fostering a spirit of fair play among their athletes and parents. Thank you in advance for your exemplary sportsmanship and committed global citizenship.

Once again, welcome to K.L. and to this major IASAS event. Best wishes to all athletes and coaches for good health and excellent performance throughout the Tournament.

Paul Chmelik

Medical Procedures

In case of injury or illness- whether before, during, or after the matches- please notify the site director, tournament director, or nurse on duty. The nurse will be located at the main desk where the scores are posted.

An injured athlete should not leave the tennis court area for any medical care without first consulting the site or tournament director first and having communicated with the nurse on duty.

ISKL school nurses are only permitted to issue non-prescription medication.

In case of an injury or illness resulting outside of the tournament, students should call ISKL (during the school day) and talk to one of the school administrators. If it is after school hours, they should contact the tournament director immediately, as listed in the program. Also, notification to the host family should be made.

I. RULES

A. Rule Book:

I.T.F. (latest edition) (05/07)

B. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 & #3. Number #1 ranking being the top player.
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. A. The 8th player substitute will play exhibition matches. The 8th player may substitute into the tournament at any position if a player is unable to participate. If a player is replaced, they can take no further part in the tournament. No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all-tournament a player must participate in all five matches. (5/97)

 B. That the tournament director should have the flexibility to schedule the 8th player matches to best suit the schedule and the needs of the tournament and should attempt to give the 8th player at least 3 matches. (5/99)

 C. The 8th player will be eligible to play at either the #3 singles or the #2 doubles position, as a "free switch" during the tournament. At such a switch the original #3 singles or #2 doubles person would play in the Alternate match and the 8th

player will play in the new position. This free switch may occur as many as 3 times in the previously mentioned positions, throughout the tournament. Only the originally designated 8th player is eligible to play in any of the 3 mentioned positions. If the original 8th person is used because of an injury, at any position, the "free switch" is no longer possible, since they must play in that position for the remainder of the tournament. (4/04)

D. The Alternate players' matches be changed to always be an eight game Pro-Set with a 7-7 tie break. (4/04)

6. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
7. The tournament will be run on a round-robin format. The team will be determined by win-loss record. In case of tie following round-robin play, rules under VII. SCORING will apply. (5/94)
8. There will be a 5-minute warm-up before each match. There will be no rest period after the 1st game of a set (but still change sides). The first rest period is after the 3rd game and also at the end of any set (including 6-4 etc.) (5/01)
9. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director.

 A coach should advise other coaches and Site-Directors if a student on his or her team needs assistance with the rules. This notification should be made at the pre-tournament meeting or when ever the need arises. This player would then automatically be assisted by a tournament official throughout the tournament. (5/01)

10. Players must report to the main desk before and immediately after the match to report the score.
11. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a walk over.
12. Coaches will be allowed to consult with their players during side-change. Coaches will not be allowed on the courts for consultation unless there is no outside access.
13. Order of play will be as follows:

#2 Doubles
#3 Singles
#2 Singles
#1 Doubles
#1 Singles

14. In the event of an injury during a match, a 5 minute injury time for treatment be allowed to determine if the player can continue. The Site Director should monitor the situation.

II. ROSTERS

Rosters (eight boys and eight girls) must be submitted two weeks prior to the tournament and include the following information: (5/97)

- A. Name
- B. Grade
- C. Passport nationality
- D. Birth date
- E. Housing preferences

III. FACILITIES

A minimum of 6 tennis courts are required; however a total of 10 courts is highly recommended. (05/07) A minimum of three new balls per match are required.

IV. UNIFORMS

Each member of the team will wear the same uniform. Shorts or skirts must be of the same color. Appropriate tennis attire must be worn. No spaghetti straps or bare midriffs for girls and no

sleeveless shirts for boys. (05/07) Players must start the match in the school uniform (same uniform if doubles), but they may change shirts later in the match into other clothing designated as the team uniform. (05/06)

V. OFFICIALS

The number and source of officials is to be determined by the host school. Whenever possible, the host school should utilize host country international sporting organizations to officiate the tournament.

VI. PROTESTS

All protests are to go through the Tournament Director or the Convention Director.

VII. SCORING

All boys' and girls' events will be scored separately. All matches will consist of the best of 3 sets. (That is, the first to win 2 sets is the winner.) Should the game score in a set be tied at 6-6, then a twelve point tie breaker will be played. This means that the first to reach 7 points wins. If there is a 6-6 tie, then play will continue until either player gains a two point advantage.

When the score in a match is one set all, one tie-break game shall be played to decide the match. This tie-break game replaces the final set.

The player/team who first wins ten points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

Note: When using the tie-break to replace the final set:

- the original order of service continues
- in doubles, the order of serving and receiving within the team may be altered, as in the beginning of each set
- before the start of the match tie-break there shall be a 120 seconds set break
- balls should not be changed before the start of the match tie-break even if a ball change is due (05/07)

If there are significant delays due to weather or other conditions at any time during the tournament,

the Tournament Director may make the decision to change individual match scoring as follows:

1. Matches will be played with 'No Ad Scoring'
2. Matches will consist of one 10-game or if necessary 8-game "Pro-Set". The first player to win 10/8 games will win the match, but the player must win by a margin of two games over his or her opponent. Should the game score in the "Pro-Set" be tied at 10-10/8-8, then a regular twelve point tie-breaker will be played to determine the match winner.

Any category match (e.g. 1st singles v 1st Singles) started must be completed under the same scoring format as it began. (5/98)

The team champion will be determined by the team win-loss record. Should the competition end in a tie, the following criteria will be used to determine the winner:

- A. Result of match between teams (if two teams are tied).
- B. Number of individual matches won/lost (by all positions on the team) between tied teams.
- C. Total number of sets won between the tied teams, provided that all tied teams only played "Pro-Set" or 3-set matches. If there is a combination of the two formats refer to E.
- D. Total number of games won between the tied teams, provided that all tied teams only played "Pro-Set" or 3-set matches. If there is a combination of the two formats refer to E.
- E. Calculate % wins.
Divide the number of wins by the number of games played (between tied teams) X 100 e.g.
A beats B 6-2, 6-4=12 out of 18 = 67%
B beats C 8-2 = 8 out of 10 = 80%
C beats A 6-1, 6-3=12 out of 16 = 75%
(5/98)
