IASAS Golf 2022

HS Principal's Welcome

Dear IASAS Golfers,

Welcome to the first virtual IASAS Golf championships, proudly hosted by ISB. This is the first sporting IASAS event hosted virtually and I am so glad that our golfers, athletic directors, and golf coaches within IASAS were able to work together in order to make this event happen. Of course, we would all like to be playing together in person in the same location but faced with no IASAS at all or the opportunity to compete in a virtual event (but still played on a golf course) I am glad we went for the latter option.

As this competition takes place over a number of weeks I encourage you to enjoy your time on the course, work as a team and encourage one another with your play during that time. Cheer each drive, clap the great recovery shots and enjoy the long puts that curl into the hole for each of your teammates and then wait for all of the results to come in to see where you place. Regardless of the final result, you are all winners and were able to compete in an IASAS event during these pandemic times.

Thank you again to Chris Mott, Mark Jaspers, and our IASAS Athletic directors and golf coaches for making this happen.

All the best and avoid the OOB.

Justin Alexander
High School Principal
International School Bangkok

IASAS Golf Rules 2022

- IASAS Golf Rosters should be submitted between Friday the 25th of March and no later than Wednesday the 30th of March. The first two rounds for a team cannot be played until full rosters for that team have been submitted and confirmed received.
- All three rounds should be completed between Friday 25th of March - Sunday 17th of April. Individual schools have the flexibility to organize their rounds within these set dates.
- All scorecards should be emailed to the event host, ISB, on the same day of round completion. A scan or photo of the card will be accepted.

TOURNAMENT SCORING

Round One - gross score of top four players each day is the team aggregate score. Different players can contribute each day. Gross scores after two days determine the team rankings for the day three match play.

Round Two - gross score of top four players each day is the team aggregate score. Different players can contribute each day. Gross scores after two days determine the team rankings for the day three match play.

Round Three - Low teams 1 & 2 play for gold, teams 3 & 4 play for bronze, teams 5 & 6 play for placing only. Day three is match play with lowest gross scoring players from each team for the first two days in match play competition; second lowest playing each other, etc. 1 point for match play win; one-half point for a draw; 0 for a loss. All six matches count. Winner of the match is the team with most points on day 3. In case of a tie, the team with the lower ranking from days 1 & 2 will be declared the winner. Note: individual medals are based on low gross scoring for days 1 & 2 only (see XII. Awards below).

RULES

The tournament shall follow the rules of golf for stroke play and match play as determined by the United States Golf Association and the Royal and Ancient Rules of Golf with the exception of XI. Protests, which takes precedence.

Score differential = $(113/\text{Course slope}) \times (\text{Gross score} - \text{Course rating})$

Caddy Protocols: Use of caddies will vary in each country. Caddies may give yardage advice and club advice only. Caddies may not mark or place the ball on green for players nor, tee up the ball or pick up a ball out of the cup.

Supervision: Every effort should be made to ensure a school employee/adult can supervise and be in attendance for all rounds of golf whenever possible.

Coaching- A reminder that coaching can only be done from 'green to tee' by the school employed golf coach/advisor. Parents can watch and cheer players but should not coach players at all if they are walking or watching a round of play.

WHS System- Is provided in the playing guidelines. On your submitted scorecards ensure that the course slope/rating information is included in your photo evidence and which tees you have played from. General recommendation for this event is Blue tees for Boys and Red tees for Girls.

Trust and Verify- We are doing this event for the first time ever in this format so let's all establish clear communication with our teams about the honesty and integrity that is part of the game of golf. Let's all be supportive of our players and clearly communicate that a high degree of integrity is required and encourage all individuals to play with fairness and honesty at all times.

RULE EXCEPTIONS

- a) Always hit a provisional ball if in doubt as to whether the original ball is out of bounds.
- b) In the event of a controversial lie, etc., if a marshal is not available to make a ruling, the player should hit a 2nd ball and score both. The committee can then later decide when the player finishes the round which of the two balls was played within the rules of golf.
- c) The committee will determine before the start of the tournament whether boys go off of blue or white tees, and whether girls go off red or white tees.
- d) In the event of B above and or any other rule infraction, dispute or score discrepancy, these must be rectified with a course marshal immediately or, if course marshal is not available, must be resolved prior to signing and submission of cards at the conclusion of the round.
- e) With regards to balls hit out of bounds, players can opt to use the PGA rule (OB ball can be dropped two club lengths from the edge of the fairway with a two stroke penalty) or any local club rule that may be in effect.

ROSTERS

Rosters (up to 6 boys and 6 girls) must be submitted two weeks prior to the tournament and include the following information:

- First & Last Name
- Grade
- Birth date
- Ranking (1 – 6 for establishing foursomes)

SUBSTITUTIONS

- There are no substitutes or alternatives. All players are expected to play all three rounds. In the event of a player being unable to play due to sickness or injury, the team must take the best scores from a reduced squad on days 1 and 2, and forfeit one match play match on day 3 (see X. Tournament Scoring). If a player is unable to complete a round, the seeding of that player coming into the round will be used to determine their seed for the next day. The remainder of the players will be seeded based upon their scores/results of the day's round.

FACILITIES

Students do not need to play on the same course for each round. Each course played will be assessed by the organizers at ISB for slope rating, etc.. Par 72 golf course is advisable, although par 70 or 71 is acceptable depending on availability of courses.

AWARDS

The same awards are given to both Boys and Girls teams.

Championship Team

1. IASAS Traveling Plaque
2. IASAS Championship Plaque
3. Team Members - Champion Chevrons (8)
4. Gold Medal to each competitor (8)

Runner-Up Team

1. Team Members - Runner-Up Chevrons (8)
2. Silver medal to each competitor (8)

Third Place Team

1. Bronze medal to each competitor (8)

We recognize IASAS records for low scores achieved either total strokes for first two days or in the case of playing a course with less than par 72, strokes vs. par.

Teams are not eligible to win team awards if they have an incomplete team i.e. 3 boys or 3 girls (FEWER THAN 4 GOLFERS) because they can't get an aggregate total for the first two days. Teams with 4 or 5 golfers must forfeit matches on day three for each missing golfer (if there are only 4 golfers on a team, match play matches 5 and 6 must be forfeited).

Best Individual Golfers: Top three finishers in boys and girls for stroke play days 1 and 2 receive medals; first through sixth place finishers for those first two days of play receive all tournament chevrons.

NOTE: When ties occur in an individual medal event, the medal award for a position will be made based on the number of places above the awardee. For example, if two competitors tie for first place, the next award would be the third place award. If two competitors tie for second place, the next award will be for fourth place.

IASAS Golf History & Past Champions

IASAS Golf had its first official tournament in 2013. In previous years IASAS Golf was an invitational event as the organization determined whether or not the event would receive official IASAS status. The driving forces behind the move to make IASAS Golf a permanent fixture in the organization's calendar were Mr. Bob Connor, the AD from ISB, and a golf aficionado from JIS, Mr. Dave Tarcy. Due to the work done by these gentlemen behind the scenes, along with the efforts of Mr. Mark Pekin of ISM to bring the IASAS Golf proposal to the IASAS Board, and the collective push from all of the IASAS schools to establish varsity golf teams during season three, the IASAS Board made IASAS Golf an official event for the 2012-13 school year.

As has happened to all IASAS sports during the COVID-19 pandemic, there have been no official IASAS sporting events since the second season of 2020. Taking the lead from the work done with IASAS Cultural Convention and IASAS MUN, we are proud that this IASAS Golf 2022 event will take place virtually and be an official IASAS event. Well done, IASAS!!
