Dear Athletes and Coaches,

On behalf of the entire Taipei American School community, I welcome athletes, coaches, trainers, parents, and visitors to the 2008 IASAS Track Meet. Having served as a head track coach for many years and as a not-so-talented track athlete before that, I understand well the price athletes have paid in terms of time, energy, and self-sacrifice in order to train properly and to qualify for this meet. I hope that all of you can finish the season with a personal best. Of course, others have also made significant sacrifices in order to foster the athletes' growth—I join the students in offering thanks for your support.

This will be my first glimpse of the competition, and I look forward to watching the meet; by serving as a timer, I'll have more than a few opportunities to do so. Also, when I return to the confines of our building, the door to my office is (almost) always open, and I invite you to stop by to say hello.

Best wishes for an enjoyable and rewarding experience!

Richard A. Hartzell, Ph.D.
Principal of Upper School
Taipei American School

Taipei American School is an innovative 21st century learning community. Our mission is to inspire each student to be a confident, creative, caring and moral individual prepared to adapt and succeed anywhere in a rapidly changing world. We provide an American-based education with a global perspective that results in a love of learning, academic excellence, a balanced life, and service to others.
