IASAS SOCCER 2006

BANGKOK, THAILAND

OCTOBER 5-7, 2006

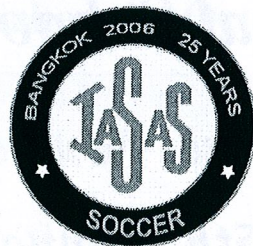

International School Bangkok

Welcomes you to the

25th Annual

LASAS Soccer Championships

HEAD OF SCHOOL'S WELCOME

On behalf of the ISB community, I welcome you to the 2006 IASAS Soccer Tournament. Athletes--the next several days are a well-earned reward for the hours of practice, effort, and conditioning you have dedicated to your teams. Coaches--we know these events are stressful times for you. But, please take a little time to celebrate the gifts you have given these athletes through your dedication and expertise. The learning that athletics offers young people is among the most powerful school experiences. Parents--this should be a celebration time for you as well. Of course you are worried about your student's performance. But think back to their awkward first steps as toddlers or the first time they tried to kick a ball. Now, marvel at the grace and energy they contribute to their team. We live among miracles.

Please enjoy our wonderful staff and facilities as we celebrate the 25th year of IASAS. We want this to be a memorable weekend for all of you.

Bill Gerritz
ISB Head of School

PRINCIPAL'S WELCOME

Dear Athletes, Coaches, and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare for our very own soccer 'world cup'. Perhaps more than any other sport, soccer truly is a world game as it is played almost everywhere and unites people like no other. It is probably its simplicity that makes soccer such a universal pursuit and one with such a long history. Various forms of the game with people kicking spherical objects (sometimes pig bladders or human heads!) into goals have been played for thousands of years.

Today's soccer has evolved considerably from the rather violent form played in Britain centuries ago. In England, King Edward III passed laws in 1331 to try and suppress football while in Scotland, King James I, in 1424, proclaimed in Parliament, "That na man play at the Fute-ball" (No man shall play football/soccer). Queen Elizabeth I of England, had a law passed which provided for soccer players to be "jailed for a week, and obliged to do penance in church." The Cambridge Rules adopted in 1848 prohibited tripping, shin-kicking, and carrying the ball, and paved the way for the development of rugby!

Soccer has become such a significant part of the fabric of society to the extent that for many it is the pinnacle of the week, the month and the year. Bill Shankly, the wily former manager at Liverpool FC once said, "Some people think football is a matter of life and death...I can assure them it is much more serious than that".

Thankfully, with respect to IASAS, the winning and losing is not taken that seriously. Far more important is the friendship, the camaraderie, the hard work, the learning, and the sportsmanship. So enjoy the tournament, have fun, try your hardest, make friends from other schools and countries, and find a quiet moment to reflect on what a wonderful opportunity this is.

Please find the time during the tournament to recognize those who make IASAS possible. Between games, a word of appreciation to Bob Connor and Harold Albert, our Athletics and Grounds staff, your coaches, your hosts, ISB's Booster Club, and the many faculty and parent volunteers will go a long way.

Best wishes to you all!

Yours in sport,

Andy Davies
