HEAD OF SCHOOL'S WELCOME

Dear IASAS Friends,

Sawadee Krup!

On behalf of everyone at ISB, I extend a very warm welcome to you all as ISB proudly hosts the 2022/23 IASAS Badminton and Golf competitions. We will do our very best to make you feel welcome and to provide the best possible facilities and support for the season ending tournaments.

Given the challenges of the pandemic, and particularly the disruption to IASAS competition, I know we are all greatly looking forward to witnessing Badminton and Golf again and to the resumption of old friendships and the development of new ones. Perhaps some of us took IASAS for granted, but the recent absence has shown what it means to us. Other IASAS tournaments and events this year have been packed with excitement and enjoyment following the Covid hiatus.

We hope that you enjoy your short stay at ISB and depart on Sunday knowing that you have given your best and formed many new friendships with participants at other IASAS schools.

We are incredibly fortunate to be involved in international education and we must take advantage of this wonderful opportunity to make friends from all over the world.

Graduates from IASAS schools tell us time and time again how friendships begun at IASAS tournaments are cemented a little later at college. IASAS represents an opportunity that most people can only dream of, and we must ensure that we embrace this moment to share our cultures, our athletic abilities, and our goodwill.

It takes the work of many people to host a successful IASAS and so please find the time to recognize those who contribute. Between events, please give a word of appreciation to the organizers, your coaches, the parents who have opened their houses to you, ISB's Booster Club, our school support staff, and the many student and faculty volunteers.

Again, we wish you all the best and look forward to a memorable IASAS at ISB. If there is anything we can do to help you, please let us know.

Sincerely,

Dr. Andy Davies
Head of School

HIGH SCHOOL PRINCIPAL'S WELCOME

On behalf of the ISB community, I would like to welcome you all to the 2022 IASAS Golf and Badminton tournament hosted here at our wonderful campus in Bangkok.

We are excited and thrilled to be able to host two athletic tournaments here at ISB and share our wonderful facilities and community spirit with the whole IASAS community once again.

IASAS tournaments provide great opportunities for our student-athletes to battle it out on the court or course while continuing to develop and extend the friendships and partnerships that our schools and athletes share. This tournament will continue that tradition and I encourage all of our participants and ISB athletes to make the most of this opportunity and make new friends, new connections and make your school proud of you.

Congratulations to our competing athletes who have spent many hours practicing, training, and playing in preparation for this tournament. The level of commitment shown by our athletes is high, but the rewards of representing your school at this level are also immense and something to be proud of. Be sure that you play hard, and fair and that you place a high value on sportsmanship in your actions both on and off the court or course..

I would like to extend my thanks to the coaches of each and every team for their collective efforts and hard work in preparing their student-athletes for the spirit of competition and for representing their schools with pride and in good spirits.

Parents, thank you for the support and for the encouragement that you have shown to your children in the lead up to and during the course of this competition. Do take a moment to celebrate their successes and their achievements regardless of the final result in the standings and be rightfully proud of them and their contributions to their teams.

As you enjoy the games and the hospitality from ISB, please take a moment to recognize and thank those that have made this IASAS event possible. A genuine and sincere thank you are in order for Chris Mott, Kelley McKenna, Khun Apple, Khun Boonsueb, Khun Thawit, Khun Ning and Khun Pop, our amazing building and grounds staff, the site directors, all of the coaches, the host families, ISB Booster Club and the many faculty and parent volunteers who willingly and selflessly contribute their time and energies to the smooth running of this event.

I very much look forward to cheering on the ISB Panthers in their battles against the Eagles, Bears Cats, Tigers, Dragons, and the other Panthers (from ISKL), but I will be sure to take a moment to recognize and enjoy the performances of all the athletes regardless of which school they represent.

Enjoy a great tournament.

Regards

Justin Alexander
High School Principal

BOOSTER CLUB PRESIDENT'S WELCOME

Welcome IASAS Families!

On behalf of the ISB Booster Club, we would also like to extend our welcome to you to the campus.

As the host school of the IASAS Golf and Badminton Tournaments, the ISB Booster Club looks forward to seeing you on campus, and we wish all the best to the student athletes. It is our hope that you will find all you need to ensure a comfortable and enjoyable stay while at ISB. Our Booster parents are happy to help.

During the tournament you can find us at the Booster Hut near the main cafeteria on Thursday and Friday, the Spirit Tent in the Breezeway near the gyms, or in the Parent's Hospitality Room located next to the Booster Hut near the main cafeteria on all three days of the tournament.

Please make sure to visit our table before the Opening Ceremony or stop by the Parent's Room to pick up your IASAS bag with a Campus Map and link to the Nonthaburi Guide to help you find your way around. We also welcome you to drop in to cool off, get some water or light refreshments, or just relax a bit between games.

We join all the faculty, staff and parents at ISB in congratulating all the athletes on the hard work and dedication to make it to this tournament and we'll be cheering everyone on for a fantastic three days of fun and sportsmanship.

Good luck!

Four-Year IASAS Recognition

Due to the COVID-19 pandemic, official IASAS sporting events did not take place from February of 2020 until April of 2022. To earn recognition as a 4-year IASAS participant, it is necessary to have participated in an official IASAS event (in-person or virtual) for 4 consecutive years, and given that this was not possible, IASAS athletic events will not be able to recognize 4-year participants for the next few years. Nonetheless, some IASAS schools were able to have normal seasons and were able to name IASAS teams, even though official events did not take place. With this in mind, IASAS encourages those schools to honor these 4-year IASAS selectees in their own season-ending awards ceremonies. The student-athletes listed below designated with a # are recognized as 4-year IASAS selectees.

I. RULES

A. Rule Book:

BWF (latest edition)

B. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 and #3. Number #1 ranking being the top player. Line-ups will be given to the Site Director at the start of each match, and cannot be changed during the match.
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
6.
 - a. The 8th player substitute will play Alternate (exhibition) matches. The 8th player may substitute into the tournament at any position if a player is unable to participate. No player can substitute during a match. No players can switch ranking once the tournament has started.
 - b. The 8th player will be eligible to play at any position as a "free switch" during the tournament. At such a switch the original player may only return to their original position. This free switch may occur as many as 3 times during the tournament. The alternate may switch/substitute with any position player before the start of any match. Example: 1st doubles Player A has a stomach ache, the coach sits him/her and sends the alternate to play in his/her place. Player A recovers the next morning and is ready to play, so the coach reinserts Player A into first doubles. This is considered a second free switch, thus the alternate player can switch one more time. This switch would be the third one and the alternate player would then have to complete the tournament in that position.
7. The tournament will be run on a round-robin format. In the round robin matches the first two games will be played first to 21 points (capped, no need to win by two points). The third game will also be to 21 points but must be won by two points with a cap of 30. The round-robin league standing of the teams will be determined by their win-loss record with all teams advancing to a post section play, see VIII. POST SECTION PLAY. In case of a tie following round-robin play, rules under IX. TIE BREAKER FOR LEAGUE STANDING will apply. The post section matches will be played as usual to 21 points (win by two points, cap of 30).
8. There will be a ten-minute warm-up before each match. To clarify, before the team matches at 8:00 AM, the teams are given five minutes across half of the courts on which they will be playing to warm-up with teammates from 7:50-7:55. Individual players will then report to the scorers' table to pick up their scorecards. They will then have five more minutes on the court to warm-up against their opponent from 7:55-8:00. Before the individual matches, players will have five minutes of shared warm-up time with their opponent on the court on which they will be playing.
9. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director. The official charged with overseeing the match will overturn or confirm a call if disputed/challenged by the opponent and if the official clearly saw the disputed shuttle.
10. Players must report to the main desk before the start of their match and immediately after the match to report the score.
11. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a walk over.
12. Coaches are not allowed to coach or provide any instruction other than encouragement to the athletes in-between points in any language. Coaches will be allowed to consult with their players for 60 seconds during each game when the leading scorer reaches 11 points, and between sets. Coaches will not be allowed within the vicinity of or on the courts for consultation unless there is no outside access. The location of the coaches' chairs (2 maximum) will be determined by the limits of the facility and the decision of the site director.
13. Order of play will be as follows:
 - a. #3 Singles
 - b. #2 Doubles
 - c. Alternates
 - d. #2 Singles
 - e. #1 Doubles
 - f. #1 Singles

Please note that whenever possible matches a, b and c should be played concurrently on three courts followed by matches d, e and f.

14. In the event of an injury during a match, only one 5-minute injury time for treatment will be allowed for the duration of that match to determine if the player can continue. The Site Director should monitor the situation.
15. The right to towel-off and/or drink during a match can only be initiated by the serving team.
16. When illegal serves are not contested by the opposing player, the coach of the opposing player is allowed to summon the official to the court for review. The official will inform the player of serving error(s) for player correction. This would be an exception to BWF rules and become an IASAS rule.

Golf

I. RULES

The tournament shall follow the rules of golf for stroke play and match play as determined by the United States Golf Association and the Royal and Ancient Rules of Golf with the exception of XI. Protests, which takes precedence.

II. RULE EXCEPTIONS

- A. Always hit a provisional ball if in doubt as to whether the original ball is out of bounds.
- B. In the event of a controversial lie, etc., if a marshal is not available to make a ruling, the player should hit a 2nd ball and score both. The committee can then later decide when the player finishes the round which of the two balls was played within the rules of golf.
- C. Shotgun start whenever possible.
- D. The committee will determine before the start of the tournament whether boys go off of blue or white tees, and whether girls go off red or white tees.
- E. In the event of B above and or any other rule infraction, dispute or score discrepancy, these must be rectified with a course marshal immediately or, if course marshal is not available, must be resolved prior to signing and submission of cards at the conclusion of the round.
- F. With regards to balls hit out of bounds, players can opt to use the PGA rule (OB ball can be dropped two club lengths from the edge of the fairway with a two stroke penalty) or any local club rule that may be in effect.

III. ROSTERS

Rosters (up to 6 boys and 6 girls) must be submitted two weeks prior to the tournament and include the following information:

- Name
- Grade
- Passport nationality
- Birth date
- Ranking (1 – 6 for establishing foursomes)
- Housing preferences/needs
- Allergies/Medical Issues

IV. SUBSTITUTIONS

There are no substitutes or alternates. All players are expected to play all three days. In the event of a player being unable to play due to sickness or injury, the team must take the best scores from a reduced squad on days 1 and 2, and forfeit one match play match on day 3 (see X. Tournament Scoring). If a player is unable to complete a round, the seeding of that player coming into the round will be used to determine their seed for the next day. The remainder of the players will be seeded based upon their scores/results of the day's round.

V. FACILITIES

Par 72 golf course is advisable, although par 70 or 71 is acceptable depending on availability of courses in the host school's area.

VI. UNIFORMS

Each team member will wear the team's golf shirt(s) during play throughout the event.

VII. SPECIAL EQUIPMENT

Students bring their own clubs, balls, and all equipment. Preference is to leave bags at venue overnight between rounds if possible. Scores will be posted by the host school near the clubhouse. Range finders/GPS watches may be used, but cell phones cannot be used during play.

VIII. OFFICIALS

The host school will supply a tournament director who will oversee the competition and settle any discrepancies. Whenever possible, the tournament director will consult with a committee consisting of the athletic director of the host school, the head coach of each team, and a home course pro or official if available for any rule interpretations, decisions on scoring, or changes in format due to weather or other conditions. Ultimate responsibility for any decision on breach/discrepancy/protest shall be made by the tournament director after consultation with the committee.

The club where the championship is being contested works with the tournament director to ensure that play is not too slow. Coaches are to marshal play on individual holes and make judgment calls on questionable rulings to the best of their ability, subject to review by the committee/tournament director. Questionable rulings must be dealt with before cards are submitted and signed.

IX. TOURNAMENT PROCEDURES

Day 1 foursomes will be arranged according to the matrix below using the rankings as submitted prior to the tournament and the letter assignments indicated in the Schedule Maker Pro. Following day 1, players are re-seeded within their own teams based on their gross scores from that round. Team allocations are also changed based on the team's day 1 standings: e.g. the 1st ranked team becomes A, the 2nd ranked team becomes B, etc. Foursomes are then made using the same matrix.

Group 1: A1 B1 C1 D1

Group 2: E1 F1 B2 C2

Group 3: D2 E2 F2 A2

Group 4: C3 D3 E3 F3

Group 5: A3 B3 D4 E4

Group 6: F4 A4 B4 C4

Group 7: E5 F5 A5 B5

Group 8: C5 D5 F6 A6

Group 9: B6 C6 D6 E6

Day 3 match play foursomes will be organized with the 5th/6th golfers going off together, then the 3rd/4th golfers, and finally the 1st/2nd golfers.

At the start of every day there must be a warm-up time of 30 minutes. Additionally, there also must be a full-group meeting at the golf course on day 1 and day 3 prior to commencing play.

Coaches should be allowed to coach. For all three days Green-to-Tee is the allowed coaching venue for technical comments.

X. TOURNAMENT SCORING

First two days: gross score of top four players each day is the team aggregate score. Different players can contribute each day. Gross scores after two days determine the team rankings for the day three match play.

A maximum number of ten strokes is allowed on each hole. A tenth shot in the hole should be marked with the number "10." In the event that a player is not in the hole after their tenth shot, they should then pick up their ball and mark "10X" on their scorecard. In the case of a tie between teams to determine seeding, the tie-breaking procedure is as follow:

(1) If two or more teams are tied, the team with the fewest number of 10X's on their scorecards amongst the top four golfers for the round(s) in question will be seeded higher.

(2) If teams are still tied after (1), then go to the scores of the fifth-ranked golfers. If the scores of the number five golfers still result in a tie, then the number of 10X's on those fifth ranked golfers will be counted and the team with the fewer 10X's will be seeded higher.

(3) If still tied after (2), then proceed to the sixth ranked golfers, and then if necessary, to the day 1 scores of the fifth and sixth ranked players in that order.

Day 3: Low teams 1 & 2 play for gold, teams 3 & 4 play for bronze, teams 5 & 6 play for placing only. Day three is match play with lowest gross scoring players from each team for the first two days in match play competition; second lowest playing each other, etc. 1 point for match play win; one-half point for a draw; 0 for a loss. All six matches count. Winner of the match is the team with most points on day 3. In case of a tie, the team with the lower ranking from days 1 & 2 will be declared the winner. Note: individual medals are based on low gross scoring for days 1 & 2 only (see XII. Awards below).

XI. PROTESTS

For disputed play or scoring, a decision is made with or without marshal's aid depending on availability of marshal (see II. Rule Exceptions); protests are settled at the end of the round by the committee before scores are made official. The tournament director will ensure a school AIC or adult assistant will ask each group as they collate their scorecards (before signing) at the end of each days play if there are any concerns surrounding rules or scoring that happened during the round. Once scorecards are signed and submitted no protest or requests for rule interpretation(s) or scoring adjustments will be entertained.

XII. AWARDS

The same awards are given to both Boys and Girls teams.

- . **Championship Team**
 1. IASAS Traveling Plaque
 2. IASAS Championship Plaque
 3. Team Members-Champion Chevrons (8)
 4. Gold Medal to each competitor (8)
- B. Runner-Up Team**
 1. Team Members-Runner-Up Chevrons (8)
 2. Silver medal to each competitor (8)
- C. Third Place Team**
 1. Bronze medal to each competitor (8)

- E.** Teams are not eligible to win team awards if they have an incomplete team i.e. 3 boys or 3 girls (FEWER THAN 4 GOLFERS) because they can't get an aggregate total for the first two days. Teams with 4 or 5 golfers must forfeit matches on day three for each missing golfer (if there are only 4 golfers on a team, match play matches 5 and 6 must be forfeited).
- F.** Best Individual Golfers: Top three finishers in boys and girls for stroke play days 1 and 2 receive medals; first through sixth place finishers for those first two days of play receive all tournament chevrons.

NOTE: When ties occur in an individual medal event, the medal award for a position will be made based on the number of places above the awardee. For example, if two competitors tie for first place, the next award would be the third place award. If two competitors tie for second place, the next award will be for fourth place.

All awards are to be distributed at the Closing Ceremony.

Total awards needed:

- Traveling trophy (1-boys, 1-girls)
- Team Plaque (1-boys, 1-girls)
- Individual medals (places 1-3 boys, 1-3 girls)

The Forty-Plus Years of IASAS: 1982-2022

IASAS, the Interscholastic Association of Southeast Asia Schools, began in the fall of 1982. The seeds of the organization, however, were planted long before that with sports competitions that were arranged between many of the international schools in the Southeast Asia region.

For example, Singapore American School (SAS) and International School Bangkok (ISB) participated in an annual, multi-sport event called the *Singapore-Bangkok Games*, which started in the spring of 1962. If you look into the history of athletics at your home school, you are sure to find instances when your school competed against another IASAS school prior to 1982.

In 1980, the International School of Kuala Lumpur (ISKL) asked to participate in this event, creating what then became known as the *Triangular Games*. It was around this time that the idea of forming an international school athletic conference began to develop.

It was probably at an EARCOS Conference in Hong Kong during the '81-'82 school year that the idea of forming IASAS became a reality. Primarily spear-headed by the Heads of School from ISKL, Gail Schoppert, SAS, Mel Kuhbander, and JIS, Everett Gould, there was a desire to create an international athletics conference in the region.

This organization was to be modeled after similar conferences that were active in South Asia, SAISA, which was familiar to some of these gentlemen, as well as the ISST Conference in Europe.

It wasn't too long after that that the Athletic Directors and other individuals from schools in the region met at the old Singapore American School campus on Kings Road tasked with creating the organization.

Participating in this meeting were Al Daniel and Dave Hagan from ISKL, K.S. Kasinathan and Dick Lewis from SAS, Derryl Franz from ISB, along with other participants from JIS.

The result, as we now know, was IASAS, which formally started in October of 1982 with four schools: JIS, SAS, ISKL and ISB. International School Manila (ISM) joined the conference the very next year, while Taipei American School (TAS) joined the group in 1986, creating the six-school conference that has flourished ever since. At the urging of SAS' Kuhbander and Lewis, a cultural component, the Cultural Convention, was also instituted that very first school year.

The conventions that first school year included soccer & volleyball (first tournament in Nov. of 1982 at ISKL), basketball & swimming (second event in Feb. of 1983 at SAS), softball & track and field (third IASAS March 1983 at JIS), as well as a cultural convention (first event in Apr 1983 at ISB).

Over the years, various activities were added to the agenda, and today the wide-ranging IASAS activities include:

- 1st Season: Cross-Country, Soccer, Volleyball
- Model United Nations and Cultural Convention Art/Film
- 2nd Season: Basketball, Rugby/Touch, Swimming, Tennis
- Math Contest & Chess [virtual, non-travel activities]
- Cultural Convention: Drama-Dance-Technology, Forensics-Debate, and Music
- 3rd Season: Badminton, Baseball/Softball, Track & Field, Golf

For everyone involved, students, coaches, administrators, parents and community members alike, IASAS is one of the most memorable times of any school year.

Now more than 40 years old and widely recognized as one of the premier international school activities and athletics conferences in the world, we can only thank those who came before and helped to create such a remarkable organization.

While in-person events were curtailed these past few school years due to the COVID-19 pandemic, we are certain that IASAS will continue to prosper for many more decades to come. With IASAS Volleyball/Cross Country in Bangkok and IASAS Soccer in Kuala Lumpur, we are excited that we can again begin to properly celebrate our great organization.
