WELCOME FROM THE HEAD OF SCHOOL

On behalf of the ISB community, I welcome you to the 2005 IASAS Tournaments for Volleyball and Cross Country. Athletes -- the next several days are a well-earned reward for the hours of practice, effort, and conditioning you have dedicated to your teams. Coaches -- we know these events are stressful times for you. But, please take a little time to celebrate the gifts you have given these athletes through your dedication and expertise. The learning that athletics offers our young people is among the most powerful school experiences. Parents -- this should be a celebration time for you as well. Of course, you are worried about your student's performance. But think back to their awkward first steps as toddlers or the first time they tried to throw a ball. Now, marvel at the grace and energy they contribute to their team. We live among miracles.

Please enjoy our wonderful staff and facilities. We want this to be a memorable weekend for all of you.

Bill Gerritz
ISB Head of School

WELCOME FROM THE HIGH SCHOOL PRINCIPAL

Dear Athletes, Coaches and Administrators,

On behalf of all of us at ISB, I would like to extend a very warm welcome to you as we prepare for our annual IASAS Volleyball and Cross Country competitions. This dual IASAS brings us all greater excitement and adds to the spirit of the weekend as athletes, coaches, and parents from both disciplines support each other.

I have been privileged to witness the last two competitions, at ISKL and TAS, and I am really looking forward to my third. Volleyball is always exciting as teams can come from behind at any stage to force a close result, with the agility and coordination of the players amazing to watch. Cross-Country sees athletes giving every last ounce of energy to reach their goals, and the finish line is often a real battle. Sometimes, Cross-Country should come with a health warning!

The spirit of IASAS always shines through and each time a tournament approaches I think about the magnificence of the occasion. We have schools from six countries, with students and teachers representing scores of nationalities, coming together to celebrate friendship, sportsmanship and athletic achievement. Now these are experiences that last a lifetime.

Rest assured that we will do our very best to ensure that the competitions go as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

Please find a moment to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

Enjoy the competitions and this beautiful country.

Sincerely,

Andy Davies
HS Principal

X. PROTEST

- A. First instance: the rulebook of the particular activity concerned will handle any protest or appeal. This would occur after an appeal to the official. Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event. (5/99).
- B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity i.e. Section director (e.g. Head Basketball Official, Forensics Tournament Manager, head Track and Field Official, etc.) must then make a decision.

The Section Director should make this decision with or without consultation of the coaches involved in that area. The Section Director is free to consult anyone he/she sees fit in helping to make a decision.

A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament/Convention Director.

- C. If "B" is appealed, the appeals procedure will continue as follows:

Further appeal can only occur with the approval of the Section Director. The appeal shall be in writing and shall be made within two hours of the posting of the decision being appealed. The appeal should be handed to the Section Director who in turn will add his own report and further comments and present the entire matter to the Convention Director.

If the Convention Director cannot or feels he/she cannot solve the situation; he/she should then call a meeting of the Activities Directors/ Administrators present at the convention. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Convention Director should get all the information he/she needs. This includes a formal meeting if necessary.

The Convention Director will then make the final decision that will be communicated in writing to all school representatives at the convention.

Rule number 167

Note: General Rules 140:5 and 141:1

IASAS EXCEPTIONS TO I.A.A.F. rules:

- Courses to be marked as clearly as possible, to replace (167:3b)
- In the interest of safety: a runner may be checked over by medical personnel during the course of the race, and is allowed to continue as long as the medical check does not improve the runner's forward progress in the race, to replace (167:7)
- Deviation from the designated course, whether deliberately or accidentally and gains an advantage of any description, to replace (141:4)
- Athletes may wear watches so long as they do not have a metronomic function. (10/02)

Additional rules not clarified in IAAF. Disqualification will occur if:

- A runner is paced by any person other than another competitor in the race
- A runner receives assistance throughout the course from anyone other than those services that are provided, by the host school for all competitors
In sections of a course that are narrow, the Tournament Director can designate an area, in which, a stated maximum number of team members can run abreast. This information must be shared with the coaches at the coaches meeting.

B. Meet Organization

- It is recommended that event organizers create a schedule that permits time for volleyball/soccer players to see the cross country race without compromising the overall integrity of the tournaments (10/04)
 - Teams must reach the IASAS host school by no later than 12:00 (noon) on Friday of the IASAS Convention. Those teams who cannot get a flight on Friday, allowing them to get there by noon, will have to take a flight on Thursday to ensure their presence on Friday, at the appropriate time
 - A lane draw (1-6) will be conducted at the pre-race meeting. (10/03)
 - The Opening Ceremony for Cross Country will be held on Friday
 - In an effort to familiarize themselves with the course and to possibly strategize for their run the following day: all teams will take a tour of the racecourse
 - The IASAS Championship Cross Country Race will be held on Saturday morning. There will be no walk through on Saturday morning prior to the race
 - A mixed (co-ed, inter-school) team competition will be run on Saturday afternoon with the aim developing camaraderie and spirit building. (5/00)
1. Whenever possible Cross Country is to be hosted at the same site as Volleyball (5/99)
 2. Friday's program will entail:
 - Opening Ceremony
 - Tour of Course
 - Photo Session
 3. Conventional Cross Country Meet
 - There will be 7 members to each team
 - Distance Girls-3200 meters
Boys-5000 meters
 - Each runner receives points equal to the position they finish, during the race
 - The team score is figured by tabulating the teams first five finishers' points. The lowest score wins.
 - In the event of a tie, the points from the two or more places directly following the previous finisher equal to the number of runners tied, will be divided by the number of participants involved in the tie (Example: tie for 3, 4, & 5 =12 divided by 3 = 4 points per runner)
 - Teams may compete with fewer than 7 runners, but they should be able to finish at least five runners. If the fifth runner is unable to finish the fifth score will be that equal to the next place following the final finisher in the race
 4. Saturday
The host school will organize the second event for Saturday afternoon as follows:
 - The format will be at the discretion of the host school;
 - The event will be fun, with mixed gender, mixed school, and be collaborative in nature;
 - No medals will be awarded for this event. Instead, souvenir participation awards will be developed and presented to each participant. Suggestions include: t-shirts, hats, bandanas, etc. (5/00)

III. FACILITIES

Whenever possible, the racetrack should be set on a grass course with as little road running as possible. This is to avoid conflict with traffic and to ensure air quality. Kilometer markers will be used on the course. (10/03)

IV. UNIFORMS

Each team member must wear the same uniform. The team uniform must be worn throughout the race. Attached to the uniform, must be the team assigned number for that runner. Numbers are assigned to the schools as follows:

IISB – 100’s	JIS – 200’s	ISKL – 300’s
IISM – 400’s	SAS – 500’s	TAS – 600’s

Each school will provide its own numbers.

V. OFFICIALS

The number and source of the officials is to be determined by the host school. Direction indicators and officials will be placed at intervals throughout the course and whenever deemed necessary for the safety of the runners.

VI. SCORING

Boys and Girls events will be scored separately. 1 point is given to first place, 2 points to second, and so on The scores of the first five finishers for each team will be added to determine the team’s score. The lowest score wins.

- Suggested scoring system:

* A self-adhesive sticker marked with school and number of the runner attached to runner’s shirt

*When a runner finishes, the sticker is removed and stuck to a chart indicating finish position. At the same time the athlete is given a card with their finishing position printed on it. Athletes give the card to their coach, who records the finishing positions and when all runners have finished, signs and turns in the score sheet. This is a double check on the scoring system.
