Badminton Championships

April 20-22, 2006
Kuala Lumpur

JIS SAS TAS ISM ISKL ISB

Very warm welcome to The International School of Kuala Lumpur and Malaysia!

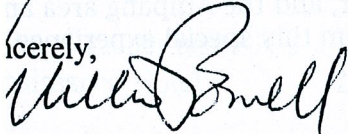

We are delighted to be hosting the IASAS Badminton Tournament this year and look forward to a very exciting competition. We also look forward to renewing friendships with athletes and coaches from our sister IASAS schools and forging new friendships that will literally span the South East Asia.

It is obvious to anyone who has attended an IASAS Tournament that the competition is characterized by a high degree of skill and an equally high degree of commitment. In other words, the standard of play is high. It is as it should be. What is a little less obvious is the high level of sportsmanship that also is present at IASAS events. In my mind it is the combination of skill and commitment and sportsmanship that makes IASAS the true Gold Standard!

I would like to take this opportunity to publicly thank Mr. Erik Richardson, ISKL's AD, Mr. Michael O'Shannassy, ISKL Assistant AD, all of the teachers and support staff that have been involved in the preparations and organization and, of course, all the ISKL parents who are hosting visiting athletes. Many, many thanks to one and all.

In closing, I wish all of you a wonderful tournament.

Sincerely,

William Powell
Headmaster

Dear IASAS Badminton Participant,

On behalf of the International School of Kuala Lumpur it is my pleasure to extend a warm welcome to all participants whether athlete, faculty, or spectator in this 9th Annual IASAS Badminton Tournament. The IASAS league has been going strong for nearly a quarter of a century and Badminton has been a major event for all of that time. Badminton is an interesting sport because it is particularly competitive in our region and because it provides the special opportunity for a player to excel alone in singles, as a member of a doubles pair, and as a member of the overall school team. Although IASAS is a relatively small league, the IASAS spirit of healthy competition evident in all the tournaments and events will challenge and drive each of you to achieve at your maximum level.

On behalf of the students, faculty, and parent community of the International School of Kuala Lumpur, I join the IASAS Community in saluting our student participants and we hope that each of you finds great benefit and joy from this event. An event of this complexity requires the help and support of a multitude of people from hosting student visitors and organization to participating in the event as a competitor. Our parent community has opened their homes to IASAS students and volunteered widely to ensure the success of this important event. Mr. Erik Richardson, Mr. Michael O'Shannassy, and an incredibly dedicated team of teachers and students have spent enormous amounts of time and energy organizing the tournament. Please take the time during the tournament to express your appreciation to them for their fine work on your behalf.

Once again, welcome to ISKL, Kuala Lumpur, and the Ampang area and we hope you enjoy being here and grow from this special experience.

Sincerely,

Alan Benson, High School Principal
