Selamat Datang Pada Acara IASAS Swimming

Dear Athletes, Coaches and Parents,

Welcome to Indonesia, Jakarta International School, and IASAS Swimming 2006.

The JIS community is pleased to host this year's tournament. With your cooperation and extra efforts, on and off the field, the tournament will be a success for all participants.

Having observed preparations, we know that the JIS Athletics Department, Varsity Council, Facilities Department, parents and others within the school community have devoted many hours to preparing for this tournament to ensure that you have a safe and positive experience throughout the event. In true IASAS fashion, the tournament has been well organized. We want to offer special thanks to Larry Borman, Cathy Jones, Marja & Peter Mollema and Gaye Applegate from Aquadragons, Taleb Shkoukani, Rachel Brady, Ashley Chudanov (Assistant Meet Directors) and Jay Park (Web Site), the Site Directors, the JIS Booster Club, and the many JIS students, faculty and parents assisting with the meet.

Almost one hundred and forty athletes are set to compete in the tournament. Add to this number all of the team coaches, program directors, organizers, field assistants and crew, student support teams, host families and spectators, and the total involved will exceed four hundred by Saturday evening.

It is our hope that all students participate actively in the tournament, exhibit good character and perform to the best of their abilities. Champions are not always those who leave the tournament with a trophy, but those who contribute unselfishly to their team and display learned skills and sportsmanship during the entire process. Attitude is everything. Let's support one another while striving to win.

May you leave IASAS Swimming 2006 knowing that you performed well and carry with you fond memories and friendships.

Please do not hesitate to call upon anyone at JIS for help during your stay in Jakarta.

Yours sincerely,

Bruce Leiper
High School Principal

Steve Clark
Athletics Director

Medical Procedures

For any medical emergencies or concerns, please follow the guidelines below:

- In case of injury or illness whether before, during or after an event, the Tournament Director or nurse should be notified.
- An injured athlete should not leave campus for any medical care without first consulting the nurse on duty. There is a nurse's office next to the Cilandak Pool during the tournament.
- The nurse will require coaches or AIC consent prior to providing medication to students.
- In case of an injury or illness off campus resulting in the need for assistance, students should call J.I.S. (if during the school day) to talk to one of the tournament officials. If it is after school hours, they should contact either their host families, or one of the tournament officials at their home as listed in the program.

I. RULES

A. Rule Book:

F.I.N.A. (latest edition):

IASAS Swimming abides by FINA rules with the exception of the False Start rule. In IASAS the First false start by any swimmer is charged to the entire field; any subsequent false start will result in a disqualification of the swimmer involved. (No voting necessary: this is a clarification of the False Start rule)

B. General Rules:

1. There will be preliminaries and finals in all events except the:
 - a. 400 m. individual medley;
 - b. 800 m. freestyle;
 - c. 4 x 100 m. medley relay; and
 - d. 4 x 100 m. freestyle relay
 - e. 4 x 50m. freestyle relay

For these exceptions there will be timed finals.

2. If, because of the small number of entries, heats are not required, then swimmers will automatically advance to the finals without preliminaries. If this should happen, then that final will be swum as a timed final.

II. ENTRIES

- A. Entries will be limited to four (4) entries per event per school for individual events, and one (1) entry per school per relay. All schools must send in their final entries one week (7 days) before the IASAS Meet, with the exception of relays.
- B. Swimmers may compete in up to five (5) events but not more than four (4) individual events.
- C. Entries for the first day's (Thursday's) events must be tabled at the swim coaches' meeting that precedes the meet proper. (This will normally be on the night before day 1 of the meet, i.e. Wednesday night). Entries for the Friday (day 2) and Saturday (day 3) events must be submitted to the meet director within thirty (30) minutes of the conclusion of the last final of the previous day.

- A. Entries made on Meet Manager, or compatible system, and confirmation of those entries must be sent back to each school with *no* indication of seeding (list the event and time only).
- B. No entries will be entered as a “no time-NT”.
- C. Coaches must submit the names for relay teams, with two alternates and a time, 30 minutes after the conclusion of the morning’s events. Times would be used for seeding, but not released by meet management to coaches. The final 4 names with time must be submitted at the start of the 15 minute warm-up preceding the event. Team names and times will be released to all coaches at that time.

III. SCRATCHES

If a swimmer scratches from any event, he/she may not swim in any event for the rest of the day.

IV. SEEDING

- A. Lanes for the preliminary rounds will be seeded according to times submitted and according to F.I.N.A. procedures.
- B. For the finals, swimmers will be assigned lanes according to the times swum in the heats, from the fastest to slowest, in this order:

	Fastest	Slowest
Lanes:	3 4 2	5 1 6

V. SCORING

The points for the team standing will be as follows:

	Individual Events	Relay Events
First Place	7 points	14 points
Second Place	5 points	10 points
Third Place	4 points	8 points
Fourth Place	3 points	6 points
Fifth Place	2 points	4 points
Sixth Place	1 points	2 points

VI. DISQUALIFICATION

- A. The athlete and coach must be notified of the disqualification with a full explanation immediately after he/she finishes the event, preferably while he/she is still in the water. A copy of the Disqualification Sheet should be given to the coach within 10 minutes after the heat and before the results have been posted.
- B. It is recommended that relay starts need dual confirmation for disqualification.
- C. No points or medals will be awarded for places lost to disqualifications.
- D.

VII. AWARDS

A. Championship Team:

- 1 IASAS Traveling Plaque
- 2 IASAS Championship Plaque
- 3 Team Members-Champion Chevrons (13)
Team medals are awarded to overall team tallies: First (Gold), Second (Silver), Third (Bronze)

B. Runner-up:

Team Members-Runner-up Chevrons (13)

C. Record Breaker Patches:

- 1 All individual record breakers
- 2 All members of record breaker relay teams
- 3 If a record is tied both record holders will share the title and receive the record breaker patch
- 4 The record holders should be listed in the Meet Records with the year each attained the record

Afternoon Warm-ups All 3 Days:

- A. Open warm-up 1 pm to 2:45 . Each school assigned a lane.
- B. There will be a 15 minute warm up before 400IM on day 1; medley relay on day 2; and freestyle relay on day 3.
- C. The Meet Director(s) may at their discretion, allow a warm-up after event 16 and event 24.
- D. This a recommended time schedule to serve as a guide only. Internal recovery time is to remain constant. If local conditions and school schedules permit, add an additional half hour to the lunch break.
