### General Comments:

Afternoon starting times are approximate. All matches move onto the next assigned court in the proper order of sequence.

Dear IASAS Participants and Coaches,

A very warm welcome to Malaysia and ISKL. We are delighted to be hosting the IASAS Tennis Tournament.

For just over twenty years IASAS athletes have been crisscrossing South East Asia to compete against each other, to challenge themselves physically and mentally and to build friendships that transcend schools, countries and cultures. Out of this twenty year history has emerged something that we now refer to as the "IASAS Spirit".

The IASAS Spirit includes the pursuit of personal excellence and a healthy regard for competition, but it is not limited to this. It also embraces the foundations of good sportsmanship and friendship.

It is in this spirit that I welcome you to ISKL and the IASAS Tennis Tournament.

I would like to take this opportunity to thank Mr. Erik Richardson, ISKL AD and Mr. Michael O'Shannassy, ISKL Assistant AD for all the many hours of planning and organization that have gone into this tournament. I would also like to thank all the ISKL families who are hosting traveling athletes. This too is very much in the IASAS Spirit.

Welcome to ISKL,

William Powell  
Head of School

Dear IASAS Tennis Participant,

On behalf of the International School of Kuala Lumpur it is my pleasure to extend a warm welcome to all participants whether athlete, faculty, or spectator in this year's IASAS Tennis Tournament. The IASAS league has been going strong for nearly a quarter of a century and Tennis has been a major event for all of that time. Tennis is an interesting sport because it provides the special opportunity for a player to excel alone in singles, as a member of a doubles pair, and as a member of the overall school team. Although, IASAS is a relatively small league, the IASAS spirit of healthy competition evident in all the tournaments and events will challenge and drive each of you to achieve at your maximum level. .

On behalf of the students, faculty, and parent community of the International School of Kuala Lumpur, I join the IASAS Community in saluting our student participants and we hope that each of you finds great benefit and joy from this event. An event of this complexity requires the help and support of a multitude of people from hosting student visitors and organization to participating in the event as a competitor. Our parent community has opened their homes to IASAS students and volunteered widely to ensure the success of this important event. Mr. Erik Richardson, Mr. Michael O'Shannassy, and an incredibly dedicated team of teachers and students have spent enormous amounts of time and energy organizing the tournament. Please take the time during the convention to express your appreciation to them for their fine work on your behalf.

Once again, welcome to ISKL, Kuala Lumpur, and the Ampang area and we hope you enjoy being here and grow from this special experience.

Sincerely,

Alan Benson, High School Principal

# Medical Procedures

In case of injury or illness- whether before, during, or after the matches- please notify the site director, tournament director, or school nurse. The nurse will be located at the main desk where the scores are posted.

An injured athlete should not leave campus for any medical care without first consulting the site or tournament director first and having communicated with the nurse on duty.

ISKL school nurses are only permitted to issue non-prescription medication.

In case of an injury or illness resulting outside of the tournament, students should call ISKL (during the school day) and talk to one of the school administrators. If it is after school hours, they should contact the tournament director immediately, as listed in the program. Also, notification to the host family should be made.

### I. RULES

#### A. Rule Book:

U.S.T.A. (latest edition):

#### B. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 & #3. Number #1 ranking being the top player.
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. A. The 8<sup>th</sup> player substitute will play exhibition matches. The 8<sup>th</sup> player may substitute into the tournament at any position if a player is unable to participate. If a player is replaced, they can take no further part in the tournament. No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all-tournament a player must participate in all five matches. (5/97)

B. That the tournament director should have the flexibility to schedule the 8<sup>th</sup> player matches to best suit the schedule and the needs of the tournament and should attempt to give the 8<sup>th</sup> player at least 3 matches. (5/99)

C. The 8<sup>th</sup> player will be eligible to play at either the #3 singles or the #2 doubles position, as a "free switch" during the tournament. At such a switch the original #3 singles or #2 doubles person would play in the Alternate match and the 8<sup>th</sup>

player will play in the new position. This free switch may occur as many as 3 times 2-3 times, in the previously mentioned positions, throughout the tournament. Only the originally designated 8<sup>th</sup> player is eligible to play in any of the 3 mentioned positions. If the original 8<sup>th</sup> person is used because of an injury, at any position, the "free switch" is no longer possible, since they must play in that position for the remainder of the tournament. (4/04)

D. The Alternate players' matches be changed to always be an eight game Pro-Set with a 7-7 tie break. (4/04)

6. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
  7. The tournament will be run on a round-robin format. The team will be determined by win-loss record. In case of tie following round-robin play, rules under VII. SCORING will apply. (5/94)
  8. There will be a 5-minute warm-up before each match. There will be no rest period after the 1<sup>st</sup> game of a set (but still change sides). The first rest period is after the 3<sup>rd</sup> game and also at the end of any set (including 6-4 etc.) (5/01)
  9. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director.
- A coach should advise other coaches and Site-Directors if a student on his or her team needs assistance with the rules. This notification should be made at the pre-tournament meeting or when ever the need arises. This player would then automatically be assisted by a tournament official throughout the tournament. (5/01)

## INTERSCHOLASTIC ASSOCIATION OF SOUTHEAST ASIA SCHOOLS

7.2

10. Players must report to the main desk before and immediately after the match to report the score.
11. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a walk over.
12. Coaches will be allowed to consult with their players during side-change. Coaches will not be allowed on the courts for consultation unless there is no outside access.
13. Order of play will be as follows:
  - #2 Doubles
  - #3 Singles
  - #2 Singles
  - #1 Doubles
  - #1 Singles
14. In the event of an injury during a match, a 5 minute injury time for treatment be allowed to determine if the player can continue. The Site Director should monitor the situation.
