WELCOME FROM THE HEAD OF SCHOOL

On behalf of the ISKL community, I take this opportunity to welcome all of the athletes, their coaches and visiting parents.

We are delighted to host the IASAS Volleyball and Cross-Country tournaments. It has been three years since ISKL hosted the IASAS volleyball and the cross-country tournaments. IASAS competition highlights the excellent fellowship and good sportsmanship that our school fosters and enjoys. We look forward to the next few days of exciting competition, and the opportunity to renew old friendships and make new ones.

Our entire school community has been busy attending to the many details that will make this year's volleyball and cross-country tournaments successful ones for all of the participants. Special recognition must go to John Smith, our Director of Athletics and Activities, and Erik Richardson, the Assistant AD, who along with many others have spent an enormous amount of time organizing these tournaments. These individuals deserve our gratitude and appreciation for their special efforts.

I would also like to take this opportunity to express my thanks to the ISKL parents who are hosting our visiting athletes.

ISKL is noted for its hospitality and friendliness, and you can rely on us to live up to that reputation during the forthcoming tournaments. If you have any questions or concerns, please do not hesitate to ask.

On behalf of the ISKL community, I extend to you our warmest welcome.

Principal's Welcome

Dear IASAS Athletes and Coaches,

Welcome to Kuala Lumpur, ISKL, and the 23rd Annual IASAS Volleyball and 9th Cross Country Tournament! This is a very exciting moment for us at ISKL and a great pleasure for ISKL to host this marvelous athletic event. The recent Olympics in Greece witnessed many wonderful volleyball and running events where we saw great courage and accomplishment. Similarly, the competition at any IASAS tournament is always high and we anticipate here moments of equal courage filled with moments of excellent teamwork and personal bests. During this tournament you will be challenged to the limit of your talent and abilities, you will make new friends across the region and, we hope, you will find the opportunity to excel both individually and as a team. We anticipate, as with the Olympics, that we will witness moments of excellence. Beyond winning or losing, this tournament offers the opportunity for you each to test yourself and your team for the skills you have developed over the season and focus your efforts to achieve beyond that of any individual player or runner. Winning will depend upon many factors; skill, endurance, perseverance, and teamwork but each of you will be a success if you do your best.

Please join me in expressing appreciation and gratitude to our Athletic/Activities Director and Assistant Athletic/Activities Director, Mr. John Smith and Mr. Erik Richardson, for their diligent efforts in making this tournament a success. Any IASAS tournament is a challenge to organize and run and thus we owe them and the many students, faculty, staff, and parents who supported them our thanks for their fine efforts.

Once more, we welcome you to ISKL and this year's IASAS Volleyball and Cross-Country Tournament. We look forward to exciting and interesting events. Best of luck to you all and have a great tournament.

 - b. The student will be sent home, if feasible.
 - c. The student will be excluded from all IASAS events or exchanges at ISKL or at other IASAS schools for 1 full year from the date of infraction, including the same tournament/convention the following school year.

3. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
4. Housing assignments may only be changed by a school's AD.
5. Daily curfews for all IASAS events will be determined by the host school. However, should an event finish later than one hour before the stated curfew, curfew will be extended until one hour after the conclusion of the event.
6. Coaches will telephone each student each night at the curfew hour to ensure all students have returned home safely and timely. Once a student has returned home and answered the curfew call, he/she may not leave the house.
