## *Thanks*

*TAS would like to thank the student artists whose work made this exhibition possible. We would also like to thank the community for supporting Visual Arts at TAS. The Art Directors and Delegates from the visiting schools have done an outstanding job in assembling this show in such an immediate fashion, and we wish to express our appreciation to them as well, and to our own team of students from the IASAS Art Committee who have given their own time to assist our department, we extend our thanks.*
