INTERNATIONAL SCHOOL OF KUALA LUMPUR

Dear IASAS Swimmers, Parents, Coaches and Sponsors:

Selamat Datang! Welcome to Malaysia and to the International School of Kuala Lumpur! We are delighted to be hosting this year's IASAS Swimming Tournament.

We look forward to this event with great excitement as it will provide an opportunity for some outstanding swimming competition and excellent sportsmanship. We also see it as an opportunity to renew old friendships and make new ones.

ISKL is a warm and friendly school. If you have a question or concern, please do not hesitate to ask any of our students or staff. Our Athletics Director, Mr. John Smith, our Assistant Athletics Director, Mr. Richardson, and their staff have been working tirelessly to make this IASAS event truly memorable. Our thanks go out to Mr. Smith and everyone who has worked behind the scenes in the planning and organization of this tournament.

I would like to add a special note of thanks to all the ISKL parents who are hosting visiting swimmers in their homes. Without your generous hospitality, events like this would not be possible.

In closing, I wish all of you a tremendous tournament.

William Powell
Head of School

Dear IASAS Athletes and Coaches,

Welcome to Kuala Lumpur and International School of Kuala Lumpur. It is our pleasure to host the 23rd annual IASAS swimming tournament. Swimming more than any other sport engages the athlete not only with other competitors but also directly with one of our natural elements. As a swimmer you have to overcome the efforts of other athletes in the pool as well as the resistance provided by the water. No other sport pitches its athletes against such dual opposition to such an extent. The combination of skills, strength, and endurance is tested to the extreme in the sport of swimming. For a swimmer to achieve a competitive standard many hours of practice, perseverance and determination are essential. Your representation at this tournament is indicative of your commitment to your sport of swimming and you are to be congratulated for being selected to represent your school. You are amongst a unique and elite group of athletes representing the other IASAS schools; we wish you well in your events and hope that you achieve your personal goals in your chosen sport of swimming.

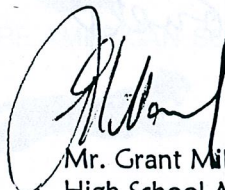

Hosting any IASAS sporting event is not only a great privilege but also the result of a lot of hard work by our Activities Department and the parents who offer their support in roles such as timekeepers, place judges, and marshals. Please take the time to acknowledge their efforts over the next couple of days whilst you are competing in this swim meet. We would also urge you to enjoy the general goodwill, spirit, mutual respect and friendship which are features of all IASAS competitions. Enjoy this unique opportunity to compete with students from across the region as well as the chance to experience the rich cultures of Malaysia.

We want to offer a special note of thanks and recognition to our Activities Director, Mr. John Smith, and the tournament director Mr. Erik Richardson for organizing this special event. We would also like to thank our coaches Mr. David Fausch, Mr. Goh, and Mrs. Meg Davis and for their energy, enthusiasm, and commitment to our swimmers.

Once again, welcome to I. S. K. L. and we hope your efforts are rewarded with success in the pool.

Good luck.

Dr. Alan Benson
High School Principal

Mr. Grant Millard
High School Assistant Principal

MEDICAL PROCEDURES

For any medical emergencies or concerns, please follow the guidelines below:

1. In case of injury or illness, whether before, during, or after a race, the tournament director, or school nurse should be notified. (The first aid station is located near the pool.)
2. An injured swimmer should not leave campus for any medical care without first consulting the tournament director and the nurse on duty.
2. The school nurses are not permitted to issue students any medication (not even aspirin) unless they are accompanied by their coach or trip administrator.
4. In case of an injury or illness off campus resulting in the need of assistance, students should call ISKL (if it is during the school day) to talk to one of the tournament officials. If it is after school hours, they should contact either their host family or one of the tournament officials at their home as listed in the program.

RULES AND GUIDELINES FOR PARTICIPATION IN IASAS EVENTS AND SCHOOL-SPONSORED ACTIVITIES

1. Use or possession of tobacco (including smokeless), alcohol, and/or drugs, flagrant curfew violations*, violent behavior, violations of "off-limits areas", cheating, deceit, as well as aiding and/or abetting in any of the listed offenses will not be permitted during any IASAS event. Penalties for infractions are as follows:
 - a. The student will be immediately suspended from further participation in the event.
 - b. The student will be sent home, if feasible.
 - c. The student will be excluded from all IASAS events or exchanges at ISKL or at other IASAS schools for 1 full year from the date of infraction, including the same tournament/convention the following school year.
 - d. The student will not be eligible to receive letters or awards for that activity. A violation will also preclude a student from receiving any other activity or athletic awards.
2. "Off-limits areas" include any establishments that sell alcoholic beverages or areas of a city otherwise designated as off limits by the host school.
3. Exploration of the local environment will not be permitted without the knowledge and consent of the host parent/guardian.
4. Housing assignments may only be changed by a school's AD.
5. Daily curfews for all IASAS events will be determined by the host school. All tournament/convention participants (hosting or visiting) must return to the host family's house before the stated curfew each night. However, should an event finish later than one hour before the stated curfew, curfew will be extended until one hour after the conclusion of the event.
6. Coaches will telephone each student each night at the curfew hour to ensure all students have returned home safely and timely. Once a student has returned home and answered the curfew call, he/she may not leave the house.
7. All laws of the host country must be observed. Guidelines are to be provided by host schools as required.
8. Any problems arising during the tournament/convention should be reported immediately to the host school for corrective measures.
9. All participants are required to attend all events officially affiliated with the tournament/convention, including special evening events.

For athletic/activity exchange participants, the penalties will also include removal from the team/group for the remainder of the season.

***The following set of criteria will be used to determine a flagrant curfew violation:**

 1. Evidence indicating student's lack of serious attempt to reach home by the stated curfew.
 2. The length of time the student was out beyond the curfew (1 hour or more).
 3. Whether the student was involved in deceptive action, such as leaving home after the curfew.
 4. Violations involving being in "off-limits areas", or the use of tobacco, alcohol, or drugs.
