# INTERNATIONAL SCHOOL MANILA

20 April 2005

IASAS Badminton Players and Supporters,

**MABUHAY!** Welcome to the 2005 IASAS Badminton Tournament. Congratulations on having been selected to represent your school in this sport. In a rich tradition of talented, high-achieving IASAS sportsmen and women, the entire ISM community is delighted to host this prestigious event, and we are pleased to have the opportunity to see the culmination of your weeks and months of preparation over the course of these next days.

Just as much as the competition, it is the opportunity that you will have to strengthen your friendships with your team mates and create new relationships with your fellow competitors that will mean so much. One famous coach once said: *"Winning isn't everything - it's the only thing."* He couldn't have been wrong. The impact of victory or defeat will fade away far more quickly than the memories of the people with whom you spend time during this tournament.

I should like to record my special thanks to all of those who helped in the organization and development of this program. To IASAS athletes, to the Athletics Director and his staff, badminton coaches, to the families who are cheering, and indeed, to all those who have helped in any way, please accept my appreciation for your endeavors.

With every best wish,

**DAVID TOZE**  
Superintendent
