台北美國學校

Dear IASAS Cross-country Volleyball Players, Runners and Families,

The Taipei American School community takes special pleasure in welcoming you to our school and to the Taipei community. I have no doubt that you will find the level of volleyball play to be the finest that you've ever experienced, and cross-country will offer a great run and vista. For our part, we will be working hard to make this a terrific time for you and a lasting memory.

The IASAS Competition always gathers some of the finest people one would wish to meet. I trust we will all be caught up in the notion of mutual support, honoring one another, and reveling in the demonstrated talent everyone brings to Taipei. Our cross-country course may be one of the most challenging and our volleyball venues are some of the best in IASAS, hopefully allowing your team to record your best performance ever. Once again, we are pleased to have you with us and proud to sponsor this Fall 2003 IASAS Competition.

I do want to offer special thanks to our Athletic Director, Ms. Sue Niemi. Our Activities Director Kathy Cutler (also the women's volleyball coach) and Anna Davis (the women's assistant coach), Brian Tobey and Robert Armstrong (boys volleyball coach and assistant coach), Eric Kriekhaus and Julie Strait (cross-country coach and assistant coach) and other TAS faculty who have worked hard to make this tournament the very best it can be for you. I'm also grateful to the Taipei American School PTA and parents who are hosting you as visitors in their homes.

I know you will find many reasons to celebrate each other during the time that you spend with us here at the Taipei American School.

All good wishes,

Mark E. Ulfers  
Superintendent

*The Taipei American School is a multicultural community rich in the traditions of East and West. Our mission is to educate each student to be a confident, creative, and moral individual prepared to succeed anywhere in a rapidly changing world by providing a challenging American-based program with an international perspective, that fosters a balanced life, academic excellence, and a love of learning.*

*Dear IASAS Athletes, Coaches, and Guests,*

Welcome to Taiwan and Taipei American School. It is our pleasure to host the 22<sup>nd</sup> Annual IASAS Volleyball Tournament and the 8<sup>th</sup> Annual Cross Country Tournament. Each of these tournaments is unique in its own right. Spiking, serving, digging, and setting are all facets of volleyball that require precision and accuracy. Hard hitting serves and spikes raise the players' level of intensity, test the limits of endurance, and challenge teams to keep the ball in play. In Cross Country, winners of a race may be separated by a few seconds as runners lean toward the tape. Look no further than the Men's 10,000 Meter run in the Sydney 2000 Olympics for evidence of a mad dash toward the finish by Gebreselassie of Ethiopia and Tergat of Kenya. After completing sub-three minute kilometers for six miles, a photo finish determined the winner.

Aside from the exciting brand of play, I would be remiss if I did not remind you of the general goodwill, upbeat spirit, mutual respect, and overall support permeating throughout the tournament. Making friends, visiting a different country, and boarding with a new family are just some of the highlights of the 2003 IASAS Volleyball and Cross Country competition.

I want to offer a special note of thanks and recognition to our Athletic Director, Ms. Sue Niemi and her Associate Kathy Cutler (also our Girls Volleyball coach), Brian Tobey (Boys Volleyball coach), Eric Kriekhaus and Julie Strait (Cross Country coaches) and other TAS faculty for instilling a genuine love for their respective sports in their student-athletes.

Once again, welcome to TAS. We hope you reap the rewards befitting of your performance.

Yours in sport,

Dr. Eric Sands,

## *Medical Procedures*

*For any medical emergencies or concerns, please follow the guidelines below:*

- 1. In case of injury or illness, whether before, during or after the competition, the site director, tournament director, or school nurse should be notified.*
- 2. An injured player should not leave campus for any medical care without first consulting the site director and nurse on duty.*
- 3. The school nurses are not permitted to issue students any medication (not even aspirin) unless they are accompanied by their coach or trip administrator.*
- 4. In case of an injury, or illness off campus resulting in the need of assistance, students should call TAS (if it is during the school day) to talk to one of the tournament officials. If it is after school hours, they should contact either their host families or one of the tournament officials at their homes as listed in the program.*
