INTERNATIONAL SCHOOL MANILA

13 October 2003

Dear IASAS Soccer Players and Supporters,

MABUHAY! Welcome to the 2003 IASAS Soccer Tournament. Congratulations on having been selected to represent your school in this sport. You join a rich tradition of talented, high-achieving IASAS sportsmen and women. The entire ISM community is delighted to host this prestigious event, and we are thrilled to have the opportunity to see the culmination of your weeks and months of preparation over the course of these next days.

Just as much as the competition, it is the opportunity that you will have to strengthen your friendships with your team mates and create new relationships with your fellow competitors that will mean so much. One famous coach once remarked: *"Winning isn't everything - it's the only thing."* He couldn't have been more wrong. The impact of victory or defeat will fade away far more quickly than the memories of the people with whom you spend time during this tournament.

I should like to record my special thanks to all of those who helped in the organization and development of this program. To IASAS athletes, to the Athletics Director and his staff, to soccer coaches, to the families who are hosting, and indeed, to all those who have helped in any way, please accept my appreciation for your endeavors.

With every best wish,

DAVID TOZE
Superintendent

INTERNATIONAL SCHOOL MANILA

Mabuhay! Athletes, Coaches, Guests! Welcome to the Philippines, ISM Campus, and to the IASAS Soccer Tournament! International School Manila is pleased to host for the first time this prestigious tournament at our new home in Fort Bonifacio. Our organizers have done their utmost to assure that the event is a safe and memorable experience for all of us.

At International School Manila we are aware and appreciative of the positive impact IASAS tournaments have on the host school. It is with the new facilities that ISM can now host more IASAS's events. These events have a wonderful way of pulling our community, school and students closer together and develop relationships among the players and coaches from the IASAS schools. The relationships, sometimes enduring as lifetime friendships, are critical to the success of all IASAS events.

The IASAS Soccer Tournament will focus on the value of athletic competition, and the school spirit can blossom as the participants from each school work together and experience the thrill of victory, the agony of defeat, and the breath of understanding acquired from winning and losing gracefully. Difficult as it sometimes is to accept that fact, we grow immeasurably from the experiences of winning and losing.

To each of you as an individual, as a member of your team, and as a representative of your school, my hope is that during the coming tournament you will be the best you can be. Win or lose, if you reach that level of performance you can ask for no more, for you will have done your very best. Enjoy the tournament, our campus, and the hospitality of International School Manila.

Sincerely,

Anthony T. Blenke
High School Principal

B. Ground Rules:

The Tournament will be governed by ground rules as instituted by the host school.

C. The official ball is the Brine NCAA (10/02) D. Yellow Card:

A yellow card is the final warning for a player. Any further infringement by the player will be indicated by a "red card". Any player who is shown two yellow cards during the tournament will automatically be suspended for the next game and will be ineligible for all-tournament selection. (5/94)

E. Red Card:

1. Any player penalized with a "red card" will be evicted for that game and also miss the next game and will be ineligible for all tournament selection. No substitutes will be allowed for penalized players.
2. If a goalkeeper is shown a red card, a substitute from the bench may come in for the goalkeeper. A field player must then come off, leaving the team to play with 10 players. (10/00)

NOTE: The site directors must keep a tally of yellow/red cards received and will inform coaches when a player becomes ineligible. (5/99)

3. If the referee invites, or asks that, a player be removed from the field due to injury, both teams are allowed to make a substitution at that time. (10/00)

- B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity i.e. Section Director (e.g. Head Basketball Official, Forensics Tournament Manager, Head Track and Field Official, etc.) must then make a decision. The Section Director should make this decision with or without consultation of the coaches involved in that area. The Section Director is free to consult anyone he/she sees fit in helping to make a decision. A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament/Convention Director.
- C. If "B" is appealed, the appeals procedure will continue as follows:
Further appeal can only occur with the approval of the Section Director. The appeal

shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Section Director who in turn will add his own report and further comments and present the entire matter to the Convention Director.

If the Convention Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Activities Directors/Administrators present at the convention. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Convention Director should get all the information he/she needs. This includes a formal meeting if necessary.

WELCOME TO STAIRWAY FOUNDATION INC.
A LEARNING AND RESOURCE CENTER FOR STREET CHILDREN

www.stairwayfoundation.org

Stairway Foundation Inc. (SFI) is a non-profit, non-government child care institution licensed and accredited by the Philippine Government. The Foundation was established in 1993 with the assistance from Danish International Development Assistance (DANIDA). The founders of the program, who financed the initial developments and the first years of operation, are still part of the daily operation of the center.

Vision

The vision is to see all children realize their abilities, hopes and dreams in a society which will respect and protect their rights as human beings and will hold equality, justice, spirituality, health, education, family, community and the environment as the guiding values and principles for all development.

Our Purpose

Stairway works for the promotion and the upholding of children's rights in accordance with the United Nations' Convention on the Rights of the Child. The approach is through a range of programs, which fall under the categories of advocacy, capacity building and service. Stairway Foundations' residential program offers therapy and education for particularly disadvantaged street children and children with serious health problems, such as tuberculosis.

Rehabilitation

At Stairway's residential center we work with marginalized street children and youth from Manila. They are beggars, scavengers, prostitutes, solvent users, drug addicts, sexually abused children, youth offenders and children with serious health problems.

As children stay longer on the streets, they immerse deeper into its' subculture. Their problems take another dimension and become even more urgent and complicated. Innovative programs are needed to break the contact between the child and the streets and to facilitate the process of rehabilitation and education, which is necessary to successfully reintegrate the child back into society.

Stairway's recovery and rehabilitation program helps street children to lead safe, healthy and productive lives in a natural, stimulating and creative environment. With a continuous line of activities, emphasizing nature exposure and the arts and crafts, the children develop new values and skills, which consequently heighten their self-esteem and confidence.

Residential program

For our residential care program we provided 24 hours services to 32 youth. All underwent art therapy, non-formal or formal schooling, skills trainings, CRC and Child Sexual Abuse Prevention Education, counseling and spiritual formation.

Creative Advocacy

Advocacy is not the most tangible vehicle to help the millions of children living on the streets under extremely difficult circumstances. It is, however, only through advocacy that we can mobilize the force of public opinion, which is needed to make a change in the social and economic structures that are largely to blame for the massive violations of children's rights.

Stairway uses the arts as a means to confront, debate and to campaign the issues of marginalized children and youth around the world.
