WELCOME FROM THE HEAD OF SCHOOL

Dear IASAS Basketball Athletes, Parents, Coaches and Sponsors:

Selamat Datang! Welcome to Malaysia and to the International School of Kuala Lumpur! We are delighted to be hosting this year's IASAS Basketball Tournament.

We look forward to this event with great excitement as it will provide an opportunity for some outstanding basketball competition and excellent sportsmanship. We also see it as an opportunity to renew old friendships and make new ones.

ISKL is a warm and friendly school. If you have a question or concern, please do not hesitate to ask any of our students or staff. Our Athletics Director, Mr. John Smith, and his staff have been working tirelessly to make this IASAS event truly memorable. Our thanks to go out to Mr. Smith and everyone who has worked behind the scenes in the planning and organization of this tournament.

I would like to add a special note of thanks to all the ISKL parents who are hosting visiting athletes in their homes. Without your generous hospitality, events like this would not be possible.

In closing, I wish all of you a tremendous tournament.

William Powell
Head of School

PRINCIPAL 'S WELCOME

Dear IASAS Athletes and Coaches,

Welcome to Kuala Lumpur, ISKL, and the IASAS Basketball Tournament! It is a distinct pleasure and singular honor for our school to host this fine event. Although the competition at any IASAS tournament is always high, the atmosphere of sportsmanship and fair play permeates all play and are far more important than winning or losing. During this tournament, you will be challenged to the limit of your talent and abilities, you will make new friends across the region and, we hope, you will find the opportunity to excel both individually and as a team. Basketball is one of the premier sports in the world today and certainly some of you will achieve moments of excellence. This tournament offers the opportunity for you each to test the skills you have developed over the season and focus your team to achieve beyond that of any individual player. Winning will depend on many factors; skill, endurance, perseverance, and teamwork but each of you will be a success if you do your best.

Please join me in expressing appreciation to our Athletic/Activities Director, Mr. John Smith, for his diligent efforts in making this tournament a success and also to our tournament director, Mr. Erik Richardson, for organizing this challenging tournament. Our appreciation also goes to our ISKL coaches who are likewise central to establishing the positive atmosphere of this tournament and for working with the ISKL teams who will compete this year. These coaches are: Mr. Rick Bisset, Mr. Paul Andersen, , Mr. Laurence Myers, and Mr. Russell Long.

Once more, welcome to ISKL and this year's IASAS Basketball Tournament. We look forward to exciting and interesting play.

Best of luck to you all.

MEDICAL PROCEDURES

For any medical emergencies or concerns, please follow the guidelines below:

1. *In case of injury or illness, whether before, during, or after a game, the tournament director, or school nurse should be notified. (The medical personal will be situated at the Ampang and Melawati gyms).*
2. *An injured player should not leave campus for any medical care without first consulting the tournament director and the nurse on duty.*
3. *The school nurses are not permitted to issue students any medication (not even aspirin) unless they are accompanied by their coach or trip administrator.*
4. *In case of an injury or illness off campus resulting in the need of assistance, students should call ISKL (if it is during the school day) to talk to one of the tournament officials. If it is after school hours, they should contact either their host family or one of the tournament officials at their home as listed in the program.*
