January 27 - 29

Dear IASAS Athletes and Coaches,

Welcome to ISB and Thailand, the Land of Smiles! It is my hope that we will be able to provide you with a memorable competition and an opportunity to develop lasting friendships. Perhaps you will even find the time to experience the very rich and diverse culture of our host country.

While tennis was not part of the initial IASAS schedule of tournaments, this year's competition marks the 21st annual event. Tennis is truly an international game, played throughout the world so it is very fitting that the sport should be an integral part of IASAS with its commitment to promoting international athletics and culture among our student bodies.

ISB is delighted to be hosting tennis this year and we will do our very best to ensure that the competition goes as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

Please find a moment throughout this event to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

For IASAS tennis athletes, we hope that you appreciate the wonderful opportunity that IASAS gives to each and every one of you. We ask you to savor the moment and enjoy yourselves to the fullest in the true IASAS spirit.

All the best!

Andy Davies
High School Principal

IASAS TENNIS RULES

I. RULES

A. Rule Book: U.S.T.A. (latest edition):

B. Meet Rules:

1. Each school fields one boys' team and one girls' team.
2. On each team 3 members will play singles and 4 will play doubles.
3. Players must be ranked according to ability for singles and doubles #1, #2 & #3. Number #1 ranking being the top player.
4. The #1 ranked players from each school will play each other, the #2 ranked players will play each other, and the #3 ranked players will play each other, in the round robin. Once a player or double team has been assigned a ranking, he/she cannot change ranking during the tournament.
5. A. The 8th player substitute will play exhibition matches. The 8th player may substitute into the tournament at any position if a player is unable to participate. If a player is replaced, they can take no further part in the tournament. No player can substitute during a match. No players can switch ranking once the tournament has started. To qualify for all tournament a player must participate in all five matches. (5/97)
B. That the tournament director should have the flexibility to schedule the 8th player matches to best suit the schedule and the needs of the tournament and should attempt to give the 8th player at least 3 matches. (5/99)
C. The 8th player will be eligible to play at either the #3 singles or the #2 doubles position, as a 'free switch' during the tournament. At such a switch the original #3 singles or #2 doubles person would play in the Alternate match and the 8th player will play in the new position. This free switch may occur as many as 3 times 2-3 times, in the previously mentioned positions, throughout the tournament. Only the originally designated 8th player is eligible to play in any of the 3 mentioned positions. If the original 8th person is used because of any injury, at any position, the "free switch" is no longer possible, since they must play in that position for the remainder of the tournament. (4/04)
D. The Alternate players' matches be changed to always be an eight game Pro-Set with a 7-7 tie break. (4/04)
6. Each team match will consist of 3 singles and 2 doubles, with the winning team decided by the best of 5 matches. All matches must be played.
7. The tournament will be run on a round-robin format. The team will be determined by win-loss record. In case of tie following round-robin play, rule under VII. SCORING will apply. (5/94)
8. There will be a 5-minute warm-up before each match. There will be no rest period after the 1st game of a set (but still change side). The first rest period is after the 3rd game and also at the end of any set (including 6-4 etc.) (5/01)
9. Players will call their own lines and keep score. A player can request an official to assist with calling the lines if he/she believes that there is a need. Players make that request to their coach who will then confer with the Site Director.
A coach should advise other coaches and Site-Directors if a student on his or her team needs assistance with the rules. This notification should be made at the pre-tournament meeting or whenever the need arises. This player would then automatically be assisted by a tournament official throughout the tournament. (5/01)
10. Players must report to the main desk before and immediately after the match to report the score.
11. A player reporting more than fifteen (15) minutes after the scheduled match time will be declared a walk over.
12. Coaches will be allowed to consult with their players during side-change. Coaches will not be allowed on the courts for consultation unless there is no outside access.
13. Order of play will be as follows:
#2 Doubles, #3 Singles, #2 Singles, #1 Doubles, #1 Singles
14. In the event of any injury during a match, a 5 minute injury time for treatment be allowed to determine if the player can continue. The Site Director should monitor the situation.

II. UNIFORMS

Each member of the team will wear the same uniform. The team uniform must be worn for the entire match. Shorts or skirts must be of the same color and appropriate for tennis. No tank tops are allowed. (5/93)

III. SCORING

All boys' and girls' events will be scored separately. All matches will consist of the best of 3 full sets. (That is, the first to win 2 sets is the winner.) Should the game score in a set be tied at 6-6, then a twelve point tie breaker will be played. This means that the first to reach 7 points wins. If there is a 6-6 tie, then play will continue until either player gains a two point advantage.

If there are significant delays due to weather or other conditions at any time during the tournament, the Tournament Director may make the decision to change individual match scoring as follows:

1. Matches will be played with 'No Ad Scoring'
2. If a match is tied at one-one after two sets, the winner of the match will be determined by playing a 12 point tie-breaker. (10/00)
3. Matches will consist of one 10-game or if necessary 8-game "Pro-Set". The first player to win 10/8 games will win the match, but the player must win by a margin of two games over his or her opponent. Should the game score in the "Pro-Set" be tied at 10-10/8-8, then a regular twelve point tie-breaker will be played to determine the match winner.

Any category match (e.g. 1st singles v 1st Singles) started must be completed under the same scoring format as it began. (5/98)

The team champion will be determined by the team win-loss record. Should the competition end in a tie, the following criteria will be used to determine the winner:

- A. Result of match between teams (if two teams are tied).
- B. Number of individual matches won/lost (by all positions on the team) between tied teams.
- C. Total number of sets won between the tied teams, provided that all tied teams only played "Pro-Set" or 3-set matches. If there is a combination of the two formats refer to E.
- D. Total number of games won between the tied teams, provided that all tied teams only played "Pro-Set" or 3-set matches. If there is a combination of the two formats refer to E.
- E. Calculate % wins.
Divide the number of wins by the number of games played (between tied teams) X 100 e.g.
A beats B 6-2, 4-4 = 12 out of 18 = 67%
B beats C 8-2, = 8 out of 10 = 80%
C beats A 6-1, 6-3 = 12 out of 16 = 75%
(5/98)

II. AWARDS

- A. Championship Team: (5/97)
 1. IASAS Traveling Plaque
 2. IASAS Championship Plaque
 3. TEam Members - Champion Chevrons (9)
 4. Team Members - Gold Medals (9)
- B. Runner-up: (5/97)
 1. Team Members - Runner-up Chevrons (9)
 2. Team Members - Silver Medals (9)
- C. Third Place: (5/97)
Team Members - Bronze Medals (9)
- D. All-Tournament:
 1. The fourteen All-Tournament players will receive All-Tournament chevrons. This will be determined based on the round-robin play.
 2. A player may be excluded from all-tournament selection if the majority of coaches (either Girls coaches or Boys coaches) feel that a particular player exhibited un-sportsmanlike behavior during the tournament. The runner-up would then receive the all-tournament selection. (5/01)
