7th Annual IASAS Badminton

April 22-24, 2004
Bangkok - Thailand

แบดมินตัน

Dear IASAS Athletes and Coaches,

Welcome to ISB and the Land of Smiles! I hope that we will be able to provide you with a memorable competition, an opportunity to build lasting friendships, and a glimpse at the very rich and diverse culture of our host country.

Although Badminton is very new to IASAS (and indeed the Olympics), it has a surprisingly long history and its origins date back at least two thousand years to the game of battledore and shuttlecock played in ancient Greece, India and China. Today, badminton is truly an international game, played in 142 countries, so it is very fitting that the sport should join the IASAS family with its commitment to promoting international athletics and culture among our student bodies.

Today's game of badminton is far from the sedentary pursuit enjoyed by British gentry at Badminton House in the mid-nineteenth century. The sport gained its name from the residence of the Duke of Beauford, after the game "Poona" became popular with British army officers stationed in India. Badminton is now played by remarkable athletes who combine agility, speed, and guile in an effort to outplay their opponents. As an example of the speed of the modern game, the fastest smash recorded was clocked at 260 kilometers per hour.

ISB is delighted to be hosting badminton this year and we will do our very best to ensure that the competition goes as smoothly as possible. You will find that ISB, like its host country Thailand, is a very welcoming place and that the people here are very willing to help you in any way possible.

Please find a moment throughout this event to thank the many people who make such events possible, including your coaches, your host families, your parents, faculty volunteers, custodians, and the many talented people in the six IASAS athletics offices.

For IASAS badminton athletes, this competition has been a long time coming with the unfortunate intervention of SARS last year. After such a long wait, we ask you to savor the moment and enjoy yourselves to the fullest in the true IASAS spirit.

All the best!

Andy Davies
