April 22, 2004

When thinking of softball or baseball, I remember the image of James Earl Jones in the movie *"Field of Dreams"* where he offers the commentary that "Baseball represents all that is good".

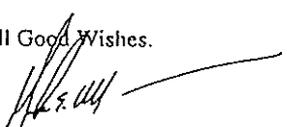

I also remember a eulogy that was delivered by television commentator Bob Costas on behalf of Mickey Mantle who was one of the greatest that ever played the game. Mr. Costas stated that Mickey Mantle's fondest wish was that he be remembered as a great team mate. Mickey Mantle was a team player who was seen by anyone in the stands as someone who loved the game, was entirely excited by playing, and was one who always ran out a "sure out" he hit into the infield. He was a power-hitter who could also brag having the largest number of strikeouts during the World Series. Yet, for many years Mickey Mantle's face could be seen on a box of Wheaties breakfast cereal, very much a baseball hero. What defined him was the belief that his first responsibility resided with contributing to the team.

Of course we at the Taipei American School can only hope that in joining us this weekend you will experience the same love of the game. Whatever position you play and order in the batting line-up, all of us in the TAS community want you to have an exceptional experience in the coming days.

On behalf of our school community - with a special thanks to all the coaches, our TAS parents who are hosting you, our Parent Teacher Association who are always with us and support, Sue Niemi our Athletic Director and Kathy Cutler, our Activities Director - please accept my sincere welcome. We will do our very best to make this a great weekend for building relationships across IASAS schools. Be sure to cheer for each other and don't forget to say thanks to those who have helped to bring you to TAS for this fine weekend together.

Baseball does represent all that is good and what is so special must surely include the idea of your team working together and loving the game. A commitment to giving all you can to your team has everything to do with what's good about the game. Above all, enjoy each other.

All Good Wishes.

Mark E. Ulfers
Superintendent

The Taipei American School is a multicultural community rich in the traditions of East and West. Our mission is to educate each student to be a confident, creative, and

Dear Athletes and Coaches,

Taipei American School is pleased to be hosting the 21st Annual IASAS Softball Championships. We are anticipating another exciting tournament over the three day period; we expect our community will support the tournament with their presence as well as being generous hosts for IASAS student-athletes. There are few moments in sports that equal the beauty of a player lunging for a bullet line drive with 'eyes' or outfielders leaping at the fence to pluck a potential home run from their opponents.

These examples of model play in softball are only equaled by the cacophony of sounds embracing the field during play: coaches yelling instructions to their players, fans encouraging their team to step up their level of performance, and the 'thwack' of ball hitting bat or glove. Indeed, softball is a sport that is not only exciting to watch, but it welcomes fan participation.

While our school welcomes our five IASAS sister schools, we laud the efforts of our coaches, Mr. Dave Farmer, Mr. Bob Ferran, Mr. Bob Penry, and Mr. Robb Sloan. Our Athletic and Activities Office under the capable direction of Ms. Sue Niemi and Ms. Kathy Cutler have worked 'extra innings' in preparation for this tournament and our support staff, Mr. Steven Tsao and Sherry Liang have worked on logistical support both on and off the field of play. If you have a chance to thank them for their efforts during the tournament, please do so.

If you are not engaged in any tournament action, the Tien Mu neighborhood has all the conveniences you require, and we hope you can take advantage of our local fare while you are staying in Taipei. Above all, have a wonderful tournament and enjoy the IASAS spirit of competition among friends.

Yours in sport,

Eric Sands
Upper School Principal

IASAS Softball Rules

I. Rules:

A. Rule Book:

A.S.A.(American Softball Association Slowpitch.)

B. Ground Rules:

The Tournament will be governed by ground rules as instituted by the host school. It is however recommended that tournament Directors allow 1 hour and forty five minutes per game when scheduling the tournament(5/00)

C. General Rules:

- 1. The official ball used for the boys will be the restricted flight, Dudley Thunder Red Heat.*
- 2. Non-restricted Flight 11-inch Balls will be used for girls.(5/97)*
- 3. The team designated as "hometeam" in the finals will be the team with the highest raking after the round robin including the mini series if one is necessary. In the case of identical records, head to head will determine the home team. If they have not played, a coin toss will decide.*
- 4. The dimension of the field for the boys' tournament, when possible will meet the ASA rules of a 275/300 range.(5/99)*
- 5. Titanium bats are banned for the IASAS Softball Tournaments in accordance with ASA Rules(5/98)*
- 6. Teams must play all five rounds of the Round Robin even if the last game is a repeat of the Championship Game (5/00).*

II. Rule Exceptions

- A. A team may play with a minimum of nine(9) players instead of ten (10) players before forfeiting the game.*
- B. A game will be called when the home team has a 15 run lead after 4 1/2 innings with the home team coming to bat (5/00)*
- C. A pitching strike zone mat will be employed. The strike mat will be considered part of the home plate when a player is coming in to score(5/00)*
- D. The strike zone mat will be a 22 inches wide, 30 inches long and should be flush with the plate. The "V" of the plate is part of the strike zone and should be painted black. The protruding points should be cut off, and the mat should be made of a rubber substance, for safety reasons(5/96)*

- E No new inning may start after one hour and 30 minutes during preliminary rounds providing the game is regulation. Tie games will be continued using individual game tie-breaker rule until a winner is determined. Championship games only will consist of seven innings or until a tie is broken with no time limit. Consolation games will follow the same tie-breaking procedure as round robin.(5/94)
- F The individual game tie breaker will be employed starting the 8th inning. i.e. from the 8th inning on, each offensive team will start with a runner on second base. This runner will be the player due to bat 10th in the innings(for 11th if an EP is used).
- G There will be an extra safety base at first base on both fields.(5/96)

III. ROSTERS

Roster (up to 12 boys and 12 girls) must be submitted two weeks prior to the tournament and include the following information:

- A. Name;
- B. Grade;
- C. Passport nationality;
- D. Birth date;
- E. Uniform number and
- F. Housing preference.

IV. ENTRIES

Not applicable.

V. SUBSTITUTION

As in the A.S.A. rule book.

VI. FACILITIES

Two softball fields are required, one of which must be on the high school campus with some spectator seating. The other field should either be on campus or be near the high school.

VII. SPECIAL EQUIPMENT

Not Applicable.

VIII. UNIFORMS

As in the A.S.A. rule book. (The hat rule will be enforced).

IX. TIE BREAKING FOR ROUND-ROBIN RANKING

When there is a tie in the ranking list and three or more teams are involved and the tie cannot be broken under the head to head format (see "Resolution of a Tie" in the general rules section) e.g. each team has one win and one loss under a three team head to head comparison (X beats Y; Y beats Z; Z beats X), then the teams involved will enter a playoff series wherein they will play a game against each other team involved in a tie. These games will be called playoff games and teams will draw for identification purposes i.e. Team A, Team B, Team C, etc. (see draw below).

Playoff Games:

- A. Will consist of one inning of normal play.*
- B. Should two teams be tied after the one inning, they will continue to play extra innings until a decision is reached.*
- C. Each inning will start with the 10th scheduled batter (11th using an EP) for that inning starting on second base. After the playoff round robin, the team with the most wins will be ranked highest and so on. If all the teams are still tied, then the playoff series will be replayed and the entire procedure repeated. However, the order of games and designation of Home Team will change according to the following matrix.*

<i>Playoff Round</i>	<i>Game 1</i>	<i>Game 2</i>	<i>Game 3</i>
	<i>(Home vs Visitor)</i>		
<i>1</i>	<i>A vs B</i>	<i>B vs C</i>	<i>C vs A</i>
<i>2</i>	<i>C vs B</i>	<i>A vs C</i>	<i>B vs A</i>
<i>3</i>	<i>C vs A</i>	<i>A vs B</i>	<i>B vs C</i>
<i>4</i>	<i>B vs A</i>	<i>C vs B</i>	<i>A vs C</i>
<i>5</i>	<i>B vs C</i>	<i>C vs A</i>	<i>A vs B</i>
<i>6</i>	<i>A vs C</i>	<i>B vs A</i>	<i>C vs B</i>
<i>7</i>	<i>Start at 1 again</i>		

X. Officials:

The number and source of officials is to be determined by the host school. However, it is recommended that there be three (3) umpires for every game if possible.

XI. Protest:

See "Protest" section of handbook.

XII. Post Section Play:

After the round-robin league play, the top two seeded teams will play a championship match to decide 1st and 2nd place.

The 3rd and 4th ranked teams will play for 3rd place.

There will be no post section play for the 5th and 6th ranked teams

It is recommended that Championship Games should not be played concurrently. If a Championship game is scheduled at a given time, but a previous game runs over time, the start of the next Championship Game will be delayed. (However, the Tournament Director has the right to moderate the schedule if the weather or fading light becomes a factor. (5/00).

XIII. Awards:
