Selamat Datang pada acara IASAS Sepak Bola

Dear Athletes, Coaches and Parents

Welcome to Indonesia, Jakarta International School, and IASAS Soccer 2002.

The JIS community is pleased to host this year's soccer tournament. With your cooperation and extra efforts, on and off the field, the tournament will be a success for all participants.

Having observed preparations, I know the JIS Athletics Department, Varsity Council, JIS Facilities Department, parents and others within the school community have devoted many hours to prepare for this tournament and ensure that you have a safe and positive experience throughout the event. In true IASAS fashion, the tournament has been well organized. I want to offer special thanks to Mark Gray (JIS Athletic Director and Tournament Coordinator), Kyle Morrison and Gerardo Cuneo (Tournament Assistants), The Site Directors, the JIS Booster Club, and to the many JIS students, faculty and parents assisting with the matches.

One hundred and ninety two athletes are set to compete in the tournament. Add to this number all of the team coaches, program directors, organizers, field assistants and crew, student support teams, host families and spectators, and the total involved will have exceeded 400 by Saturday evening.

It is our hope that all students participate actively in the tournament, exhibit good character and perform to the best of their abilities. Champions are not always those who leave the tournament with a trophy, but those who contribute unselfishly to their team and display learned skills and sportsmanship during the entire process. Attitude is everything. Let's support one another while striving to win.

May you leave IASAS Soccer 2002 knowing that you performed well, and carry with you fond memories and friendships.

Please do not hesitate to call upon any of us for help during your stay in Jakarta.

Yours sincerely,

Bruce Lelper
High School Principal

- In case of injury or illness whether before, during or after an event, the Tournament Director or nurse should be notified.
- An injured athlete should not leave campus for any medical care without first consulting the nurse on duty. There is a nurse's office next to the Cilandak Pool during school hours and in the entrance to the Big Gymnasium , and on the middle level of the New Gymnasium after school hours.
- The nurse will require coaches or AIC consent prior to providing medication to students.
- In case of an injury or illness off campus resulting in the need for assistance, students should call J.I.S. (if during the school day) to talk to one of the tournament officials. If it is after school hours, they should contact either their host families, or one of the tournament officials at their home as listed in the program.

XII. THE BREAKER FOR CHAMPIONSHIP GAME-SHOOT-OUT

- A. Each team will be represented by five shooters from 11 designated players, at the end of "sudden death" overtime
- B. All shooters will report to the referee
- C. The referee will record the shooting order
- D. The winner of the shoot-out is based on the most goals scored by either team in five attempts
- E. If a tie exists at this point, a sudden death shoot-out will take place

XIII. PROTEST

- A. First instance, any protest or appeal will be handled by the rule book of the particular activity concerned. This would occur after an appeal to the official.

Except where it may be noted specifically in the IASAS guidelines, only official coaches and/or administrators may file a protest at any IASAS event. (5/99)

- B. If "A" is not possible or is subject to further appeal, a formal written appeal should be made to the Head Official of activity. This should be made within two hours and should be made through the site director. The Head Official of the activity i.e. Section Director (e.g. Head Basketball Official, Forensics Tournament Manager, Head Track and Field Official, etc.) must then make a decision.

The Section Director should make this decision with or without consultation of the coaches involved in that area. The Section Director is free to consult anyone he/she sees fit in helping to make a decision.

A decision should then be communicated to all parties concerned, with copies and a brief report going to the Tournament/Convention Director.

- C. If "B" is appealed, the appeals procedure will continue as follows:

Further appeal can only occur with the approval of the Section Director. The appeal shall be in writing and shall be made within two hours of the placing of the decision being appealed. The appeal should be handed to the Section Director who in turn will add his own report and further comments and present the entire matter to the Convention Director.

If the Convention Director cannot or feels he/she cannot solve the situation, he/she should then call a meeting of the Activities Directors/Administrators present at the convention. (NOTE: This meeting is for input and advice only. It is not a voting forum)

At this time, the Convention Director should get all the information he/she needs. This includes a formal meeting if necessary.

The Convention Director will then make the final decision which will be communicated in writing to all school representatives at the convention.

XIV. TOURNAMENT SCORING

- A. 3 points for a win (5/95)
- B. 1 point for a draw
- C. 0 points for a loss

VISITORS' GENERAL INFORMATION ABOUT JAKARTA

✧ AIRPORT & LOCAL TRANSPORTATION

You should be at the airport 2 hours before departure to assure adequate time for processing immigration and check-in formalities. You should allow an hour for travel time from the J.I.S. to the airport if you are leaving on a weekday or approximately 40 minutes if you are traveling on Sunday.

IMPORTANT:

- ✧ Make absolutely sure that you have your white immigration arrival card with you at the airport when you leave.
- ✧ Airport Tax when departing from Jakarta is Rp. 100,000 if you are leaving on an international flight. This fee must be paid in local currency when you check in at the airport.

Taxis are a convenient way to travel around Jakarta. The "Bluebird" taxi company is largely thought to be the best and most reliable. Regular taxis have meters with a starting price of Rp. 2,500. Make sure the taxi driver starts the meter when you state your destination, and if he insists on fixing a price take a different taxi if you have the option to do so.

✧ TRAVEL INFORMATION

Time: Jakarta is: GMT +7, 1 hour behind Singapore, Kuala Lumpur, Manila, Taipei and the same as Bangkok

✧ CURRENCY

The Indonesian unit of currency is the rupiah (pronounced ru-pee-ah). The current exchange rate fluctuates around Rp. 9,000 = US\$ 1. Rupiah bank notes come in the following denominations:

	<i>Approximately</i>
Rp. 100,000	US\$ 11.00
Rp. 50,000	US\$ 5.50
Rp. 20,000	US\$ 2.20
Rp. 5,000	US\$.55
RP. 1,000	US\$.11

Watch Out !! Tourists often mistake a 1,000 for a 100,000.

✧ CHANGING MONEY

Currency and travelers checks can be exchanged at the school bank Monday and Tuesday, at the airport, at banks and at authorized moneychangers. Normal banking hours are approximately 8:30 AM to 2:30 PM from Monday to Friday, and 8:30 AM to 1:00 PM on Saturdays. Major credit cards are accepted at many (but not all) shops. However, beware – some outlets charge a surcharge.

✧ PERSONAL SAFETY

Generally, Jakarta is a fairly safe place. However, as in most large cities, it is advisable to be alert and take all usual precautions against theft of personal items. Do not wear “flashy” jewelry when out shopping, or leave your bag open, or have your wallet/purse visible. Do not carry your airline ticket, passport, or more money than is necessary around with you. Beware of the traffic! Drivers here are not always as careful as they might be.

✧ HEALTH

Non-infectious diarrhea may result from eating hot, unfamiliar spicy dishes. Patent medicines are widely available in local pharmacies (called “apotiks”). A popular medicine here to fight off diarrhea is “Norit” (charcoal tablets). They are easily available locally.

✧ WATER

It is NOT safe to drink tap water. When in the hotel or houses drink the bottled water and drink only sealed bottled water outside. All tap water on J.I.S. campus is safe to drink.

◇ DRESS CODE

Casual dress is the norm for visiting most places, although if visiting government offices, women should wear skirts, not shorts or trousers. Shorts are acceptable attire for walking around the city or shopping.

◇ TOUTS

If you walk outside the school campus, you will discover that the local people are keen to exchange greetings with you, but also to tempt you to buy their wares/take their local taxis/try the food they are selling, etc.,etc. If you are not interested, just say a firm “no, thank you” and carry on walking. You could try the Indonesian version: “Tidak, terima kasih”, pronounced “Tee-da, ter-ee-ma kassee”. A customary question from Indonesians will be “Where are you going?” to which you could reply “Jalan-jalan” (walking).
