[SPECIAL THANKS](#)

Dear IASAS Delegates,

I am deeply honored to welcome you to the 2026 IASAS Speech & Debate competition at Jakarta Intercultural School.

As your host, we have the privilege of providing you with an engaging platform for your voices to be heard; for you to highlight important issues and broaden perspectives through the power of meaningful dialogue and critical thought.

Each of you has earned your place here. Your participation is an inspiring reflection of your steadfast commitment, countless hours of preparation, and the immense confidence to stand in front of your peers and present your ideas. Know that your contribution matters; that your skills will elevate this experience for everyone involved.

Though you represent different schools, you are united by the shared dedication to thoughtful discourse and the conviction that words can inspire change. Over the course of this week, you will craft arguments, explain complex ideas, and share

issues that matter. I encourage you to be authentic in your passion and deliver your messages with integrity. I also urge you to listen with an open mind, embrace viewpoints different from your own, and challenge one another with the utmost respect.

And perhaps most importantly, I hope you forge friendships and connections that will endure long after the final debates and speeches come to an end. On behalf of the entire JIS community, I wish you a rewarding and memorable IASAS Speech & Debate experience!

Sincerely,

Maya Nelson

Dear IASAS Speech and Debate Delegates, Faculty and Parents,

The skills you are cultivating through IASAS Speech and Debate are invaluable. Not only are you developing your voice, sharpening perspectives, and becoming more informed, but you are learning how to agree and disagree with grace. Being open-minded and maintaining a level of intellectual humility encourages diplomacy and constructive dialogue. Capturing an audience's attention with language and inflection can move people and shape narratives in ways that can influence policy and opinions. We hope that these skills, along with our shared values within the IASAS network, will foster a more inclusive, sustainable, and peaceful future. Thank you for your dedication and hard work.

On behalf of the JIS High School team, I want to extend a warm welcome to our IASAS delegates, coaches, AICs, and volunteers who will help make this event run as smoothly and substantively as possible.

Of course, none of this would be possible without the dedication and insights of our JIS Speech and

Debate team. We are grateful for the leadership of Leizel Placer (OO), Lindsay O'Sullivan (Extemp), Kim Coyle (OI), and Michael Fox (Impromptu) and of Sam Bear and Natalie Vacirca (Debate) who are not only exceptional teachers but also our IASAS Speech and Debate coaches. Additionally, a huge thanks goes to Hannah Greenfield and Emily Doring, our Site Directors for this convention. It is indeed a privilege to work alongside such outstanding educators.

My gratitude also extends to Mike Cali and Mira Sekarsari, who attend to all of the details to coordinate this herculean undertaking. Lastly, a sincere thank you to all the families who are hosting the traveling IASAS Speech and Debate delegates. It really does take a village.
